

## Competitive Sourcing: A Catalyst for Change

Photo: Carol Highsmith

Join your colleagues for a discussion of the competitive sourcing process including possible outcomes, how it may happen and what has to be done. Experienced librarians from a number of federal agencies will provide an overview of the process, introduce vocabulary, clarify acronyms such as MEO, SOW, PWS and COTR, and share resources. There will be opportunity for audience discussion and comments, and the program will end with a question and answer session.
