Library Intern Fair & Speed Mentoring

Please join us for this federal library intern
fair and speed mentoring event.

This high impact event will include:

~ A presentation on Pathways programs
by a representative from OPM - this will
be for the benefit of both the students
and the federal librarians who are
interested in recruiting.

~ An intern fair with booths for each
participating library to share information
about internship opportunities.

~ A speed mentoring session with
students and experienced librarians.

Come meet with library professionals to
discuss career experiences firsthand and
learn about the tools needed to excel in
the field of librarianship. This is also an
opportunity for professional librarians and
library administrators to find fantastic new
additions for their own staffs.
