Friday, October 18, 2019

## FEDLINK Moves to Treasury's Invoice Processing Platform

Beginning in November, FEDLINK will be using the Invoice Processing Platform (IPP), the Department of Treasury's secure, web-based service that efficiently manages government invoicing from purchase order through payment notification at no charge to contractors. FEDLINK will be modifying vendor contracts to reflect this change.

Vendors will need to submit electronic invoices consistent with the IPP system for all invoices dated on November 1, 2019, or later. Many FEDLINK vendors are already active in the IPP system, but others may wish to visit the Treasury IPP website at <https://www.ipp.gov/> for more information and/or training.

For specific inquiries, call IPP at (866) 973-3131, or send an email to [IPPCustomerSupport@fiscal.treasury.gov](mailto:IPPCustomerSupport@fiscal.treasury.gov).

## Register for the FEDLINK Annual Vendor Meeting

Registration is now open for FEDLINK's 2nd Annual After-Expo Vendor Meeting on November 14, from 9:30 am until noon. The meeting will be onsite at the Library of Congress in the Pickford Theater of the Madison Building, and webcast for those who cannot attend in person.

Designed for contract administrators, account representatives, billing staff, and customer service representatives, the meeting will feature the latest updates and information on topics including

- Working with FEDLINK Customers
- Understanding Your FEDLINK Contract
- Marketing to FEDLINK Customers
- Learning about FEDLINK Systems Updates.

[Register here](#) (or point your browser to <https://www.surveymonkey.com/r/19VendorMeeting>) to join the conversation for Fiscal Year 2020.

## Host a Virtual Demo

FEDLINK invites vendors to offer online training to federal customers through its new FEDLINK Marketplace program. If your organization is interested in offering a virtual program through the FEDLINK Marketplace, please register at <https://www.surveymonkey.com/r/FEDLINKmarketplace>.

## Expo Exhibit Registration Closed

All Fall Expo exhibitors have received their registration confirmations and instructions. All vendors may attend the Expo as guests. Event registration opens soon!
