## BILL NO. 3.

We, your special committee to whom was referred the petition of H. P. Ward of Atoka county, Choctaw Nation asking for an investigation of all alleged illegal votes cast at the election held Aug. 6th, 1902, for County Judge, report that we find that C. S. Vinson was declared elected by a majority of four votes. We had before us witnesses and Affidavits and records from the Dawes Commission which fully established the fact that there were at least eleven (11) illegal and fraudulent votes cast for C. S. Vinson which went to make this majority.

We recommend the passage of the following

resolution:

BILL NO. 9.

A RESOLUTION accepting the report of T. E. Sanguin, Collector for the Third District of the Choctaw Nation for the quarters ending September 30, 1901, December 31, 1901, and March 31, 1902.

Your Finance Committee to whom was referred the report of Mr. T. E. Sanguin, Collector for the Third District of the Choctaw Nation, reporting the amounts of royalty collected by him from licensed traders and other persons and companies, have carefully examined the report and find that

it covers the quarters ending September 30, 1901, December 31, 1901, and March 31, 1902.

We find further, that the amount shown in the report to be due the Choctaw Nation, namely, Nine Thousand, Six Hundred and Sixty-Three Dollars and Twenty-Five Cents, (\$9,663.25), is true and correct, according to our examination.

We were furnished a receipt signed by the National Treasurer showing the payment by Mr. Sanguin into the National Treasury of the amount due according to his report.

We call attention to the fact, however, that the report is not accompanied by sworn statements of the parties paying royalty. These sworn statements are required by an act of the General Council, passed and approved during the regular session of October, 1901. Mr. Sanguin advised your committee that the merchants in his district refused to make the sworn statements and that acting upon the advice of the Principal Chief, he made no attempt to compel the merchants to furnish the sworn statements.

In view of the circumstances, your Committee believes that the report should be accepted without the sworn statements, therefore would recommend the adoption of the following resolution:

BE IT RESOLVED BY THE GENERAL COUNCIL OF THE CHOCTAW NATION ASSEMBLED.

Sec. 1. That the report of T. E. Sanguin, Collector for the Third District of the Choctaw Nation, for the quarters ending September 30, 1901, December 31, 1901, and March 31, 1902, be, and the same is hereby accepted as true and correct.

Sec. 2 That this resolution shall take effect

and be in force from and after its passage and approval.

BILL NO. 21.

A RESOLUTION refusing to accept the annual report of Peter J. Hudson, National Auditor, for the fiscal year ended September 30, 1902.

Your Finance Committee, to whom was referred the annual report of Peter J. Hudson, National Auditor, for the fiscal year ended September 30, 1902, have carefully examined the report and would respectfully report as follows :

1st. The clerk of the First Judicial District of the Choctaw Nation on April 22, 1901, issued a certificate for one dollar for boarding a prisoner during the special term of court, held in April, 1901. Under the law, the payment for this service should be made out of the County Treasury. Therefore, the warrant issued on this certificate is illegal.

2nd. May 28, 1902, Mr. Hudson issued three warrants to Mr. Thomas B. Latham, as follows :

No. 43.—Thos. B. Latham, salary from March 21 to May 23, 1902, warrant issued May 28, 1902.....	\$250 00
No. 44.—Thos. B. Latham, salary from March 21 to May 23, 1902, warrant issued May 28, 1902.....	250 00
No. 45.—Thos. B. Latham, salary from March 21 to May 23, 1902, warrant issued May 28, 1902.....	361 10
Total.....	<u>\$861 10</u>

These warrants were issued to Mr. Latham on a certificate of the Principal Chief, dated May 27,

1902, which certificate states that Mr. Latham is entitled to pay for services rendered as citizenship attorney, per act of the General Council approved by the Principal Chief on Oct. 19, 1899, and by the President of the United States on January 10, 1900. An examination of said act shows that the attorneys appointed thereunder can be removed only for cause. The evidence at hand does not show that the attorneys originally appointed under that act, namely, Mansfield, McMurray & Cornish, were removed according to law.

Your Committee is advised that the Department of the Interior has refused to recognize the said Thomas B. Latham as citizenship attorney for the Choctaw Nation, but has recognized Mansfield, McMurray & Cornish as such attorneys.

Your Committee believes that the certificate of the Principal Chief directing the National Auditor to issue said warrants was without authority of law, and that the warrants issued thereunder were, therefore, illegal.

3rd. Inasmuch as the foregoing warrants were illegal, we believe that Peter J. Hudson, National Auditor, should be required to reimburse the National Treasury the following amounts:

Warrant illegally issued on certificate of	
District Clerk.....	\$ 1 00
Warrants illegally issued to Thos. B. Latham .....	861 10
	<hr/>
Total.....	\$862 10

Your Committee would, therefore, recommend the adoption of the following resolution :

BE IT RESOLVED BY THE GENERAL COUNCIL OF THE CHOCTAW NATION ASSEMBLED:

Sec. 1. That the annual report of Peter J. Hudson, National Auditor, for the fiscal year ended September 30, 1902, be and the same is hereby not accepted:

Sec. 2. That the National Treasurer is hereby authorized and directed to make demand on said Peter J. Hudson, National Auditor, for the amount of \$862.10, and to make a report of his action under this resolution to the next General Council.

Sec. 3. That this Act shall take effect and be in force from and after its passage and approval.

Chairman of Finance Committee.

BILL NO. 21 a. •

A RESOLUTION accepting the annual report of Geo. W. Scott, National Treasurer, for the fiscal year ended September 30, 1902.

Your Committee, to whom was referred the annual report of George W. Scott, National Treasurer, for the fiscal year ended September 30, 1902, have carefully examined the report, and find that it shows receipts and disbursements as follows:

Total receipts.....	\$79,910 63
Total disbursements.....	74,937 55

Balance on hand Sept. 30, 1902..\$ 4,973 08

Your Committee finds that the National Treasurer paid one warrant which was declared illegal by a resolution of the General Council on November 6, 1901. The warrant is as follows :

No. 59 I., G. W. Dukes, dated February 15, 1901.....\$1,000 00

Our investigation shows that this warrant was issued to G. W. Dukes, then Principal Chief, to defray the expenses of the Commission that went to Washington to urge immediate action by Congress on the Supplementary Agreement of February 7, 1901. We believe that it was proper for the Principal Chief to take whatever steps he deemed proper to hasten action by Congress on the said Agreement, but that the expense in connection with the trip to Washington should not have exceeded one thousand dollars. The warrant in question was for that amount and for that purpose, and we believe that the Nation should pay the same. We would therefore recommend the adoption of the following resolution :

BE IT RESOLVED BY THE GENERAL COUNCIL OF THE CHOCTAW NATION ASSEMBLED:

Sec. 1. That the annual report of Geo. W. Scott, National Treasurer, for the fiscal year ended September 30, 1902, be and the same is hereby accepted as true and correct.

Sec. 3. That this Resolution shall take ef-

## BILL NO. 25.

AN ACT amending an act entitled, "An Act to increase the Contingent Fund of the Principal Chief."

Whereas, the ratification of the Supplementary Agreement will greatly increase the official correspondence of the Principal Chief with the various branches of the Department of the Interior, thus necessitating a large outlay for stationery and clerical assistance; and;

Whereas, many important matters will be continuously arising in connection with said Agreement that will require the personal attention of the Principal Chief away from home, thus increasing his traveling expenses; and,

Whereas, the present contingent fund of the Principal Chief is wholly inadequate to meet these various expenses. Therefore,

BILL NO. 27.

ARTICLES of Impeachment.

The House of Representatives of the General Council of the Choctaw Nation, in regular session assembled, in pursuance of the Constitution and

Laws of the Choctaw Nation, hereby prefers Articles of Impeachment against Solomon J. Homer, National Secretary of the Choctaw Nation, and charges :

1st. That he has, in willful neglect of his duties as National Secretary of the Choctaw Nation, absented himself from his office in the Capitol building from day to day, during the regular session of the Council, and thereby willfully neglected to perform the duties incumbent upon him, and the regular business of the Council has been thereby embarrassed and delayed.

2nd. That he willfully neglected his duty as National Secretary by failing to attend the joint session of the two Houses of Council on Saturday, Oct. 11, 1902, convened for the purpose of counting the votes for Principal Chief; and by failing to perform the duties required of him by law, in receiving such vote from the Supreme Judges and transmitting the same to the Speaker of the House of Representatives, thereby rendering it necessary, by reason of such willful neglect of duty, for the President of the Senate to designate some other national officer to perform the duties required of him.

3rd. That he has willfully neglected his duties by failing to deliver to the Journal Clerks of the Senate and House of Representatives of the General Council, the books necessary for recording the proceedings of the Council; and by failing to furnish the two Houses of Council the records, documents and stationery which it is his duty to furnish.

4th. That he willfully destroyed, or permit-

ted to be lost or destroyed, certain official records, delivered to him as National Secretary for safe keeping, and failed to produce the same when called upon, to-wit: The report of Hon. Green McCurtain, National Treasurer of the Choctaw Nation, showing the Lease District payment.

5th. That he is frequently under the influence of intoxicants, and thereby unfit for the performance of the duties incumbent upon him as National Secretary.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE GENERAL COUNCIL OF THE CHOCTAW NATION ASSEMBLED:

That the above and foregoing be adopted as the Act of this body in preferring Articles of Impeachment against Solomon J. Homer, National Secretary of the Choctaw Nation; and that same be duly transmitted to the Senate of the General Council for action by that body, as required by the Constitution and Laws of the Choctaw Nation.

SUMMONS.

To Solomon J. Homer, National Secretary, Choctaw Nation:

You are hereby summoned to appear before the bar of the Senate of the General Council of the Choctaw Nation on Tuesday, at 2 o'clock, on the 21st day of October, 1902, to answer the Article of Impeachment preferred against you by the House of Representatives.

Homer, to appear on the 21st day of October, 1902, at 2 o'clock p. m., to answer the charges preferred against him by the House of Representatives, and on said Oct. 21st, 1902, the Senate of the General Council of the Choctaw Nation, being in regular session, and every member of the Senate being present, the matter of hearing, trial and determination of the Articles of Impeachment against Solomon J. Homer, National Secretary of the Choctaw Nation, heretofore duly preferred by the House of Representatives, was taken up; and it appearing to the Senate that said Solomon J. Homer had been duly served by summons, with a copy of such Articles of Impeachment attached thereto, advising him of the time when such Articles of Impeachment would be tried, and admonishing him to answer the same, and that he came not, and made no answer thereto, but wholly made default; and thereupon the Senate proceeded to hear, try and determine such Articles of Impeachment, and after hearing the evidence adduced in support thereof, and being well and sufficiently advised in the premises, doth find that the said Solomon J. BILL NO. 30.

A MEMORIAL asking for the removal of Benjamin F. Hackett as United States Marshal for the Central District of the Indian Territory.

To the President of the United States :

Your memorialist, the Choctaw Nation, in regular session assembled, at Tushkahoma, the Capital of the Choctaw Nation, respectfully represents :

That it is composed of Senators and members of the House of Representatives, elected by the suffrage of the Choctaw people.

That the entire Choctaw Nation, with the exception of a small area, comprises the Central Judicial District of the Indian Territory.

That Benjamin F. Hackett is the United States Marshal for the Central Judicial District of the Indian Territory.

That the conduct of United States Marshal Hackett and certain of his subordinates throughout the Choctaw Nation, for the past several months, and upon the occasion of the recent assembling of the General Council of the Choctaw Nation was and is such as to convince the Choctaw people that he is unworthy of the high office he holds. He openly co-operated with one of the

contending factions in the recent contest for Principal Chief, by permitting armed and lawless men to take and hold possession of the Capitol building and exclude therefrom, for an entire week, regularly elected members of Council and other officers. When appealed to, he stated openly that he would not remove such armed and lawless men from the Capitol building, or permit it to be done; thus causing an expensive and vexatious delay in the regular business of the Council of an entire week, and necessitating a detail of United States troops to dispel the anarchy that prevailed. After the Capitol building had been so held and controlled for many days, he approached the present Principal Chief, Hon. Green McCurtain, and asked him to meet the contending candidate, Thomas W. Hunter, for a conference. He came personally with Hunter to the hotel of Governor McCurtain and in his presence Hunter made a proposition that he would permit the Council to enter the Capitol building and count the vote for Principal Chief without interruption if he (McCurtain) would agree to divide the patronage incident to the office. After the rejection of the proposition by Governor McCurtain, the same armed and lawless men held control of the Capitol building, as theretofore, until the United States troops arrived and cleared the building and premises of all armed men. After the arrival of the troops Marshal Hackett maintained that the possession of the Capitol should not be interfered with, and he and his deputies retired from the Capitol grounds only after having been specifically requested to do so by the commanding officer.

The Choctaws have ever reposed the greatest

confidence in the Government of the United States and respect for its representatives, but they believe Marshal Hackett to be a bitter partisan, prejudiced and unfair, and not impelled by a desire to faithfully and impartially discharge the duties of his high office. Inasmuch as the Choctaw people are the wards of the Government of the United States, and constitute a large proportion of the population and own a large proportion of the property of the Central Judicial District of the Indian Territory, with which Marshal Hackett is connected, they feel it not unreasonable to ask that the representatives of the Government of the United States refrain from their exercise of their official power and influence either for or against any of the factions of the Choctaw Government.

We, therefore, respectfully and earnestly request that Benjamin F. Hackett be removed from the office of United States Marshal for the Central Judicial District of the Indian Territory; and that a man be appointed to that high position who will exercise the duties of his office as the representative of the Government of the United States fairly, impartially, and with justice to all.

### BILL NO. 3.

A RESOLUTION endorsing the action of the Committee of the Five Civilized Tribes held at Eufaula, Ind. Ter., Nov. 28, 1902.

Whereas, A Committee of the Five Civilized Tribes was held at Eufaula, Ind. Ter., November 28, 1902; and,

Whereas, Said Committee adopted a preamble and resolutions as follows:

Whereas, The Five Civilized Tribes of the Indian Territory have, by agreement, made and entered into with the United States, provided for the dissolution of their Tribal Government. And,

Whereas, The changed conditions brought

about by such Agreement require a complete resolution in our land tenure, and new laws and usages unknown to the Indians comprising the Five Tribes of the Indian Territory, which conditions will require time for the new citizen to adapt himself to the changed order of things. And,

Whereas, These changes were apparent to the contracting parties at the time of the making of said Agreement, which is evidenced by the fact that a separate political organization was provided for the Indian Territory, and the period for dissolution of said Tribal Governments was fixed at March 4th, 1906. And,

Whereas, Citizens of the United States, not Indians, now resident in and upon the lands of the Five Tribes, are making, by petition and lobby influence, efforts to induce the Congress of the United States to ignore the spirit and letter of these Agreements by placing the Indian Territory under the laws of Oklahoma Territory; failing in that, to organize a regular United States Territory out of the present Judicial organization known as the Indian Territory, either of which proposition would delay the work of the Government as now organized and satisfactorily proceeding under the direction of the Secretary of the Interior in our Territory for the fulfillment of the Agreement referred to.

Now, therefore, be it resolved by the duly authorized representatives of the Five Civilized Tribes in the convention assembled at Eufaula, Indian Territory, November 28, 1902.

That we affirm our confidence in the purpose of the United States Government to faithfully discharge the obligation she has assumed in her

treaties with the Five Civilized Tribes in the Indian Territory.

We are opposed to and protest against any legislation by Congress that contemplates the annexation of Indian Territory or any part thereof to the Territory of Oklahoma, or to any State, and we insist upon our Tribal Governments continuing intact, and our Tribal conditions remaining unchanged until March 4, 1906, at which time, should Congress deem it wise to change the present form of Government in the Indian Territory, we ask that a State be formed out of the Territory composing Indian Territory, without the preliminary steps of a Territorial form of Government.

That the authority and supervision of the Department of the Interior over Indian affairs in the Indian Territory and the duties imposed on the Dawes Commission by such authority, in the distribution of the lands belonging to the Five Civilized Tribes, are sufficient for the present demands of Government and satisfactory to the owners of the soil.

That it is incumbent upon us, as self governing people, to propose a State form of Government, and take part in the establishment of the same, for the country owned by us, to take effect at the dissolution of Tribal Government in 1906.

We most earnestly protest against the misrepresentations found in the petitions presented by people assembling in conventions at different places in the Indian Territory purporting to represent the wishes of the people of the Indian Territory, firmly believing, as we do, that they represent no part of the Indian population, and a very small part of the white population of the Indian Terri-

tory, in so far as they represent the people of the Indian Territory as asking for Territorial form of Government or Statehood jointly with Oklahoma. Now, therefore,

BE IT RESOLVED BY THE GENERAL COUNCIL OF THE CHOCTAW NATION IN EXTRAORDINARY SESSION ASSEMBLED:

Sec. 1. That the action taken by the delegates of the Choctaw Nation in said convention is hereby approved.

Sec. 2. That the National Secretary is hereby authorized and directed to forward to the President of the United States, Secretary of the Interior and Committee on Indian Affairs a copy of this resolution.

Sec. 3. That this Resolution shall take effect and be in force from and after its passage.

BILL NO. 4.

Whereas, The land office of the Choctaw Nation will be opened at Atoka, Indian Territory, on Feb. 1, 1903; and,

Whereas, A great majority of the Choctaw people are totally unfamiliar with the subdivisions of land as made by the United States Government surveyors in the Choctaw Nation; and,

Whereas, There is no provision by which the the Choctaw people may acquaint themselves with the said subdivisions, and for that reason it is necessary for some method to be adopted whereby they may secure the proper data and be prepared to file upon their lands before going to the land office. Now, therefore,

BE IT ENACTED BY THE GENERAL COUNCIL OF THE CHOCTAW NATION IN EXTRAORDINARY SESSION ASSEMBLED :

Sec. 1. That the office of Allotting Commission is hereby created.

Sec. 2. Be it further enacted: That the Principal Chief is hereby authorized to appoint three competent persons for the three districts composing the Choctaw Nation, who shall be under his special supervision. And that the said Allotting Commissioners shall provide themselves with proper maps, plats, and field notes, in order that they may be able to furnish the citizens with plats of the lands they wish to allot. They shall visit each and every township in the Choctaw Nation, and make and deliver plats to all citizens who will allot land for themselves, or are legally authorized to select allotments for others.

Sec. 4. And upon the failure of any Com-

missioner appointed under this Act to perform the duties outlined herein without a lawful excuse he shall, by the Principal Chief, be removed, and his successor appointed.

Sec. 5. BILL NO. 8.

A RESOLUTION condemning the action of Thomas W. Hunter as Townsite Commissioner for the Choctaw Nation, and requesting his removal from said office.

Whereas, Thomas W. Hunter, as Townsite Commissioner for the Choctaw Nation, has greatly

neglected his duties as such Commissioner, by absenting himself from his office and work without leave, for a period of twenty-two days in the month of October, 1902, and at various and divers other times. And,

Whereas, The said Thomas W. Hunter has been seen by various people, at divers times, in Ft. Smith, Arkansas, and Paris, Texas, and other points, under the influence of liquor, and neglecting his business and absenting himself from his office as said Commissioner representing the Choctaw Nation. And,

Whereas, The said Thomas W. Hunter has sold and permitted to be sold various town lots in such a manner that the prospective purchaser might not see what he was bidding on, thereby causing the Nation great loss in the sale of said lots. And,

Whereas, The said Thomas W. Hunter, with his associate member, not only sold lots in the town of Caddo, in this manner, but attempted to sell over one hundred lots together, presumably in order that they might be bought at low rates by the Fair company, who claimed them, and in which the said Thomas W. Hunter is to be interested; that these lots were sold on the main street of the town, without going near them, over and against the protest of many citizens, as well as non-citizens. And,

Whereas, The said Thomas W. Hunter is said to be dealing in town property in various towns in the Nation, which property is held in the name of his wife and other parties, thereby disqualifying him from holding the office of Town-

site Commissioner. Now, therefore,

BE IT RESOLVED BY THE GENERAL COUNCIL OF THE CHOCTAW NATION IN EXTRAORDINARY SESSION ASSEMBLED:

BILL NO. 10.

To the Honorable Secretary of the Interior :

We, your Memorialist, the General Council of the Choctaw Nation, assembled in special session, most respectfully request that the lauds to be segregated in the Choctaw Nation, on account of their coal and asphalt deposits, be secured against intrusion.

By the terms of the Supplementary Agreement, as soon as these lands are reserved, all citizens must vacate them and seek their allotments elsewhere. These lands will be left unoccupied, and, unless steps are taken to control them, it is likely that they will be used by intruders and squatters and the timber cut therefrom without remuneration to the tribes.

We desire to obviate this condition, and most respectfully ask that the matter be taken in hand by the Department and, in co-operation with the Principal Chief, some remedy adopted; therefore,

BE IT RESOLVED BY THE GENERAL COUNCIL OF THE CHOCTAW NATION IN EXTRAORDINARY SESSION ASSEMBLED :

Sec. 1. That we most earnestly request the Honorable Secretary of the Interior to take charge of these lands when segregated, and, in co-operation with the Principal Chief, lease them, wherever possible, to the best interest and advantage of the tribes, and place the proceeds to the credit of the respective tribes; provided, however, that where lands are occupied by citizens for farming purposes they will not be required to remove therefrom until their growing crops are gathered.

Sec. 2. And, be it resolved: That this Resolution be, and the same is hereby in full force and effect from and after its passage and approval.

## BILL NO. II.

To the Honorable Secretary of the Interior:

We, your Memorialist, the General Council of the Choctaw Nation in special session, most respectfully call your attention to the portion of the Choctaw-Chickasaw Supplementary Agreement providing for the segregation and sale of the coal and asphalt deposits of the Choctaw and Chickasaw Nations.

In view of the magnitude of this work and its great importance to the people of the Choctaw Nation, we feel justified in advising the Department that we are very anxious to have great care exercised in the segregation of this land.

Under the terms of the Treaty, lands now leased may be considered segregated, and our chief concern is in the segregation of the lands now leased. The lands now leased were found to contain valuable coal by thorough prospecting; and we hope the United States Government will make the same searching investigation and satisfy itself of the existence of valuable coal, within the meaning of the Treaty, before segregating any tract of land.

It has been intimated to the Council that non-citizens around the larger towns and certain railroads and coal companies operating within the Choctaw Nation will make efforts to induce the Department to segregate all lands having indications of coal, without reference to whether or not the coal abounds in quality or quantity sufficient to make it valuable. Lands adjacent to the larger towns are valuable independent of their coal de-

posits, and the purpose of this class of people in having these lands segregated, is to buy them at public auction as coal lands and afterwards use them for other purposes.

We beg leave to respectfully remind you that lands frequently contain coal indications when practical investigation shows that the coal does not exist in commercial quantities. There is a large area of this class of land in the Choctaw Nation. Such lands are more valuable for agricultural purposes, and should not be segregated, but left for the purpose of allotment.

BILL NO. 21.

A RESOLUTION denying the claim of S. W. Peel.

Your Finance Committee has had under consideration the claim of S. W. Peel, for service claimed to have been rendered the Choctaw Nation in the Court of Claims at Washington, D. C., in the suit of the Pike heirs vs. Choctaw Nation. The matter has been carefully considered, and we submit the following report :

I

By an Act of the General Council of the Choctaw Nation, approved October 19, 1893, the office of Delegate to the Congress of the United States was created, which Act prescribed his duties, provided for his compensation, and is as follows .

BE IT ENACTED BY THE GENERAL COUNCIL OF

## THE CHOCTAW NATION IN EXTRA SESSION ASSEMBLED :

Sec. 1. That the office of Delegate to the Congress of the United States be, and the same is hereby created. That said Delegate, so appointed as herein provided, shall not be less than thirty-five years of age, and a Choctaw Indian by blood.

Sec. 2. That said Delegate shall be appointed by the Principal Chief, by and with the consent and approval of the Senate. Said Delegate shall represent the Choctaw Nation in all interests whatever in Congress, and before the Departments, and shall keep the Principal Chief thoroughly advised as to all matters under his charge, and report to the General Council annually, and such matter and other reports as he may be called upon to make from time to time by the Principal Chief.

Sec. 3. That the term of office of said Delegate shall be for four years. He shall be required to reside at Washington, D. C., and shall be present during all sessions of Congress, unless otherwise directed by the Principal Chief.

Sec. 4. That the salary of said Delegate shall be five thousand dollars (\$5,000) per annum, payable quarterly, upon warrants to be issued by the National Auditor; first quarter's allowance of said Delegate to be paid in advance at the time of his appointment.

Sec. 5. That said Delegate is authorized and empowered to employ such attorneys as he may deem advisable, and by and with the advice and consent of the Principal Chief, on requisition drawn by said Delegate and countersigned by the Prin-

cipal Chief of the Choctaw Nation, on the National Treasurer of the Choctaw Nation, to disburse and expend not more than two thousand dollars per annum in payment of such attorney, or attorneys, so employed by said Delegate.

Sec. 6. That this Act shall take effect and be in force from and after its passage and approval.

## II

The investigation by your Committee shows that under this Act a warrant was issued to one S. W. Peel, and dated November 12, 1895, and that the National Treasurer has paid the same, a copy of which warrant is as follows :

No. . . . . \$2,000.00

### NATIONAL AUDITOR'S WARRANT.

THE TREASURER OF THE CHOCTAW NATION:

Pay S. W. Peel, or order, two thousand dollars, Attorney to Washington, D. C., 1895, out of the National Treasury, appropriated to pay National expenses.

Given at Tushkahoma, this 12th day of  
November, 1895.

G. W. DUKES,  
Auditor.

## III

Inasmuch as the Delegate was expressly empowered by law to pay not more than two thousand dollars for the services of attorneys, and inasmuch as our records show that this amount has been paid to the said S. W. Peel, thereby showing that the matter has already been adjusted,

We, therefore, recommend the adoption of the following resolution :

BE IT RESOLVED BY THE GENERAL COUNCIL OF THE CHOCTAW NATION IN EXTRA SESSION ASSEMBLED :

Sec. 1. That the claim of the said S. W. Peel, for services claimed to have been rendered by him in the Court of Claims at Washington, D. C., in the suit of the Pike heirs vs. Choctaw Nation, be, and the same is hereby denied.

Sec. 2. Be it further resolved: That this Resolution shall take effect and be in full force from and after its passage and approval.
