To the General Council.

We the committee appointed to examine the report of E. N. Wright, National Agent, would report that we find his report in

reference to royalties to be true and correct, The sum total is \$130,156.32.

We further find that he has instituted proceedings to recover the amount due from the Choctaw Coal and Railway Co., as per act approved Nov. 3, 1892, and has received certificates of the receivers of the Choctaw Trading Company for 75 per cent of the true sum which is \$9,370.05, which percentage is \$7,027.54. Of this sum there was paid \$702.75 as attorneys fees and \$500 to McLeod & Lester the original attorneys employed previous to the passage of the act authorizing the employment of an attorney, and which was allowed by the Special Master in Chancery as their fee. Of the remainder, \$5,500 is in receiver certificates, plus \$324.79 in cash, which has been deposited in bank; due report will be made when the certificates have been foreclosed. BILL NO. 1.

An act to comply with the requirements of an act of Congress approved March 3, 1891, making an appropriation to compensate the Choctaws and Chickasaws for their interest in the lands lying south of the Canadian river, and occupied under executive order by the Cheyenne and Arapahoe Indians, as modified by joint resolution of congress approved January 18, 1893, and for other purposes.

Whereas, an act of congress was approved by the President of the United States on the third day of March, 1891, containing the following provisions:

And the sum of two million, nine hundred and ninety-one thousand four hundred and fifty dollars be, and the same is hereby appropriated out of any money in the treasury not otherwise appropriated, to pay the Choctaw and Chickasaw Nations of Indians for all the right, title, interest and claim, which said Nations of Indians may have in and to certain lands now occupied by the said Cheyenne and Arapahoe Indians under executive order, said lands lying south of the Canadian river and now occupied by the said Cheyenne and Arapahoe Indians, said lands having been ceded in trust by article three of the treaty between the United States and said Choctaw and Chickasaw Nations of Indians, which was concluded April twenty-

eight, eighteen hundred and sixty-six, and proclaimed on the tenth day of August of the same year; and whereof there remains, after deducting allotments as provided by said agreement, a residue ascertained by survey to contain two million three hundred and ninety-three thousand one hundred and sixty acres; three-fourths of this appropriation to be paid to such person or persons as are or shall be duly authorized by the laws of the Choctaw Nation to receive the same, at such time and in such sums as directed and required by the legislative authority of said Choctaw Nation, and one-fourth of this appropriation to be paid to such person or persons as are or shall be duly authorized by the laws of said Chickasaw Nation to receive the same, at such time and in such sums as directed and required by the legislative authority of said Chickasaw Nation. This appropriation to be immediately available and to become operative upon the execution by the duly appointed delegates of said respective Nations specially authorized thereto by law, of releases and conveyances to the United States of all the right, title, interest and claim of said respective Nations of Indians in and to said lands (not including Greer county which is now in dispute), in manner and form satisfactory to the President of the United States, and said releases and conveyances, when fully executed and delivered, shall operate to extinguish all claim of every kind and character of said Choctaw and Chickasaw Nations of Indians in and to the tract of country to which said releases and conveyances shall apply.

And whereas, The President of the United States approved January 18, 1893, the following joint resolution of congress:

Resolved, by the Senate and House of Representatives of the United States of America in congress assembled, That the Secretary of the Treasury be, and he is hereby directed to retain and cover back into the treasury forty-eight thousand and eight hundred dollars of the appropriation made by congress to pay the Choctaw and Chickasaw tribes of Indians for their interest in the lands of the Cheyenne and Arapahoe reservation, dated March third, eighteen hundred and ninety-one, which amount has been ascertained by a recount of the allottees of said Chey-

enne and Arapahoes, to be by that amount more than is due the said Choctaws and Chickasaws upon the purchase and settlement for their said interest. Provided however, that neither the passage of the original act of appropriation to pay the Choctaw and Chickasaw tribes of Indians for their interest in the lands of the Cheyenne and Alapahoe reservation, dated March third, eighteen hundred and ninety-one, nor of this resolution shall be held in any way to commit the government to payment of any further sum to the Choctaw and Chickasaw Indians for any alleged interest in the remainder of the lands situated in what is commonly known and called the "leased district."

And whereas, The Choctaw Nation is ready and willing to sign, execute and deliver the releases and conveyances in said act mentioned, to the United States, of the lands therein described, in manner and form satisfactory to the President of the United States.

Now, therefore be it enacted by the General Council of the Choctaw Nation assembled, That the said act of congress and said joint resolution, herein above mentioned, are hereby accepted and approved and that Green McCurtain, National Treasurer of the Choctaw Nation, or his successor in office, is hereby authorized to receive in behalf of the Choctaw Nation the amount appropriated in said act and joint resolution of congress, for and on behalf of said Choctaw Nation, for the interest in said lands, and said National Treasurer is hereby authorized to receipt in full to the Secretary of the Treasury of the United States, in the name of the Choctaw Nation therefor, provided that nothing herein shall be construed to impair any claim that the Choctaw Nation may have in any other than in what is known as the "leased district."

SEC. 2. Be it further enacted that Thomas D. Ainsworth, David W. Hodges and Green McCurtain, National Treasurer of the Choctaw Nation, or his successor in office, are hereby appointed delegates of said Choctaw Nation, with full power and authority to execute in the name of and on behalf of the Choctaw Nation, in manner and form satisfactory to the President of the United States, and to sign, seal and acknowledge the re-

leases and conveyances described and mentioned in said part of said act of congress, and to deliver the same, when so executed, signed and acknowledged to the President of the United States, as and for the releases and conveyances of the Choctaw Nation, under said act and said joint resolution of congress of all right, title, interest and claim of every kind whatsoever of this Nation in and to the lands described in said act of Congress.

SEC. 3. And be it further enacted, That in case of the death, resignation or other inability of any of the said delegates to act as herein provided, the Principal Chief of the Choctaw Nation shall appoint and commission the proper person or persons to act as such delegate or delegates, for and on behalf of the Choctaw Nation with full power to carry out as such delegate or delegates the provisions of this act.
