

Birthright Citizenship Conditions

	Unconditional at birth		Combination of parental status and age/residency of child
	Parental status		Race/ethnicity
	Age/residency of child		No birthright citizenship
	Parental status or age/residency of child		

Note: With regard to Mali (ML), parental status can only form a basis for birthright citizenship if the parents are also “of African origin.” *Source:* Law Library of Congress, *Birthright Citizenship Around the World* (Nov. 2018), <https://www.loc.gov/law/help/birthright-citizenship/global.php>.
