Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Saint Paul and Pacific Railroad Company may so alter its branch lines that, instead of constructing a road from Crow Wing to St. Vincent, and from St. Cloud to the waters of Lake Superior, it may locate and construct, in lieu thereof, a line from Crow Wing to Brainerd, to intersect with the Northern Pacific railroad, and from St. Cloud to a point of intersection with the line of the original grant at or near Otter Tail or Rush lake, so as to form a more direct route to St. Vincent, with the same proportional grant of lands to be taken in the same manner along said altered lines, as is provided for the present lines by existing laws: Provided, however, That this change shall in no manner enlarge said grant, and that this act shall only take effect upon condition of being in accord with the legislation of the State of Minnesota and upon the further condition that proper releases shall be made to the United States by said company, of all lands along said abandoned lines from Crow Wing to St. Vincent, and from St. Cloud to Lake Superior; and that upon the execution of said releases such lands so released shall be considered as immediately restored to market without further legislation.
