CHAP. CLXV. — An Act declaring the Lands constituting the Fort Collins military Reservation, in the Territory of Colorado, subject to Pre-emption and Homestead Entry, as provided for in existing Laws.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the lands constituting the Fort Collins military reservation, in the Territory of Colorado, so far as the same have not been lawfully disposed of since their reservation, are hereby restored to the United States and made subject to pre-emption and homestead entry only, as now provided for by law.

APPROVED, May 15, 1872.

CHAP. CLXIX. — An Act to regulate the Salary of the Consul at Tien Tsin, China.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the salary of the United States consul at Tien Tsin, China, shall, from and after the passage of this act, be thirty-five hundred dollars; and the laws regulating the duties of salaried consuls shall govern said consul.

APPROVED, May 17, 1872.

CHAP. CLXX.—An Act to authorize the Construction of certain Bridges across the Mississippi River, and to establish the same as Post-roads.

Western Illinois Bridge Company may build a bridge across the Mississippi river at Quincy, Ill., and for what purposes. Railway tracks.

SEC. 2. That said bridge may, at the option of the company building the same, be built either as a pivot drawbridge, or with unbroken or continuous spans: Provided, That if the said bridge shall be made with unbroken or continuous spans, it shall not be of less elevation, in any case, than fifty feet above high-water mark, as understood at the point of location, to the bottom chord of the bridge; nor shall the spans of said bridge be less than two hundred and fifty feet in length, and the piers of said bridge shall be parallel with the current of the river, and the main span shall be over the main channel of the river, and not less than three hundred feet in length: And provided also, That if said bridge shall be constructed as a pivot drawbridge, the same shall be constructed with a draw over the main channel of the river at an accessible and navigable point, and with spans of not less than one hundred and sixty feet in length, in the clear, on each side of the central or pivot pier of the draw; and the next adjoining spans to the draw shall not be less than two hundred and
