CHAP. CCXLI. — An Act relating to the Creation of new Land Districts.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That hereafter in case of the division of existing land districts by the erection of new ones, or by a change of boundaries by the President of the United States, all business in such original districts shall be entertained and transacted, without prej-
udice or change, until the offices in the new districts shall be duly opened
by public announcement under the direction of the Secretary of the In-
terior.

SEC. 2. That all sales or disposals of the public lands heretofore regu-
larly made at any land office after the said lands have been made part of
another district by any act of Congress, or by any act of the President,
are hereby confirmed, provided the same are free from conflict with prior
valid rights.

CHAP. CCXLII.—An Act authorizing the Construction of a Bridge across the Arkan-
sas River, at Little Rock, Arkansas.

Be it enacted by the Senate and House of Representatives of the United
States of America in Congress assembled, That it shall be lawful for the
Little Rock Bridge Company, a corporation having authority from the
State of Arkansas, to build a railroad, transit, and wagon-bridge across
the Arkansas river, at or near the city of Little Rock, in Arkansas; and
that, when constructed, all trains of all railroads terminating at the Ar-
kansas river, at or near the location of said bridge shall be allowed to
cross said bridge for a reasonable compensation, to be paid to the owners
thereof; and in case of any litigation arising from any obstruction or
alleged obstruction to the free navigation of said river, the cause may be
tried before the district court of the United States in and for the eastern
district of said State of Arkansas.

SEC. 2. That any bridge built under the provisions of this act may, at
the option of the company building the same, be built as a drawbridge,
with a pivot, or with unbroken or continuous spans: Provided, That if
the said bridge shall be made with unbroken or continuous spans, it shall
not be in any case of a less elevation than fifty feet above extreme high-
water mark, as understood at the point of location, to the bottom chord
of the bridge, nor shall the span over the main channel of the river at
low water be less than two hundred and fifty feet, nor shall there be a
greater number of spans than four crossing the remaining width of said
river, and the piers of said bridge shall all be parallel with the current of
said river: And provided also, That if any bridge shall be constructed
under this act as a drawbridge, the same shall be a pivot-draw over the
main channel at low water, with spans of not less than one hundred and
fifty feet in the clear on each side of the centre or pivot pier of said
bridge, and that there shall not be a greater number of fixed spans than
four crossing the remaining width of said river; and said bridge shall not
be less than thirty-six feet above the low-water mark as understood at the
location of said bridge, measuring to the bottom chord of said bridge, and
all the piers of said bridge shall be parallel with the current of said river:
And provided also, That said draw shall be opened promptly, upon reason-
able signal, for the passage of boats whose construction shall not be such
as to admit of their passage under said bridge, except when a railroad
train is passing over the same; but in no case shall any unnecessary de-
lay occur in opening said draw after the passage of such train.

SEC. 3. That any bridge constructed under this act and according to
its provisions shall be a lawful structure, and shall be recognized and
known as a post-route, upon which no higher charge shall be made for the
transmission over the same of the mails, the troops, and munitions of war
of the United States than the rate paid for their transportation over the
railroads or public highways leading to said bridge; and the United
States shall have the right of way for postal telegraph purposes across
said bridge.

SEC. 4. That said bridge shall not be built or commenced until the
bridge company aforesaid shall submit to the Secretary of War, for his
Plans, &c., to
