

city of Hannibal at which time the courts shall be held and said offices established in said public building; and before the court or judge shall hold the terms of said court at Springfield he shall have satisfactory evidence that the county court of Greene county has provided and set apart for the use of said court a court-room, clerk's office, marshal's office, and attorney's office, free of expense to the United States for rent therefor.

Court at Springfield.

Approved, February 28, 1887.

CHAP. 272.—An act to regulate steam engineering in the District of Columbia.

Feb. 28, 1887.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That it shall be unlawful for any person to act as steam engineer in the District of Columbia who shall not have been regularly licensed to do so by the Commissioners thereof.

District of Columbia.
Steam engineers to be licensed.

*Am. 3-4-25
no. 62*

SEC. 2. That all persons applying for such license shall be examined by a board of examiners composed as follows: The boiler-inspector for the District of Columbia and two practical engineers to be appointed by the District Commissioners. Said examination shall be conducted in all respects under such rules and regulations as the Commissioners of the District of Columbia shall from time to time provide; and all steam-boilers and engines shall be subjected to such tests as the said Commissioners may prescribe.

Board of examiners.

Rules.

engines and

SEC. 3. That applicants for license as steam engineers must be twenty-one years of age and of temperate habits; must make application in writing, to which application must be attached a certificate as to character and moral habits signed by at least three citizens of the District of Columbia, themselves of moral standing.

Qualifications.

SEC. 4. That the fee for a license as steam engineer shall be three dollars.

Fee.

SEC. 5. That any person employed as a licensed steam engineer in the District of Columbia who is found under the influence of intoxicating liquor while on duty, shall, for the first offense, have his license revoked for six months; for the second offense, twelve months; and for the third offense, shall have his license revoked and be debarred from following the occupation of licensed steam engineer in the District of Columbia for the period of five years.

Punishment for intoxication.

SEC. 6. That any owner or lessee of ~~steam-boiler or engine, or the~~ secretary of any corporation, who shall ~~knowingly~~ employ a steam-engineer as such who has not been regularly licensed to act as such, shall on conviction thereof by the police court of the District of Columbia, be fined fifty dollars, and in default of payment of such fine shall be confined for a period of one month in the workhouse of the District of Columbia. *Provided*, That boilers used for steam heating, where the water returns to the boiler without the use of a pump and injector or inspirator, and which are worked automatically, shall be exempt from the provisions of this section.

Penalty for employing non-licensed engineers.

Proviso by gravity
Heating boilers.

SEC. 7. That the foregoing section shall not apply to engineers who have been licensed by the United States Government or the laws of any State *having reciprocity with the U.S.*

State or United States license.

SEC. 8. That this act shall take effect sixty days after the approval thereof.

Approved, February 28, 1887.
