CHAP. 1261.—An act to authorize the construction of a bridge across the Altamaha River.

October 1, 1890.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the assent of the United States of America is hereby given to the Brunswick, Athens and Northwestern Railroad Company, a corporation incorporated by the laws of the State of Georgia, its successors and assigns, and such other persons as may be associated with it, to construct and maintain a bridge over the Altamaha River at a point by it to be selected at or near Oglethorpe Bluff.

Brunswick, Athens and Northwestern Railway Company may bridge Altamaha River at Oglethorpe Bluff, Ga.

SEC. 2. That the bridge shall be so constructed by draw-span or otherwise that a free and unobstructed passage may be secured to all vessels and other water craft navigating said river; that any bridge constructed under this act shall be built and located under and subject to such regulations for the security of navigation of said river as the Secretary of War shall prescribe; and to secure that object the said company shall submit to the Secretary of War, for his examination and approval, the design and drawings of the bridge, piers, and approaches, and a map of the location, giving, for the space of at least one mile above and one mile below the proposed location, the topography of the banks of the river, the shore lines at high water and at low water, and the direction and strength of the currents at all stages, and the soundings, accurately showing the bed of the stream, and the location of any other bridge or bridges, wharves, landings, or ferries, and shall furnish such other information as shall be required for a full and satisfactory understanding of the subject; and until said plan and location of the bridge are approved by the Secretary of War the bridge shall not be built; and after such approval by the Secretary of War the approved plans and designs for the bridge shall not be deviated from or added to either during the construction or after the completion of the bridge until the proposed change shall have been submitted to the Secretary of War and received his approval; and the said bridge shall be at all times so kept and managed as to offer reasonable and proper means for the passage of vessels through or under said bridge; and if said bridge be built with a draw said draw shall be opened promptly upon reasonable signal for the passage of boats or other craft; and the said company or corporation shall maintain at its own expense, from sunset until sunrise, such lights or other signals on said bridge as the Light House Board shall prescribe; and if at any time the navigation of said river shall in any manner be obstructed or impaired by the bridge authorized by this act to be constructed, the Secretary of War shall have authority, and it shall be his duty, to require said company to alter and change said bridge at its own expense, in such manner as may be proper to secure free and complete navigation without impediment; and if upon reasonable notice to said company, its successors or assigns, to make such change or improvements, the said company fails to do so, The Secretary of War shall have authority to make the same, and all the rights conferred by this act shall be forfeited upon said failure, and Congress shall have the power to do any and all things necessary to secure the free navigation of said river: *Provided, also*, That nothing in this act
