

overflows of adjoining farm lands, and make possible the continued and uninterrupted use of said railroad and said railroad bridge: Therefore,

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That said Missouri, Kansas and Texas Railway Company be, and it is hereby, authorized, at its sole expense, to restore the said river to its original channel, under and below said railroad bridge, and to that end to straighten and shorten the river above said bridge by excavating and constructing a channel for the river, commencing at said bridge and extending thence across sections twenty-eight and twenty-nine of township nine north, of range fifteen east, to the South Canadian River, at or near the northwest corner of said section twenty-nine, and for that purpose the said railway company is authorized to enter upon lands adjacent to said railroad.

SEC. 2. That before said channel shall be excavated and constructed through any lands held by individual occupants according to the laws, customs, and usages of the Creek and Choctaw nations, full compensation shall be made to such occupants for all property to be taken or damaged by reason of the construction of said channel. In case of failure to make amicable settlements with any occupant, the railway company may file its petition in the United States court in the Indian Territory for the district in which the lands lie, reciting its failure to make such amicable settlement, and thereupon said court shall appoint a commission of three disinterested persons, having the qualifications of jurors in said court, to view the premises and appraise the damages to be sustained by such occupant, who, before entering upon their duties, shall take and subscribe before said courts or the clerk thereof an oath that they will faithfully and impartially discharge the duties imposed by their appointment, which oath, duly certified, shall be returned with their award. The award of a majority of said commissioners shall be the award of the commission, and such award shall be filed within ten days after the appointment of said commission. Either party being dissatisfied with the award may file exceptions in said court thereto within ten days from the filing of the same, and a trial of the issues raised by such exceptions shall be had in said court as in other cases. If neither party files exceptions the railway company shall pay into court, before entering upon the land condemned, the amount of said award, together with all costs, assessed as in ordinary cases in said court: *Provided*, That said commissioners shall be allowed and paid four dollars per day, with mileage at five cents per mile. If either party files exceptions, then the railway company shall pay into court double the amount of the award to abide the judgment thereof, and may at once proceed with the construction of said channel.

SEC. 3. That the boundary line between the Creek and Choctaw nations shall be and remain unchanged by reason of the work hereinbefore authorized to be done by said railway company.

SEC. 4. That the Missouri, Kansas and Texas Railway Company by such condemnation proceedings and the construction of said channel, and the diversion of the river through same, shall have no other or further rights in and to said river than it now has.

Approved, June 27, 1898.
