CHAP. 211.—An Act To authorize the Grand Rapids Water Power and Boom
Company, of Grand Rapids, Minnesota, to construct a dam and bridge across the
Mississippi River.

Be it enacted by the Senate and House of Representatives of the United
States of America in Congress assembled, That the consent of Congress
is hereby granted to the Grand Rapids Water Power and Boom Com-
pany, of Grand Rapids, Minnesota, its successors and assigns, to con-
struct across the Mississippi River, at a point within the limits of the village
of Grand Rapids, Minnesota, to be approved by the Secretary of
War, a dam, canal, and works necessarily incident thereto, for water-
power purposes, and a wagon and foot bridge if desired in connection
therewith for the purpose of travel. Said dam shall be so constructed
that there can at any time be constructed in connection therewith a
suitable lock for navigation purposes: Provided, That the Government
of the United States may at any time take possession of said dam
without compensation and control the same for purposes of navigation,
but shall not do so to the destruction of the water power created by
said dam to any greater extent than may be necessary to provide
proper facilities for navigation: Provided also, That said dam shall be
so constructed that it will not at any time raise the water surface, at a
point three hundred feet above said dam, to an elevation higher than
