That said commission shall continue to exercise all authority heretofore conferred on it by law. But it shall not receive, consider, or make any record of any application of any person for enrollment as a member of any tribe in Indian Territory who has not been a recognized citizen thereof, and duly and lawfully enrolled or admitted as such, and its refusal of such applications shall be final when approved by the Secretary of the Interior: Provided, That any Mississippi Choctaw duly identified as such by the United States Commission to the Five Civilized Tribes shall have the right, at any time prior to the approval of the final rolls of the Choctaws and Chickasaws by the Secretary of the Interior, to make settlement within the Choctaw-Chickasaw country, and on proof of the fact of bona fide settlement may be enrolled by the said United States Commission and by the Secretary.

To pay all expenses incident to the survey, platting, and appraise-

The work of surveying, laying out, and platting such town sites shall be done by competent surveyors, who shall prepare five copies of the plat of each town site which, when the survey is approved by the Secretary of the Interior, shall be filed as follows: One in the office of the Commissioner of Indian Affairs, one with the principal chief of the nation, one with the clerk of the court within the territorial jurisdiction of which the town is located, one with the Commission to the Five Civilized Tribes, and one with the town authorities, if there be such. Where in his judgment the best interests of the public service require, the Secretary of the Interior may secure the surveying, laying out, and platting of town sites in any of said nations by contract.

Hereafter the work of the respective town-site commissions provided for in the agreement with the Choctaw and Chickasaw tribes ratified in section twenty-nine of the Act of June twenty-eighth, eighteen hun-

The Secretary of the Interior may in his discretion appoint a town-

Each commission, under the supervision of the Secretary of the Interior, shall appraise and sell for the benefit of the tribe the town lots in the nation for which it is appointed, acting in conformity with the provisions of any then existing Act of Congress or agreement with the tribe approved by Congress. The agreement of any two members of the commission as to the true value of any lot shall constitute a determination thereof, subject to the approval of the Secretary of the Interior, and if no two members are able to agree the matter shall be determined by such Secretary.

Where in his judgment the public interests will be thereby sub-

served, the Secretary of the Interior may appoint in the Choctaw, Chickasaw, Creek, or Cherokee Nation a separate town-site commis-

The Secretary of the Interior may, for good cause, remove any member of any townsite commission, tribal or local, in any of said nations, and may fill the vacancy thereby made or any vacancy otherwise occurring in like manner as the place was originally filled.

It shall not be required that the townsite limits established in the course of the platting and disposing of town lots and the corporate limits of the town, if incorporated, shall be identical or coextensive, but such townsite limits and corporate limits shall be so established as to best subserve the then present needs and the reasonable prospective growth of the town, as the same shall appear at the times when such limits are respectively established: Provided further, That the exterior limits of all town sites shall be designated and fixed at the earliest practicable time under rules and regulations prescribed by the Secretary of the Interior.

Upon the recommendation of the Commission to the Five Civilized Tribes the Secretary of the Interior is hereby authorized at any time before allotment to set aside and reserve from allotment any lands in the Choctaw, Chickasaw, Creek, or Cherokee nations, not exceeding one hundred and sixty acres in any one tract, at such stations as are or shall be established in conformity with law on the line of any railroad which shall be constructed or be in process of construction in or through either of said nations prior to the allotment of the lands therein, and this irrespective of the population of such townsite at the time. Such townsites shall be surveyed, laid out, and platted, and the lands therein disposed of for the benefit of the tribe in the manner herein prescribed for other town sites: Provided further, That whenever any tract of land shall be set aside as herein provided which is occupied by a member of the tribe, such occupant shall be fully compensated for his improvements thereon under such rules and regulations as may be prescribed by the Secretary of the Interior.
