Sec. 3. That said bridge shall be so kept and managed as to offer reasonable and proper means for the passage of boats and other craft through or under the same; and for the safety of vessels passing at night there shall be displayed on said bridge from sunset to sunrise such signal lights or other signals as the Light-House Board may prescribe. And any changes in the said bridge which the Secretary of War may at any time deem necessary and order in the interests of navigation shall be made by the said board of supervisors thereof at the expense of said Grenada County.

Sec. 4. That any bridge constructed under this Act shall be a legal structure and shall be known as a post road, over which no higher charge shall be made for the transportation of mails, troops, and munitions of war, or other property of the United States over the same than the rate per mile charged for their transportation over the railways of, and public highways leading to, said bridge. The United States shall also have the right of way over said bridge for postal telegraph purposes.

Sec. 5. That this Act shall be null and void if the actual construction of said bridge shall not be commenced within one year and completed within three years after the date hereof.

Sec. 6. That the right to alter, amend, or repeal this Act is hereby expressly reserved.
