the township of Monticello, in Wright County, Minnesota, and the township of Becker, in Sherburne County, Minnesota, and above the village of Monticello, in said Wright County, for the development of water power, and such works and structures in connection therewith as may be necessary or convenient in the development of said power and in the utilization of the power thereby developed: Provided, That the plans for the construction of said dam and appurtenant works shall be submitted to and approved by the Chief of Engineers and the Secretary of War before the commencement of the construction of the same: And provided further, That the plans for the construction of said dam and appurtenant works shall be submitted to and approved by the Chief of Engineers and the Secretary of War: And provided further, That there shall be placed and maintained in connection with said dam a sluiceway so arranged as to permit logs, timber, and lumber to pass around, through, or over said dam without unreasonable delay or hindrance, and without toll or charges: And provided further, That the plans after such approval, either before or after the completion of said structures, unless the modification of said plans shall have previously been submitted to and received the approval of the Chief of Engineers and of the Secretary of War: And provided further, That the dam shall be so constructed that the Government of the United States may at any time construct in connection therewith a suitable lock for navigation purposes, and may at any time, without compensation, control the said dam so far as shall be necessary for purposes of navigation, but shall not destroy the water power developed by said dam and structures to any greater extent than may be necessary to provide proper facilities for navigation, and that the Secretary of War may at any time require and enforce, at the expense of the owners, such modifications and changes in the construction of such dam as he may deem advisable in the interests of navigation: And provided further, That the said the Charleston Light and Water Company, its successors and assigns, shall be liable for all such damages as may be established in any court of competent jurisdiction by any landowner claiming that his land has been damaged for the building of said dam, or from the obstruction of said river by said dam or appurtenant works, cases may be tried in the proper courts, as now provided for that purpose in the State of Minnesota and in the courts of the United States: Provided, That nothing in this Act shall be so construed as to repeal or modify any of the provisions of law now existing in reference to the protection of the navigation of rivers, or to exempt said structures from the operation of same.

SEC. 3. That this Act shall be null and void unless the dam herein authorized be commenced within one year and be completed within three years from the time of the passage of this Act.

SEC. 4. That the right to amend or repeal this Act is hereby expressly reserved.

Approved, June 14, 1906.
Riparian rights protected.

Amendment.
Right to alter, etc., the dam reserved.

by reason of the erection of the said dam: And provided further, That nothing herein shall impair any navigation or other rights of any riparian owner, other than the closing of said creek, by the construction, erection, and maintenance of said dam at said location.

Sec. 2. That the right to alter, amend, and repeal this Act, and the right to require the alteration or removal of the structure authorized without any liability on the part of the United States, are hereby expressly reserved.

Approved, June 14, 1906.

June 14, 1906.

[CHAP. 3302.—An Act Permitting the building of a dam across the Mississippi River at or near the village of Clearwater, Wright County, Minnesota.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of Congress is hereby granted to The Mississippi River Power Company, a corporation organized under the laws of the State of Minnesota, its successors and assigns, to build a dam across the Mississippi River above the mouth of Clearwater River, at or near the village of Clearwater, Wright County, Minnesota, for the development of water power, and such works and structures in connection therewith as may be necessary or convenient in the development of said power and in the utilization of the power thereby developed: Provided, That the plans for the construction of said dam and appurtenant works shall be submitted to and approved by the Chief of Engineers and the Secretary of War before the commencement of the construction of the same: And provided further, That The Mississippi River Power Company, its successors or assigns, shall not deviate from such plans after such approval, either before or after the completion of said structures, unless the modification of said plans shall have previously been submitted to and received the approval of the Chief of Engineers and of the Secretary of War: And provided further, That there shall be placed and maintained in connection with said dam a sluiceway so arranged as to permit logs, timber, and lumber to pass around, through, or over said dam without unreasonable delay or hindrance and without toll or charges: And provided further, That the dam shall be so constructed that the Government of the United States may at any time construct in connection therewith a suitable lock for navigation purposes, and may at any time, without compensation, control the said dam so far as shall be necessary for purposes of navigation, but shall not destroy the water power developed by said dam and structures to any greater extent than may be necessary to provide proper facilities for navigation, and that the Secretary of War may at any time require and enforce, at the expense of the owners, such modifications and changes in the construction of such dam as he may deem advisable in the interests of navigation: And provided further, That suitable fishways, to be approved by the Secretary of Commerce and Labor, shall be constructed and maintained at said dam by The Mississippi River Power Company, its successors or assigns.

Sec. 2. That in case any litigation arises from the building of said dam, or from the obstruction of said river by said dam or appurtenant works, cases may be tried in the proper courts, as now provided for that purpose in the State of Minnesota and in the courts of the United States: Provided, That nothing in this Act shall be so construed as to repeal or modify any of the provisions of law now existing in reference to the protection of the navigation of rivers or to exempt said structures from the operation of same.

Provided.
Review of plans.
Modification of plans.
Sluiceway.
Lock.
Control of dam by United States.

Existing laws not affected.
