CHAP. 3913.—An Act Making appropriations for the Department of Agriculture for the fiscal year ending June thirtieth, nineteen hundred and seven.

June 30, 1906. [H. R. 18537.]

[Public, No. 382.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums be, and they are hereby, appropriated, out of any money in the Treasury of the United States not otherwise appropriated, in full compensation for the fiscal year ending June thirtieth, nineteen hundred and seven, for the purposes and objects hereinafter expressed, namely:

Agricultural Department, appropriations.

DEPARTMENT OF AGRICULTURE.

Pay of Secretary,
Assistant, clerks, etc.

OFFICE OF THE SECRETARY: Secretary of Agriculture, eight thousand dollars; Assistant Secretary of Agriculture, four thousand five hundred dollars; and the Assistant Secretary is hereby authorized to perform such duties in the conduct of the business of the Department of Agriculture as may be assigned by the Secretary of Agriculture; chief clerk, two thousand five hundred dollars; one solicitor, three thousand dollars; private secretary to the Secretary of Agriculture, two thousand five hundred dollars; stenographer and executive clerk to the Secretary of Agriculture, two thousand dollars; stenographer to the Assistant Secretary of Agriculture, one thousand four hundred dollars; private secretary to the Assistant Secretary of Agriculture, one thousand six hundred dollars; one appointment clerk, two thousand dollars; one chief of supply division, two thousand dollars; one telegraph and telephone operator, one thousand four hundred dollars; one telegraph and telephone operator, one thousand two hundred dollars; one inspector, two thousand dollars; one clerk class four, one thousand eight hundred dollars; three clerks class three, four thousand eight hundred dollars; three clerks class two, four thousand two hundred dollars; seven clerks class one, eight thousand four hundred dollars; two clerks, at one thousand dollars each, two thousand dollars; one clerk, nine hundred dollars; one clerk, eight hundred and forty dollars; six clerks, at seven hundred and twenty dollars each, four thousand three hundred and twenty dollars; one chief engineer, who shall be captain of the watch, one thousand six hundred dollars; one fireman, who shall be a steam fitter, nine hundred dollars; three assistant firemen, at seven hundred and twenty dollars each, two thousand one hundred and sixty dollars; one assistant fireman, six hundred dollars; one carpenter, one thousand dollars; one electrician, one thousand dollars; one painter, nine hundred dollars; one plumber, nine hundred dollars; one blacksmith, eight hundred and forty dollars; thirteen night watchmen, at seven hundred and twenty dollars each, nine thousand three hundred and sixty dollars; two day watchmen, at seven hundred and twenty dollars each, one thousand four hundred and forty dollars; one mechanic, one thousand one hundred dollars; seven messengers, at eight hundred and forty dollars each, five thousand eight hundred and eighty dollars; one assistant messenger, seven hundred and twenty dollars; in all, eighty-nine thousand seven hundred and sixty dollars.

Engineers, etc.

Laborers, etc.

OFFICE OF THE SECRETARY: Laborers and charwomen: One assistant messenger, seven hundred and twenty dollars; one skilled laborer, eight hundred and forty dollars; one skilled laborer, seven hundred and twenty dollars; one skilled laborer, six hundred and sixty dollars; three skilled laborers, at six hundred dollars each, one thousand eight hundred dollars; one skilled laborer, four hundred and eighty dollars; one assistant messenger or laborer, six hundred dollars; two assistant messengers, at six hundred dollars each, one thousand two hundred dollars; one assistant messenger, four hundred and eighty dollars; one laborer, six hundred dollars; one painter, seven hundred and twenty dollars; eleven laborers or charwomen, at four hundred and eighty dollars each, five thousand two hundred and eighty dollars; one charwoman, five hundred and forty dollars; five charwomen, at two hundred and forty dollars each, one thousand two hundred dollars; for extra laborers, emergency employments, and pay of rents, seven thousand six hundred dollars; in all, twenty-three thousand four hundred and forty dollars.

Total for office of Secretary, one hundred and thirteen thousand two hundred dollars.

WEATHER BUREAU.

Weather Bureau.

SALARIES, OFFICE OF CHIEF OF WEATHER BUREAU: One chief of Bureau, five thousand dollars; one assistant chief of Bureau, three thousand dollars; one chief clerk, two thousand two hundred and fifty dollars; four chiefs of division, at two thousand dollars each, eight thousand dollars; one librarian and climatologist, two thousand dollars; six clerks of class four, ten thousand eight hundred dollars; six clerks of class three, nine thousand six hundred dollars; seventeen clerks of class two, twenty-three thousand eight hundred dollars; twenty-six clerks of class one, thirty-one thousand two hundred dollars; seventeen clerks, at one thousand dollars each, seventeen thousand dollars; eight clerks, at nine hundred dollars each, seven thousand two hundred dollars; four copyists or typewriters, at eight hundred and forty dollars each, three thousand three hundred and sixty dollars; one copyist or typewriter, seven hundred and twenty dollars; two assistant foremen of division, at one thousand six hundred dollars each, three thousand two hundred dollars; one proof reader, one thousand four hundred dollars; one chief mechanic, one thousand four hundred dollars; one lithographer, one thousand three hundred dollars; three lithographers, at one thousand two hundred dollars each, three thousand six hundred dollars; two pressmen, at one thousand two hundred and fifty dollars each, two thousand five hundred dollars; ten compositors, at one thousand two hundred and fifty dollars each, twelve thousand five hundred dollars; one skilled mechanic, one thousand two hundred dollars; five skilled mechanics, at one thousand dollars each, five thousand dollars; one engineer, one thousand two hundred dollars; one captain of the watch, one thousand dollars; one electrician, one thousand dollars; six skilled artisans, at eight hundred and forty dollars each, five thousand and forty dollars; five messengers or laborers, at seven hundred and twenty dollars each, three thousand six hundred dollars; three firemen, at seven hundred and twenty dollars each, two thousand one hundred and sixty dollars; three watchmen, at seven hundred and twenty dollars each, two thousand one hundred and sixty dollars; five folders and feeders, at seven hundred and twenty dollars each, three thousand six hundred dollars; three folders and feeders, at six hundred and thirty dollars each, one thousand eight hundred and ninety dollars; six messengers or laborers, at six hundred and sixty dollars each, three thousand nine hundred and sixty dollars; thirteen messengers, messenger boys, or laborers, at six hundred dollars each, seven thousand eight hundred dollars; four messengers, messenger boys, or laborers, at four hundred and eighty dollars each, one thousand nine hundred and twenty dollars; five messengers, messenger boys, or laborers, at four hundred and fifty dollars each, two thousand two hundred and fifty dollars; one charwoman, three hundred and sixty dollars; three charwomen, at two hundred and forty dollars each, seven hundred and twenty dollars; in all, one hundred and ninety-four thousand six hundred and ninety dollars.

Salaries.

FUEL, LIGHTS, AND REPAIRS, WEATHER BUREAU: Fuel, lights, repairs, and other expenses for the care and preservation of the public buildings and grounds of the Weather Bureau in the city of Washington, ten thousand dollars.

Fuel, lights, etc.

CONTINGENT EXPENSES, WEATHER BUREAU: Stationery and blank books; furniture and repairs to same; freight and express charges; subsistence, care, and purchase of horses, carriages, and vehicles for official purposes only; repairs of harness; advertising, dry goods, twine, mats, oils, paints, glass, lumber, hardware, ice, washing towels, and other miscellaneous supplies and expenses not otherwise provided for and necessary for the practical and efficient work of the Weather Bureau in the city of Washington, ten thousand dollars.

Contingent expenses.

Officials outside of Washington.

SALARIES, WEATHER BUREAU: Professors of meteorology, inspectors, district forecasters, local forecasters, section directors, research observers, observers, assistant observers, operators, repair men, station agents, messengers, messenger boys, laborers, and other necessary employees, for duty in the United States, in the West Indies or on adjacent coasts, in the Hawaiian Islands, and in Bermuda, who, without additional expense to the Government, may hereafter, in the discretion of the Secretary of Agriculture, be granted leave of absence not to exceed fifteen days in any one year, which leave may, in exceptional and meritorious cases where such an employee is ill, be extended in the discretion of the Secretary of Agriculture not to exceed fifteen days additional in any one year; five hundred and forty-one thousand five hundred and fifty dollars.

Leaves of absence reduced.

Sick leaves.

General expenses. Maintenance.

GENERAL EXPENSES, WEATHER BUREAU: Every expenditure requisite for and incident to the establishment, equipment, and maintenance of meteorological observation stations in the United States, in the West Indies or on adjacent coasts, in the Hawaiian Islands, and in Bermuda, including the purchase of ground and the erection under the supervision of the Chief of the Weather Bureau of not to exceed four additional observatory buildings, including the purchase of stationery, furniture, instruments, storm-warning towers, and all other necessary supplies and materials; for rents of offices; for traveling expenses; for freight and express charges; for telegraphing, telephoning, or cabling reports and messages, rates to be fixed by the Secretary of Agriculture by agreement with the companies performing the service; for maintenance and repair of Weather Bureau telegraph, telephone, and cable lines; for investigations on climatology; for river, rain, snow, ice, crop, and aerial observations and reports; for storm, hurricane, and other observations, warnings, and reports; including pay of special observers and display men, none of whom shall receive more than twenty-five dollars per month; and for the maintenance of a printing office in the city of Washington, including the purchase of necessary supplies and materials for printing weather maps, bulletins, circulars, forms, monthly reviews, and other publications, and for pay of assistant foremen, proof readers, compositors, pressmen, lithographers, and folders and feeders, when necessary, six hundred and thirty thousand dollars.

Telegraphs.

Printing office.

Buildings for observatories.

BUILDINGS, WEATHER BUREAU: For the purchase of sites and the erection of not more than five buildings for use as Weather Bureau observatories, and for all necessary labor, materials, and expenses, plans and specifications to be prepared and approved by the Secretary of Agriculture, and work done under the supervision of the Chief of the Weather Bureau, including the purchase of instruments, furniture, supplies, flagstuffs, and storm-warning towers to properly equip these stations: *Provided*, That if any of the money for these several buildings remains unexpended for the special purposes for which it is appropriated, so much of it as is necessary may be expended for the repair, improvement, and equipment of any other buildings or grounds owned by the Government and occupied by the Weather Bureau, outside of the District of Columbia, fifty-three thousand dollars.

Proviso.
Use of balances.

Total Weather Bureau, one million four hundred and thirty-nine thousand two hundred and forty dollars.

Bureau of Animal Industry.

BUREAU OF ANIMAL INDUSTRY.

Salaries.

SALARIES, BUREAU OF ANIMAL INDUSTRY: One Chief of Bureau, four thousand five hundred dollars; one chief clerk, two thousand dollars; three clerks of class four, five thousand four hundred dollars; one editor, two thousand dollars; five clerks of class three, eight thou-

sand dollars; thirteen clerks of class two, eighteen thousand two hundred dollars; thirteen clerks of class one, fifteen thousand six hundred dollars; eight clerks, at one thousand dollars each, eight thousand dollars; two clerks, at nine hundred dollars each, one thousand eight hundred dollars; two clerks, at eight hundred and forty dollars each, one thousand six hundred and eighty dollars; three clerks, at seven hundred and twenty dollars each, two thousand one hundred and sixty dollars; two clerks, at six hundred dollars each, one thousand two hundred dollars; one mechanic, one thousand two hundred dollars; one messenger and custodian, one thousand dollars; one carpenter, one thousand one hundred dollars; one messenger, eight hundred and forty dollars; four messengers, at seven hundred and twenty dollars each, two thousand eight hundred and eighty dollars; one skilled laborer, eight hundred and forty dollars; two skilled laborers, at seven hundred and twenty dollars each, one thousand four hundred and forty dollars; two skilled laborers, at six hundred dollars each, one thousand two hundred dollars; one skilled laborer, six hundred and sixty dollars; two skilled laborers, at four hundred and eighty dollars each, nine hundred and sixty dollars; one fireman, seven hundred and twenty dollars; one illustrator, one thousand four hundred dollars; in all, eighty four thousand seven hundred and eighty dollars.

GENERAL EXPENSES, BUREAU OF ANIMAL INDUSTRY: For carrying out the provisions of the Act approved May twenty-ninth, eighteen hundred and eighty-four, establishing the Bureau of Animal Industry, and the provisions of the Act approved February second, nineteen hundred and three, to enable the Secretary of Agriculture to more effectually suppress and prevent the spread of contagious and infectious diseases of live stock, and for other purposes; and also the provisions of the Act approved March third, nineteen hundred and five, to enable the Secretary of Agriculture to establish and maintain quarantine districts, to permit and regulate the movement of cattle and other live stock therefrom, and for other purposes: *Provided*, That live horses be entitled to the same inspection as other animals herein named, eight hundred and thirty-seven thousand two hundred dollars; and the Secretary of Agriculture is hereby authorized to use any part of this sum he may deem necessary or expedient, in such manner as he may think best, in the collection of information and dissemination of knowledge concerning live stock, dairy, and other animal products, and to prevent the spread of pleuro-pneumonia, blackleg, tuberculosis, sheep scab, glanders or farcy, hog cholera, and other diseases of animals, and for this purpose to employ as many persons in the city of Washington or elsewhere as he may deem necessary, and to expend any part of this sum in the purchase and destruction of diseased or exposed animals and the quarantine of the same whenever in his judgment it is essential to prevent the spread of pleuro-pneumonia, tuberculosis, or other diseases of animals from one State to another; for improving and maintaining the Bureau Experiment Station, at Bethesda, Maryland; to establish, improve, and maintain quarantine stations, and to provide proper shelter and equipment for the care of neat cattle, domestic and other animals imported at such ports as may be deemed necessary; for printing and publishing such reports relating to animal industry as he may direct; and the Secretary is hereby authorized to rent suitable buildings in the District of Columbia, at an annual rental of not exceeding two thousand five hundred dollars, to be used for office, laboratory, and storage purposes for said Bureau of Animal Industry for purposes other than meat inspection; and the employees of the Bureau of Animal Industry outside of the city of Washington may hereafter, in the discretion of the Secretary of Agriculture, without additional expense to the Government, be granted leaves of absence not to exceed fifteen days in any one year, which leave may, in exceptional and

For experiments in animal breeding and feeding in cooperation with State agricultural stations, twenty-five thousand dollars.

That for the purpose of preventing the use in interstate or foreign commerce, as hereinafter provided, of meat and meat food products which are unsound, unhealthful, unwholesome, or otherwise unfit for human food, the Secretary of Agriculture, at his discretion, may cause to be made, by inspectors appointed for that purpose, an examination and inspection of all cattle, sheep, swine, and goats before they shall be allowed to enter into any slaughtering, packing, meat-canning, rendering, or similar establishment, in which they are to be slaughtered and the meat and meat food products thereof are to be used in interstate or foreign commerce; and all cattle, swine, sheep, and goats found on such inspection to show symptoms of disease shall be set apart and slaughtered separately from all other cattle, sheep, swine, or goats, and when so slaughtered the carcasses of said cattle, sheep, swine, or goats shall be subject to a careful examination and inspection, all as provided by the rules and regulations to be prescribed by the Secretary of Agriculture as herein provided for.

That for the purposes hereinbefore set forth the Secretary of Agriculture shall cause to be made by inspectors appointed for that purpose, as hereinafter provided, a post-mortem examination and inspection of the carcasses and parts thereof of all cattle, sheep, swine, and goats to be prepared for human consumption at any slaughtering, meat-canning, salting, packing, rendering, or similar establishment in any

State, Territory, or the District of Columbia for transportation or sale as articles of interstate or foreign commerce; and the carcasses and parts thereof of all such animals found to be sound, healthful, wholesome, and fit for human food shall be marked, stamped, tagged, or labeled as "Inspected and passed;" and said inspectors shall label, mark, stamp, or tag as "Inspected and condemned," all carcasses and parts thereof of animals found to be unsound, unhealthful, unwholesome, or otherwise unfit for human food; and all carcasses and parts thereof thus inspected and condemned shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Secretary of Agriculture may remove inspectors from any such establishment which fails to so destroy any such condemned carcass or part thereof, and said inspectors, after said first inspection shall, when they deem it necessary, reinspect said carcasses or parts thereof to determine whether since the first inspection the same have become unsound, unhealthful, unwholesome, or in any way unfit for human food, and if any carcass or any part thereof shall, upon examination and inspection subsequent to the first examination and inspection, be found to be unsound, unhealthful, unwholesome, or otherwise unfit for human food, it shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Secretary of Agriculture may remove inspectors from any establishment which fails to so destroy any such condemned carcass or part thereof.

Labeling.

Destruction of condemned meats.

Reinspection, etc.

The foregoing provisions shall apply to all carcasses or parts of carcasses of cattle, sheep, swine, and goats, or the meat or meat products thereof which may be brought into any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, and such examination and inspection shall be had before the said carcasses or parts thereof shall be allowed to enter into any department wherein the same are to be treated and prepared for meat food products; and the foregoing provisions shall also apply to all such products which, after having been issued from any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, shall be returned to the same or to any similar establishment where such inspection is maintained.

Examination before use for food products.

Reexamination on return of goods.

That for the purposes hereinbefore set forth the Secretary of Agriculture shall cause to be made by inspectors appointed for that purpose an examination and inspection of all meat food products prepared for interstate or foreign commerce in any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, and for the purposes of any examination and inspection said inspectors shall have access at all times, by day or night, whether the establishment be operated or not, to every part of said establishment; and said inspectors shall mark, stamp, tag, or label as "Inspected and passed" all such products found to be sound, healthful, and wholesome, and which contain no dyes, chemicals, preservatives, or ingredients which render such meat or meat food products unsound, unhealthful, unwholesome, or unfit for human food; and said inspectors shall label, mark, stamp, or tag as "Inspected and condemned" all such products found unsound, unhealthful, and unwholesome, or which contain dyes, chemicals, preservatives, or ingredients which render such meat or meat food products unsound, unhealthful, unwholesome, or unfit for human food, and all such condemned meat food products shall be destroyed for food purposes, as hereinbefore provided, and the Secretary of Agriculture may remove inspectors from any establishment which fails to so destroy such condemned meat food products: *Provided*, That, subject to the rules and regulations of the Secretary of Agriculture, the provisions hereof in regard to preservatives shall not apply to meat food products for export to any foreign country and which are prepared or packed according to the specifications or directions of the foreign purchaser,

Proviso. Application to export trade.

when no substance is used in the preparation or packing thereof in conflict with the laws of the foreign country to which said article is to be exported; but if said article shall be in fact sold or offered for sale for domestic use or consumption then this proviso shall not exempt said article from the operation of all the other provisions of this Act.

Domestic use. That when any meat or meat food product prepared for interstate or foreign commerce which has been inspected as hereinbefore provided and marked "Inspected and passed" shall be placed or packed in any can, pot, tin, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Act is maintained, the person, firm, or corporation preparing said product shall cause a label to be attached to said can, pot, tin, canvas, or other receptacle or covering, under the supervision of an inspector, which label shall state that the contents thereof have been "inspected and passed" under the provisions of this Act; and no inspection and examination of meat or meat food products deposited or inclosed in cans, tins, pots, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Act is maintained shall be deemed to be complete until such meat or meat food products have been sealed or inclosed in said can, tin, pot, canvas, or other receptacle or covering under the supervision of an inspector, and no such meat or meat food products shall be sold or offered for sale by any person, firm, or corporation in interstate or foreign commerce under any false or deceptive name; but established trade name or names which are usual to such products and which are not false and deceptive and which shall be approved by the Secretary of Agriculture are permitted.

Marking of receptacles. The Secretary of Agriculture shall cause to be made, by experts in sanitation or by other competent inspectors, such inspection of all slaughtering, meat canning, salting, packing, rendering, or similar establishments in which cattle, sheep, swine, and goats are slaughtered and the meat and meat food products thereof are prepared for interstate or foreign commerce as may be necessary to inform himself concerning the sanitary conditions of the same, and to prescribe the rules and regulations of sanitation under which such establishments shall be maintained; and where the sanitary conditions of any such establishment are such that the meat or meat food products are rendered unclean, unsound, unhealthful, unwholesome, or otherwise unfit for human food, he shall refuse to allow said meat or meat food products to be labeled, marked, stamped, or tagged as "inspected and passed."

Supervision by inspectors. That the Secretary of Agriculture shall cause an examination and inspection of all cattle, sheep, swine, and goats, and the food products thereof, slaughtered and prepared in the establishments hereinbefore described for the purposes of interstate or foreign commerce to be made during the nighttime as well as during the daytime when the slaughtering of said cattle, sheep, swine, and goats, or the preparation of said food products is conducted during the nighttime.

Sales under false name prohibited. That on and after October first, nineteen hundred and six, no person, firm, or corporation shall transport or offer for transportation, and no carrier of interstate or foreign commerce shall transport or receive for transportation from one State or Territory or the District of Columbia to any other State or Territory or the District of Columbia, or to any place under the jurisdiction of the United States, or to any foreign country, any carcasses or parts thereof, meat, or meat food products thereof which have not been inspected, examined, and marked as "inspected and passed," in accordance with the terms of this Act and with the rules and regulations prescribed by the Secretary of Agriculture: *Provided*, That all meat and meat food products on hand on October first, nineteen hundred and six, at establishments where inspection has not been maintained, or which have been inspected

Trade names allowed.

Proviso.
Inspection of stock on hand.

under existing law, shall be examined and labeled under such rules and regulations as the Secretary of Agriculture shall prescribe, and then shall be allowed to be sold in interstate or foreign commerce.

That no person, firm, or corporation, or officer, agent, or employee thereof, shall forge, counterfeit, simulate, or falsely represent, or shall without proper authority use, fail to use, or detach, or shall knowingly or wrongfully alter, deface, or destroy, or fail to deface or destroy, any of the marks, stamps, tags, labels, or other identification devices provided for in this Act, or in and as directed by the rules and regulations prescribed hereunder by the Secretary of Agriculture, on any carcasses, parts of carcasses, or the food product, or containers thereof, subject to the provisions of this Act, or any certificate in relation thereto, authorized or required by this Act or by the said rules and regulations of the Secretary of Agriculture.

Penalty for illegal acts, counterfeiting, etc.

That the Secretary of Agriculture shall cause to be made a careful inspection of all cattle, sheep, swine, and goats intended and offered for export to foreign countries at such times and places, and in such manner as he may deem proper, to ascertain whether such cattle, sheep, swine, and goats are free from disease.

Inspection of cattle, etc., for export.

And for this purpose he may appoint inspectors who shall be authorized to give an official certificate clearly stating the condition in which such cattle, sheep, swine, and goats are found.

Certificates.

And no clearance shall be given to any vessel having on board cattle, sheep, swine, or goats for export to a foreign country until the owner or shipper of such cattle, sheep, swine, or goats has a certificate from the inspector herein authorized to be appointed, stating that the said cattle, sheep, swine, or goats are sound and healthy, or unless the Secretary of Agriculture shall have waived the requirement of such certificate for export to the particular country to which such cattle, sheep, swine, or goats are to be exported.

Clearances refused unless certificate obtained.

Waiver of certificate.

That the Secretary of Agriculture shall also cause to be made a careful inspection of the carcasses and parts thereof of all cattle, sheep, swine, and goats, the meat of which, fresh, salted, canned, corned, packed, cured, or otherwise prepared, is intended and offered for export to any foreign country, at such times and places and in such manner as he may deem proper.

Inspection of meats, etc., for exports.

And for this purpose he may appoint inspectors who shall be authorized to give an official certificate stating the condition in which said cattle, sheep, swine, or goats, and the meat thereof, are found.

Certificates.

And no clearance shall be given to any vessel having on board any fresh, salted, canned, corned, or packed beef, mutton, pork, or goat meat, being the meat of animals killed after the passage of this Act, or except as hereinbefore provided for export to and sale in a foreign country from any port in the United States, until the owner or shipper thereof shall obtain from an inspector appointed under the provisions of this Act a certificate that the said cattle, sheep, swine, and goats were sound and healthy at the time of inspection, and that their meat is sound and wholesome, unless the Secretary of Agriculture shall have waived the requirements of such certificate for the country to which said cattle, sheep, swine, and goats or meats are to be exported.

Clearances refused unless certificate obtained.

Waiver of certificate.

That the inspectors provided for herein shall be authorized to give official certificates of the sound and wholesome condition of the cattle, sheep, swine, and goats, their carcasses and products as herein described, and one copy of every certificate granted under the provisions of this Act shall be filed in the Department of Agriculture, another copy shall be delivered to the owner or shipper, and when the cattle, sheep, swine, and goats or their carcasses and products are sent abroad, a third copy shall be delivered to the chief officer of the vessel on which the shipment shall be made.

Delivery of certificates.

Products of establishments violating law, not to be sold, transported, etc.

That no person, firm, or corporation engaged in the interstate commerce of meat or meat food products shall transport or offer for transportation, sell or offer to sell any such meat or meat food products in any State or Territory or in the District of Columbia or any place under the jurisdiction of the United States, other than in the State or Territory or in the District of Columbia or any place under the jurisdiction of the United States in which the slaughtering, packing, canning, rendering, or other similar establishment owned, leased, operated by said firm, person, or corporation is located unless and until said person, firm, or corporation shall have complied with all of the provisions of this Act.

Penalty for violations.

That any person, firm, or corporation, or any officer or agent of any such person, firm, or corporation, who shall violate any of the provisions of this Act shall be deemed guilty of a misdemeanor and shall be punished on conviction thereof by a fine of not exceeding ten thousand dollars or imprisonment for a period not more than two years, or by both such fine and imprisonment, in the discretion of the court.

Appointment of inspectors.

That the Secretary of Agriculture shall appoint from time to time inspectors to make examination and inspection of all cattle, sheep, swine, and goats, the inspection of which is hereby provided for, and of all carcasses and parts thereof, and of all meats and meat food products thereof, and of the sanitary conditions of all establishments in which such meat and meat food products hereinbefore described are prepared; and said inspectors shall refuse to stamp, mark, tag, or label any carcass or any part thereof, or meat food product therefrom, prepared in any establishment hereinbefore mentioned, until the same shall have actually been inspected and found to be sound, healthful, wholesome, and fit for human food, and to contain no dyes, chemicals, preservatives, or ingredients which render such meat food product unsound, unhealthful, unwholesome, or unfit for human food; and to have been prepared under proper sanitary conditions, hereinbefore provided for; and shall perform such other duties as are provided by this Act and by the rules and regulations to be prescribed by said Secretary of Agriculture; and said Secretary of Agriculture shall, from time to time, make such rules and regulations as are necessary for the efficient execution of the provisions of this Act, and all inspections and examinations made under this Act shall be such and made in such manner as described in the rules and regulations prescribed by said Secretary of Agriculture not inconsistent with the provisions of this Act.

Duties.

Rules and regulations.

Punishment for bribing, etc., officials.

That any person, firm, or corporation, or any agent or employee of any person, firm, or corporation who shall give, pay, or offer, directly or indirectly, to any inspector, deputy inspector, chief inspector, or any other officer or employee of the United States authorized to perform any of the duties prescribed by this Act or by the rules and regulations of the Secretary of Agriculture any money or other thing of value, with intent to influence said inspector, deputy inspector, chief inspector, or other officer or employee of the United States in the discharge of any duty herein provided for, shall be deemed guilty of a felony and, upon conviction thereof, shall be punished by a fine not less than five thousand dollars nor more than ten thousand dollars and by imprisonment not less than one year nor more than three years; and any inspector, deputy inspector, chief inspector, or other officer or employee of the United States authorized to perform any of the duties prescribed by this Act who shall accept any money, gift, or other thing of value from any person, firm, or corporation, or officers, agents, or employees thereof, given with intent to influence his official action, or who shall receive or accept from any person, firm, or corporation engaged in interstate or foreign commerce any gift, money, or other thing of value given with any purpose or intent whatsoever,

Accepting gifts, etc., by officials.

shall be deemed guilty of a felony and shall, upon conviction thereof, be summarily discharged from office and shall be punished by a fine not less than one thousand dollars nor more than ten thousand dollars and by imprisonment not less than one year nor more than three years.

That the provisions of this Act requiring inspection to be made by the Secretary of Agriculture shall not apply to animals slaughtered by any farmer on the farm and sold and transported as interstate or foreign commerce, nor to retail butchers and retail dealers in meat and meat food products, supplying their customers: *Provided*, That if any person shall sell or offer for sale or transportation for interstate or foreign commerce any meat or meat food products which are diseased, unsound, unhealthful, unwholesome, or otherwise unfit for human food, knowing that such meat food products are intended for human consumption, he shall be guilty of a misdemeanor, and on conviction thereof shall be punished by a fine not exceeding one thousand dollars or by imprisonment for a period of not exceeding one year, or by both such fine and imprisonment: *Provided also*, That the Secretary of Agriculture is authorized to maintain the inspection in this Act provided for at any slaughtering, meat canning, salting, packing, rendering, or similar establishment notwithstanding this exception, and that the persons operating the same may be retail butchers and retail dealers or farmers; and where the Secretary of Agriculture shall establish such inspection then the provisions of this Act shall apply notwithstanding this exception.

Exceptions to farmers, retailers, etc.

Provisos.
Punishment for sale, etc., unwholesome products.

Maintenance of inspection authorized.

That there is permanently appropriated, out of any money in the Treasury not otherwise appropriated, the sum of three million dollars, for the expenses of the inspection of cattle, sheep, swine, and goats and the meat and meat food products thereof which enter into interstate or foreign commerce and for all expenses necessary to carry into effect the provisions of this Act relating to meat inspection, including rent and the employment of labor in Washington and elsewhere, for each year. And the Secretary of Agriculture shall, in his annual estimates made to Congress, submit a statement in detail, showing the number of persons employed in such inspections and the salary or per diem paid to each, together with the contingent expenses of such inspectors and where they have been and are employed.

Permanent appropriation for expenses.

Detailed report with estimates.

Total, Bureau of Animal Industry, three million nine hundred and forty-six thousand nine hundred and eighty dollars.

BUREAU OF PLANT INDUSTRY.

Bureau of Plant Industry.

SALARIES, BUREAU OF PLANT INDUSTRY: One plant physiologist and pathologist, who shall be chief of bureau, four thousand five hundred dollars; one chief clerk, two thousand dollars; one editor, two thousand dollars; one superintendent of gardens and grounds, one thousand eight hundred dollars; four clerks, class four, seven thousand two hundred dollars; seven clerks, class three, eleven thousand two hundred dollars; twelve clerks, class two, sixteen thousand eight hundred dollars; twenty-seven clerks, class one, thirty-two thousand four hundred dollars; one seed clerk and superintendent, one thousand two hundred dollars; one clerk or artist, one thousand two hundred dollars; one artist, eight hundred and forty dollars; sixteen clerks, at one thousand dollars each, sixteen thousand dollars; six clerks, at nine hundred dollars each, five thousand four hundred dollars; eight clerks, at eight hundred and forty dollars each, six thousand seven hundred and twenty dollars; one clerk, eight hundred dollars; eleven clerks, at seven hundred and twenty dollars each, seven thousand nine hundred and twenty dollars; three clerks, at six hundred and sixty dollars each, one thousand nine hundred and eighty dollars; two clerks, at six hundred dollars each, one thousand two hundred dollars; one clerk or

Salaries.

messenger, four hundred and eighty dollars; one photographer or clerk, nine hundred dollars; one assistant photographer, six hundred dollars; one illustrator or clerk, nine hundred dollars; one carpenter, nine hundred dollars; one carpenter, eight hundred and forty dollars; two gardeners or assistants, at one thousand dollars each, two thousand dollars; four gardeners, at nine hundred dollars each, three thousand six hundred dollars; two gardeners, at eight hundred and forty dollars each, one thousand six hundred and eighty dollars; four gardeners, at seven hundred and eighty dollars each, three thousand one hundred and twenty dollars; one gardener, six hundred dollars; one gardener, seven hundred and twenty dollars; two gardeners, at six hundred and sixty dollars each, one thousand three hundred and twenty dollars; one skilled laborer, nine hundred dollars; one painter, eight hundred and forty dollars; two plumbers, at eight hundred and forty dollars each, one thousand six hundred and eighty dollars; three firemen, at seven hundred and twenty dollars each, two thousand one hundred and sixty dollars; two clerks or messengers, at eight hundred and forty dollars each, one thousand six hundred and eighty dollars; three skilled laborers, at seven hundred and twenty dollars each, two thousand one hundred and sixty dollars; three skilled laborers, at six hundred and sixty dollars each, one thousand nine hundred and eighty dollars; six skilled laborers, at six hundred dollars each, three thousand six hundred dollars; one messenger, six hundred and sixty dollars; three messengers, at six hundred dollars each, one thousand eight hundred dollars; three watchmen, at seven hundred and twenty dollars each, two thousand one hundred and sixty dollars; two watchmen, at six hundred dollars each, one thousand two hundred dollars; five skilled laborers or messengers, at four hundred and eighty dollars each, two thousand four hundred dollars; two messenger boys, at three hundred and sixty dollars each, seven hundred and twenty dollars; one messenger boy, three hundred dollars; in all, one hundred and sixty-three thousand and sixty dollars.

General expenses.
Investigations.

GENERAL EXPENSES, BUREAU OF PLANT INDUSTRY: To investigate fruits, fruit trees, grain, cotton, tobacco, vegetables, grasses, forage, drug, medicinal, poisonous, fiber, and other plants and plant industries, in cooperation with other branches of the Department, the State experiment stations, and practical farmers; to study plant and orchard diseases and demonstrate the treatment of same; to study plant physiology in relation to crop production; to originate and improve crops by breeding and selection; to investigate and encourage the adoption of improved methods of farm management and farm practice; to investigate the feeding value of farm crops and the use of fertilizers; to investigate the causes of decay in forest timber and timber used for construction purposes, and to devise means for preventing the decay of the same; to investigate the practical application in agriculture of the fixation of atmospheric nitrogen by bacteria and other microorganisms in soils and in the root tubercles of leguminous and other plants; to cultivate and distribute these nitrogen fixers; to study and find methods for preventing algal and other contaminations of water supplies; to carry on special investigations of the conditions of grain production, handling, grading, and transit, and of the means of improving the same; to model fruits, vegetables, and other plants, and furnish duplicate models to the experiment stations of the several States, as far as found practicable; to investigate the methods of harvesting, packing, storing, and shipping fruits and vegetables, and for experimental shipments of fruits and vegetables within the United States and to foreign countries; to cultivate and care for experimental gardens and grounds, manage and maintain conservatories, greenhouses, and plant and fruit propagating houses; to enable the Secretary of Agriculture to continue the necessary improvements to establish and maintain a general experimental farm and agricultural station on the Arlington estate, in the

Arlington experi-
mental farm.

State of Virginia, in accordance with the provisions of the Act of Congress approved April eighteenth, nineteen hundred; to investigate and report on the cost of making tea and the best method of cultivating and preparing the same for market; to investigate and develop the domestic production of sugar-beet seed and the best methods of increasing the tonnage of sugar beets; to continue inquiry and ascertain the progress made in the production of domestic sugar from beets and sorghum and other sugar-producing plants; to collect, purchase, propagate, test, and experiment with rare new seeds, bulbs, trees, shrubs, vines, cuttings, and plants; for the employment of investigators, local and special agents, agricultural explorers, experts, clerks, illustrators, assistants, student or scientific aids, foremen, gardeners, mechanics, and all other labor and scientific assistance required in conducting investigations and experiments in the city of Washington and elsewhere. And the employees of the Bureau of Plant Industry outside of the city of Washington may, in the discretion of the Secretary of Agriculture, without additional expense to the Government, be granted leaves of absence not to exceed fifteen days in any one year, which leave may, in exceptional and meritorious cases where such an employee is ill, be extended, in the discretion of the Secretary of Agriculture, not to exceed fifteen days additional in any one year.

For collating, mapping, illustrating, digesting, printing, reporting, publishing, and disseminating information on the results of these investigations and experiments. And the Secretary of Agriculture is hereby directed to obtain in the open market samples of seeds of grass, clover, or alfalfa, test the same, and if any such seeds are found to be adulterated or misbranded, or any seeds of Canada blue grass (*Poa compressa*) are obtained under any other name than Canada blue grass or *Poa compressa*, to publish the results of the tests, together with the names of the persons by whom the seeds were offered for sale.

For actual and necessary traveling expenses; for telegraph and telephone service; for gas and electric current; for forage, ice, postage, and washing towels; for express and freight charges; for the purchase of chemicals, materials, office, field, and laboratory supplies, fertilizers, office fixtures, fuel, apparatus, machinery, tools, and other implements, and repairs to same, horses, vehicles, horseshoeing, and harness; for rent and repairs, not to exceed nineteen thousand dollars, in the District of Columbia; and for all other necessary expenses, four hundred and ninety-five thousand two hundred and sixty dollars: *Provided*, That the Secretary of Agriculture is authorized to expend five thousand dollars of the amount hereby appropriated to especially investigate parasites and orchard diseases prevalent in the Ozark Mountain region of the States of Missouri and Arkansas, and to work out, if possible, in cooperation with the fruit experiment stations of said States, the problem of prevention of such diseases and destruction of parasites, and diffuse information along these lines.

To enable the Secretary of Agriculture to establish, at such points of export as he may deem expedient, laboratories for the purpose of examining and reporting upon the nature, quality, and condition of any sample, parcel, or consignment of seed or grain, fifteen thousand dollars, or so much thereof as may be necessary; and the Secretary of Agriculture is authorized to report upon such samples, parcels, or consignments from time to time, and the reports so made shall serve as a basis for the fixing of definite grades and for the issuance of certificates of inspection when requested by the consignor or consignee of any grain entering into interstate or foreign commerce.

For improving and macadamizing the present gravel roads on the Department grounds, under the direction of the Director of the Office of Public Roads, three thousand five hundred dollars, and the same shall be immediately available.

Purchase, distribu-
tion, etc

PURCHASE AND DISTRIBUTION OF SEEDS: For the purchase, propagation, testing, and distribution of valuable seeds, bulbs, trees, shrubs, vines, cuttings and plants; for rent and repairs; the employment of local and special agents, clerks, assistants, and other labor required, in the city of Washington and elsewhere; all necessary office fixtures and supplies, fuel, transportation, paper, twine, gum, printing, postal cards, gas and electric current, traveling expenses, and all necessary material and repairs for putting up and distributing the same, and to be distributed in localities adapted to their culture, two hundred and forty-two thousand nine hundred and twenty dollars, of which amount not less than two hundred and two thousand dollars shall be allotted for Congressional distribution. And the Secretary of Agriculture is hereby directed to expend the said sum, as nearly as practicable, in the purchase, testing, and distribution of such valuable seeds, bulbs, shrubs, vines, cuttings, and plants, the best he can obtain at a public or private sale, and such as shall be suitable for the respective localities to which the same are to be apportioned, and in which same are to be distributed as hereinafter stated, and such seeds so purchased shall include a variety of vegetable and flower seeds suitable for planting and culture in the various sections of the United States. An equal proportion of five-sixths of all seeds, bulbs, shrubs, vines, cuttings, and plants shall, upon their request, after due notification by the Secretary of Agriculture that the allotment to their respective districts is ready for distribution, be supplied to Senators, Representatives, and Delegates in Congress for distribution among their constituents, or mailed by the Department upon the receipt of their addressed franks, in packages of such weight as the Secretary of Agriculture and the Postmaster-General may jointly determine, to the Postmaster-General; and the person receiving such seeds shall be requested to inform the Department of the results of the experiments therewith: *Provided*, That all seeds, bulbs, plants, and cuttings herein allotted to Senators, Representatives, and Delegates in Congress for distribution remaining uncalled for on the first of April shall be distributed by the Secretary of Agriculture, giving preference to those persons whose names and addresses have been furnished by Senators and Representatives in Congress, and who have not before, during the same season, been supplied by the Department: *And provided also*, That the Secretary shall report, as provided in this Act, the place, quantity, and price of seeds purchased, and the date of purchase; but nothing in this paragraph shall be construed to prevent the Secretary of Agriculture from sending seeds to those who apply for the same. And the amount herein appropriated shall not be diverted or used for any other purpose but for the purchase, testing, propagation, and distribution of valuable seeds, bulbs, mulberry and other rare and valuable trees, shrubs, vines, cuttings, and plants: *Provided, however*, That upon each envelope or wrapper containing packages of seeds the contents thereof shall be plainly indicated, and the Secretary shall not distribute to any Senator, Representative, or Delegate seeds entirely unfit for the climate and locality he represents, but shall distribute the same so that each Member may have seeds of equal value, as near as may be, and the best adapted to the locality he represents: *Provided also*, That the seeds allotted to Senators and Representatives for distribution in the districts embraced within the twenty-fifth and thirty-fourth parallels of latitude shall be ready for delivery not later than the tenth day of January: *Provided further*, That thirty-seven thousand seven hundred and eighty dollars of which sum, or so much thereof as the Secretary of Agriculture shall direct, may be used to collect, purchase, test, propagate, and distribute rare and valuable seeds, bulbs, trees, shrubs, vines, cuttings, and plants from foreign countries or from our possessions for experiments with reference to their introduction into and cultivation in this

country; and the seeds, bulbs, trees, shrubs, vines, cuttings, and plants thus collected, purchased, tested, and propagated shall not be included in general distribution, but shall be used for experimental tests, to be carried on with the cooperation of the agricultural experiment stations: *And provided also*, That five thousand dollars of the sum thus appropriated, or so much thereof as may be necessary, may be used for the erection of a laboratory and office building at the plant introduction garden at Chico, California.

Chico, Cal., plant introduction garden.

Total for free seed distribution, two hundred and forty-two thousand nine hundred and twenty dollars.

Total for Bureau of Plant Industry, nine hundred and nineteen thousand seven hundred and forty dollars.

FOREST SERVICE.

Forest Service.

SALARIES, FOREST SERVICE: One Forester, who shall be chief of Bureau, three thousand five hundred dollars; two clerks class four, three thousand six hundred dollars; four clerks class three, six thousand four hundred dollars; three clerks class two, four thousand two hundred dollars; five clerks class one, six thousand dollars; seven clerks, at one thousand one hundred dollars each, seven thousand seven hundred dollars; nine clerks, at one thousand dollars each, nine thousand dollars; nine clerks, at nine hundred dollars each, eight thousand one hundred dollars; nineteen clerks, at eight hundred dollars each, fifteen thousand two hundred dollars; twenty clerks, at seven hundred dollars each, fourteen thousand dollars; thirteen clerks, at six hundred dollars each, seven thousand eight hundred dollars; one draftsman, one thousand eight hundred dollars; two draftsmen, at one thousand four hundred dollars each, two thousand eight hundred dollars; two draftsmen, at one thousand two hundred dollars each, two thousand four hundred dollars; four draftsmen, at one thousand dollars each, four thousand dollars; one artist, one thousand dollars; one photographer, one thousand four hundred dollars; one photographer, one thousand two hundred dollars; one photographer, one thousand dollars; two messengers, at seven hundred and twenty dollars each, one thousand four hundred and forty dollars; three messengers, at seven hundred dollars each, two thousand one hundred dollars; three messengers, at six hundred dollars each, one thousand eight hundred dollars; three messengers, at four hundred dollars each, one thousand two hundred dollars; one carpenter, one thousand dollars; one carpenter, seven hundred and twenty dollars; three watchmen, at seven hundred dollars each, two thousand one hundred dollars; one electrician, seven hundred dollars; one skilled laborer, seven hundred dollars; in all, one hundred and twelve thousand eight hundred and sixty dollars.

Salaries.

GENERAL EXPENSES, FOREST SERVICE: To enable the Secretary of Agriculture to experiment and to make and continue investigations and report on forestry, forest reserves, forest fires, and lumbering; to advise the owners of woodlands as to the proper care of the same; to investigate and test American timber and timber trees, and their uses, and methods for the preservative treatment of timber; to seek, through investigations and the planting of native and foreign species, suitable trees for the treeless regions; to erect necessary buildings: *Provided*, That the cost of any building erected shall not exceed one thousand dollars; for all expenses necessary to protect, administer, improve, and extend the national forest reserves, and officials of the forest service designated by the Secretary of Agriculture shall, in all ways that are practicable, aid in the enforcement of the laws of the States or Territories with regard to stock, for the prevention and extinguishment of forest fires, and for the protection of fish and game.

Protection, etc., of forest reserves.

Forest-reserve fund. Vol. 33, p. 628.	That the forest-reserve special fund provided for in section five of the Act approved February first, nineteen hundred and five, entitled "An Act providing for the transfer of forest reserves from the Department of the Interior to the Department of Agriculture," shall continue until otherwise provided by law; but after June thirtieth, nineteen hundred and eight, it shall not be expended except in accordance with specific estimates of expenditures to be made from said fund for the succeeding fiscal year, to be submitted by the Secretary of Agriculture with the estimates of appropriation in the annual Book of Estimates.
Estimates to be submitted.	
Payment from fund for schools and roads.	That ten per centum of all money received from each forest reserve during any fiscal year, including the year ending June thirtieth, nineteen hundred and six, shall be paid at the end thereof by the Secretary of the Treasury to the State or Territory in which said reserve is situated, to be expended as the State or Territorial legislature may prescribe for the benefit of the public schools and public roads of the county or counties in which the forest reserve is situated: <i>Provided</i> , That when any forest reserve is in more than one State or Territory or county the distributive share to each from the proceeds of said reserve shall be proportional to its area therein: <i>And provided further</i> , That there shall not be paid to any State or Territory for any county an amount equal to more than forty per centum of the total income of such county from all other sources.
Provisos. Proportion between States, etc.	
Maximum.	
Utilizing reserves. Sales of timber.	For ascertaining the natural conditions upon and for utilizing the national forest reserves; and the Secretary of Agriculture may, in his discretion, permit timber and other forest products cut or removed from the forest reserves of the United States, except the Black Hills Forest Reserve in South Dakota, to be exported from the State, Territory, or the district of Alaska, in which said reserves are respectively situated: <i>Provided</i> , That the exportation of dead and insect-infested timber only from said Black Hills Forest Reserve shall be allowed until such time as the Forester shall certify that the ravages of the destructive insects in said reserve are practically checked, but in no case after July first, nineteen hundred and eight; and hereafter sales of timber on forest reserves in the State of California shall in every respect conform to the law governing such sales in other States, as set forth in the Act of June sixth, nineteen hundred (Thirty-first Statutes at Large, page six hundred and sixty-one); and hereafter all moneys received as deposits to secure the purchase price on the sale of any products or the use of any land or resources of the forest reserves shall be covered into the Treasury in the manner provided by section five of the Act of Congress approved February first, nineteen hundred and five, entitled "An Act providing for the transfer of forest reserves from the Department of the Interior to the Department of Agriculture," and the fund created by that Act shall be available, as the Secretary of Agriculture may direct, to make refunds to depositors of money heretofore or hereafter deposited by them in excess of amounts actually due to the United States; and hereafter all moneys received as contributions toward cooperative work in forest investigations shall be covered into the Treasury and shall constitute a special fund, which is hereby appropriated and made available until expended, as the Secretary of Agriculture may direct, for the payment of the expenses of said investigations by the Forest Service and for refunds to the contributors of amounts heretofore or hereafter paid in by them in excess of their share of the cost of said investigations, for the employment of fiscal and other agents, clerks, assistants, and other labor required in practical forestry, in the administration of forest reserves, and in conducting experiments and investigations in the city of Washington and elsewhere; and he may dispose of photographic prints (including bromide enlargements), lantern slides,

such articles, when deemed by the Secretary of Agriculture advisable, and also the effect of cold storage upon the healthfulness of foods; to enable the Secretary of Agriculture to investigate the character of food preservatives, coloring matters, and other substances added to foods, to determine their relation to digestion and to health, and to establish the principles which should guide their use, and to publish the results of such investigations when thought advisable: *Provided*, That before any adverse publication is made notice shall be given to the owner or manufacturer of the articles in question, who shall have the right to be heard and to introduce testimony before the Secretary of Agriculture, or his representative, either in person or by agent, concerning the suitability of such articles for food, or as to false labeling or branding; to enable the Secretary of Agriculture to investigate the character of the chemical and physical tests which are applied to American food products in foreign countries, and to inspect before shipment, when desired by the shippers or owners of these food products, American food products intended for countries where chemical and physical tests are required before said food products are allowed to be sold in the countries mentioned, and for all necessary expenses connected with such inspection and studies of methods of analysis in foreign countries; to enable the Secretary of Agriculture, in collaboration with the Association of Official Agricultural Chemists, and such other experts as he may deem necessary, to ascertain the purity of food products and determine what are regarded as adulterations therein. To investigate, in collaboration with the Bureau of Animal Industry, the chemistry of dairy products and of adulterants used therein, and of the adulterated products; to determine the composition of process, renovated, or adulterated and other treated butters, and other chemical studies relating to dairy products, and to make all analyses of samples required for the execution of the law regulating the manufacture of process, renovated, or adulterated butters. To study, in collaboration with the Weather Bureau, the Bureau of Plant Industry, and agricultural experiment stations, the influence of environment upon the chemical composition of wheat and other cereals, with especial reference to the variation in the content of gluten, and the suitability of barley for brewing and other purposes. To investigate the chemical composition of sugar and starch-producing plants in the United States and its possessions, and, in collaboration with the Weather Bureau, the Bureau of Plant Industry, and agricultural experiment stations, to study the effects of environment upon the chemical composition of sugar and starch producing plants. And the Secretary of Agriculture, whenever he has reason to believe that any articles are being imported from foreign countries which are dangerous to the health of the people of the United States, or which shall be falsely labeled or branded either as to their contents or as to the place of their manufacture or production, shall make a request upon the Secretary of the Treasury for samples from original packages of such articles for inspection and analysis, and the Secretary of the Treasury is hereby authorized to open such original packages and deliver specimens to the Secretary of Agriculture for the purpose mentioned, giving notice to the owner or consignee of the sampling of such articles, who may be present and have the right to introduce testimony before the Secretary of Agriculture, or his representative, either in person or by agent, concerning the suitability of such articles for entry; and the Secretary of the Treasury shall refuse delivery to the consignee of any such goods which the Secretary of Agriculture reports to him have been inspected and analyzed and found to be dangerous to health or falsely labeled or branded, either as to their contents or as to the place of their manufacture or production, or which are forbidden entry or to be sold, or are restricted in

Total for library, Department of Agriculture, twenty-five thousand eight hundred and eighty dollars.

CONTINGENT EXPENSES.

Contingent expenses.

CONTINGENT EXPENSES, DEPARTMENT OF AGRICULTURE: Purchase of stationery, blank books, twine, paper, gum, dry goods, soap, brushes, brooms, mats, oils, paints, glass, lumber, hardware, ice, fuel, water and gas pipes, heating apparatus, furniture, carpets, matting; for lights, freight, express charges, advertising, telegraphing, washing towels, and necessary repairs and improvements to buildings and heating apparatus; the purchase, subsistence, and care of horses, for official purposes only; the purchase and repair of harness; the purchase and repair of vehicles, for official purposes only; payment of duties on imported articles, and the Department of Agriculture's proportionate share of the dispatch agent in New York, not to exceed four hundred dollars; actual traveling expenses while on business of the Department; and other miscellaneous supplies and expenses not otherwise provided for, and necessary for the practical and efficient work of the Department, including not to exceed two thousand five hundred dollars for postage, thirty-seven thousand dollars.

OFFICE OF EXPERIMENT STATIONS.

Experiment Stations Office.

Salaries.

SALARIES, OFFICE OF EXPERIMENT STATIONS: One director, three thousand five hundred dollars; one chief clerk, one thousand eight hundred dollars; one clerk and proof reader, one thousand six hundred dollars; two clerks, class two, two thousand eight hundred dollars; four clerks, class one, four thousand eight hundred dollars; five clerks, at one thousand dollars each, five thousand dollars; two clerks, at nine hundred dollars each, one thousand eight hundred dollars; four clerks, at eight hundred and forty dollars each, three thousand three hundred and sixty dollars; one clerk or messenger, eight hundred and forty dollars; one messenger, six hundred dollars; one messenger or laborer, five hundred and forty dollars; one messenger, four hundred and eighty dollars; one messenger boy, three hundred and sixty dollars; one copyist or laborer, seven hundred and twenty dollars; two laborers or charwomen, at four hundred and eighty dol-

lars each, nine hundred and sixty dollars; in all, twenty-nine thousand one hundred and sixty dollars.

AGRICULTURAL EXPERIMENT STATIONS: To carry into effect the provisions of an Act approved March second, eighteen hundred and eighty-seven, entitled "An Act to establish agricultural experiment stations in connection with the colleges established in the several States under the provisions of an Act approved July second, eighteen hundred and sixty-two, and of the Acts supplementary thereto," and to enforce the execution thereof, eight hundred and three thousand five hundred dollars, twenty-five thousand five hundred dollars of which sum shall be payable upon the order of the Secretary of Agriculture, to enable him to carry out the provisions of section three of said Act of March second, eighteen hundred and eighty-seven, and the Secretary of Agriculture shall prescribe the form of the annual financial statement required by section three of said Act of March second, eighteen hundred and eighty-seven; shall ascertain whether the expenditures under the appropriation hereby made are in accordance with the provisions of said Act, and shall make report thereon to Congress; and the Secretary of Agriculture is hereby authorized to rent offices and to employ such assistants, clerks, and other persons as he may deem necessary, in the city of Washington and elsewhere, and to incur such other expenses for office fixtures and supplies, stationery, traveling, freight and express charges, illustration of the Experiment Station Record, bulletins, and reports as he may find essential in carrying out the objects of the above Acts; and the sums apportioned to the several States shall be paid quarterly in advance. And the Secretary of Agriculture is hereby authorized to furnish to such institutions or individuals as may care to buy them, copies of the card index of agricultural literature prepared by the Office of Experiment Stations, and charge for the same a price covering the additional expense involved in the preparation of these copies, and he is hereby authorized to apply the moneys received toward the expense of the preparation of the index, and this fund shall be available until used; and the Secretary of Agriculture is hereby authorized to expend fifty-three thousand dollars of which sum to establish and maintain agricultural experiment stations in the Territories of Alaska, Hawaii, and Porto Rico, including the erection of buildings, the printing (in Hawaii and Porto Rico), illustration, and distribution of reports and bulletins: *Provided*, That not more than fifteen thousand dollars shall be expended for the maintenance of such stations in any one of said Territories, except in the case of Alaska, where three thousand dollars additional may be used for the purchase and introduction of live stock for experimental purposes; and for the construction of buildings and the labor necessary for the care of the station animals; and in the case of Hawaii, where five thousand dollars additional may be used to provide a water supply for the use of the experiment station; and the Secretary of Agriculture is authorized to sell such products as are obtained on the land belonging to the agricultural experiment stations in Alaska, Hawaii, and Porto Rico, and to apply the moneys received from the sale of such products to the maintenance of said stations, and this fund shall be available until used; in all, eight hundred and three thousand five hundred dollars: *Provided*, That five thousand dollars of this sum shall be used by the Secretary of Agriculture to investigate and report upon the organization and progress of farmers' institutes and agricultural schools in the several States and Territories, and upon similar organizations in foreign countries, with special suggestions of plans and methods for making such organizations more effective for the dissemination of the results of the work of the Department of Agriculture and the agricultural experiment stations and of improved methods of agricultural

practice. And the employees of the experiment stations in Alaska, Hawaii, and Porto Rico may hereafter, in the discretion of the Secretary of Agriculture, without additional expense to the Government, be granted leave of absence not to exceed fifteen days in any one year, which leave may, in exceptional and meritorious cases where such an employee is ill, be extended in the discretion of the Secretary of Agriculture not to exceed fifteen days additional in any one year.

Nutrition investigations.

NUTRITION INVESTIGATIONS: To enable the Secretary of Agriculture to investigate and report upon the nutritive value of the various articles and commodities used for human food, with special suggestions of full, wholesome, and edible rations less wasteful and more economical than those in common use, including special investigations on the nutritive value and economy of the diet in public institutions; and the Secretary of Agriculture is hereby authorized to employ such assistants, clerks, and other persons as he may deem necessary in the city of Washington and elsewhere; and the agricultural experiment stations are authorized and directed to cooperate with the Secretary of Agriculture in carrying out said investigations in such manner and to such extent as may be warranted by a due regard to the varying conditions and needs of the respective States and Territories, and as may be mutually agreed upon; and the Secretary of Agriculture is hereby authorized to require said stations to report to him the results of any such investigations which they may carry out, whether in cooperation with the said Secretary of Agriculture or otherwise, twenty thousand dollars.

Irrigation and drainage investigations.

IRRIGATION AND DRAINAGE INVESTIGATIONS: To enable the Secretary of Agriculture to investigate and report upon the laws of the States and Territories as affecting irrigation and the rights of appropriators and of riparian proprietors and institutions relating to irrigation and upon the use of irrigation waters, at home and abroad; with especial suggestions of the best methods for the utilization of irrigation waters in agriculture, and upon plans for the removal of seepage and surplus waters by drainage, and upon the use of different kinds of power and appliances for irrigation, and drainage; and for the preparation, printing, and illustration of reports and bulletins on irrigation and drainage, including employment of labor in the city of Washington or elsewhere; and the agricultural experiment stations are hereby authorized and directed to cooperate with the Secretary of Agriculture in carrying out said investigations in such manner and to such extent as may be warranted by a due regard to the varying conditions and needs and laws of the respective States and Territories as may be mutually agreed upon, and all necessary expenses, one hundred and twenty-two thousand two hundred dollars.

Reports.

Total for Office of Experiment Stations, nine hundred and seventy-four thousand eight hundred and sixty dollars.

Public Roads Office.

OFFICE OF PUBLIC ROADS.

Salaries.

SALARIES, OFFICE OF PUBLIC ROADS: One director, who shall be a scientist and have charge of all scientific and technical work, two thousand five hundred dollars; one chief of records, one thousand eight hundred dollars; one editorial clerk, one thousand two hundred dollars; two clerks, class one, two thousand four hundred dollars; three clerks, at one thousand dollars each, three thousand dollars; two clerks, at seven hundred and twenty dollars each, one thousand four hundred and forty dollars; in all, twelve thousand three hundred and forty dollars.

General expenses.

PUBLIC ROADS: To enable the Secretary of Agriculture to make inquiries in regard to systems of road management throughout the

United States; to furnish expert advice on road building; to make investigations in regard to the best methods of road making, and the best kinds of road-making materials in the several States; to investigate the chemical and physical character of road materials; for the employment of local and special agents, clerks, assistants, and other labor required in the city of Washington and elsewhere; for collating, digesting, reporting, and illustrating the results of such investigations and experiments; for preparing, publishing, and distributing bulletins and reports; for rent and repairs of buildings not to exceed two thousand dollars; for necessary office fixtures and supplies, apparatus, and materials; telegraph and telephone service, traveling and other necessary expenses, and to enable him to assist the agricultural colleges and experiment stations in disseminating information on this subject, fifty-seven thousand six hundred and sixty dollars.

Total for Office of Public Roads, seventy thousand dollars.

Total, Department of Agriculture, nine million five hundred and sixty thousand four hundred and forty dollars.

And the Secretary of Agriculture is hereby authorized to make such appointments, promotions, and changes in salaries, to be paid out of the lump funds of the several bureaus, divisions, and offices of the Department as may be for the best interests of the service: *Provided*, That the maximum salary of any classified scientific investigator in the city of Washington, or other employee engaged in scientific work, shall not exceed three thousand dollars per annum. And the Secretary of Agriculture is hereby authorized and directed to pay the salary of each employee from the roll of the bureau, independent division, or office in which the employee is working, and no other: *Provided, however*, That details may be made from or to the office of the Secretary when necessary and the services of the person whom it is proposed to detail are not required in that office; and he is further authorized and directed to submit to Congress each year a statement covering all appointments, promotions, or other changes made in the salaries paid from lump funds, giving in each case the title, salary, and amount of such change or changes, together with reasons therefor: *Provided further*, That all classified laborers whose positions were transferred from the lump funds to the statutory rolls by the Act making appropriations for the Department of Agriculture approved March third, nineteen hundred and five, and who were by the last clause of that Act placed in the classified service without further examination in the grades and at the rates of compensation provided in said Act, are hereby made eligible for promotion without further examination.

EMERGENCY APPROPRIATIONS.

FOR THE BUREAU OF PLANT INDUSTRY: To enable the Secretary of Agriculture to meet the emergency caused by the continued spread of the Mexican cotton boll weevil in the Southern States by encouraging the diversification of crops, improved cultural methods, breeding of new cottons, and to study the diseases of cotton, one hundred and five thousand dollars, or so much thereof as may be necessary. And the Secretary of Agriculture is hereby authorized to expend said appropriation in such manner as he shall deem best, in cooperation with the State experiment stations and practical cotton growers.

Emergency appropriation.

Cotton cultivation.

FOR THE BUREAU OF ENTOMOLOGY: To enable the Secretary of Agriculture to meet the emergency caused by the continued spread of the Mexican cotton boll weevil in the Southern States by further studies of the habits and damage of the pest, the collection of data regarding its status, the study of parasites and diseases, the testing of remedies suggested, and the completion of experiments now under way, eighty-five thousand dollars, or so much thereof as may be necessary. And

Cotton boll weevil

the Secretary of Agriculture is hereby authorized to expend said appropriation in such manner as he shall deem best, in cooperation with the State experiment stations and practical cotton growers.

Gypsy and brown tail moths.

To enable the Secretary of Agriculture to meet the emergency caused by the continued spread of the gypsy and brown tail moths, eighty-two thousand five hundred dollars, or so much thereof as may be necessary, is hereby appropriated and made immediately available. And the Secretary of Agriculture is hereby authorized to expend said appropriation by establishing a quarantine against such further spread in such manner as he shall deem best, in cooperation with the authorities of the different States concerned and with the State experiment stations.

Southern cattle fever ticks.

FOR BUREAU OF ANIMAL INDUSTRY: To enable the Secretary of Agriculture to undertake experimental work in cooperation with State authorities in eradicating the ticks transmitting southern cattle fever, eighty-two thousand five hundred dollars, of which sum twenty thousand dollars shall be immediately available.

Wichita Game Preserve.
Buffalo herd.

FOR FOREST SERVICE: For the erection of a wire fence and necessary sheds on the Wichita Forest and Game Preserve, to provide a range for a buffalo herd presented by the New York Zoological Society, and to provide for the maintenance of said herd, fifteen thousand dollars, of which sum not to exceed five hundred dollars shall be expended in buildings.

Dismal River Forest Reserve station building.

The Secretary of Agriculture may authorize the Forester to expend from the funds herein appropriated for "General Expenses, Forest Service," a sum not to exceed two thousand five hundred dollars in the construction of a permanent station building on the Dismal River Forest Reserve, Nebraska.

The total amount of this bill is nine million nine hundred and thirty-two thousand nine hundred and forty dollars.

Photographs, etc., to be sold.

And the Secretary of Agriculture is hereby authorized to furnish, upon application, prints and lantern slides from negatives in the possession of the Department and to charge for the same a price to cover the cost of preparation, such price to be determined and established by the Secretary of Agriculture, and the money received from such sales to be deposited in the Treasury of the United States.

Waycross sirup station.
Delivery to Georgia Experiment Station.

That the Secretary of Agriculture is authorized to deliver to the Agricultural Experiment Station of Georgia the building and machinery belonging to the United States Department of Agriculture at Waycross, Georgia, which have been used in the study of the production of table sirup, on the condition that the Agricultural Experiment Station of Georgia establish and maintain a substation at Waycross, Georgia, to be operated in the interest of the sirup industry and other agricultural industries in that part of the State.

Agricultural experiment stations.
Ante, p. 63.

The Act of Congress approved March sixteenth, nineteen hundred and six, entitled "An Act to provide for an increased annual appropriation for agricultural experiment stations and regulating the expenditures thereof," shall be construed to appropriate for each station the sum of five thousand dollars for the fiscal year ending June thirtieth, nineteen hundred and six, the sum of seven thousand dollars for the fiscal year ending June thirtieth, nineteen hundred and seven, the sum of nine thousand dollars for the fiscal year ending June thirtieth, nineteen hundred and eight, the sum of eleven thousand dollars for the fiscal year ending June thirtieth, nineteen hundred and nine, the sum of thirteen thousand dollars for the fiscal year ending June thirtieth, nineteen hundred and ten, and the sum of fifteen thousand dollars for the fiscal year ending June thirtieth, nineteen hundred and eleven. The sum of five thousand dollars appropriated for the fiscal year nineteen hundred and six shall be paid on or before June thirtieth, nineteen hundred and six, and the amounts appropriated for the

Allotment.

Payments.

subsequent years shall be paid as provided in the said Act to each State and Territory for the more complete endowment and maintenance of agricultural experiment stations now established or which may hereafter be established in accordance with the Act of Congress approved March second, eighteen hundred and eighty-seven.

Vol. 24, p. 440.

Approved, June 30, 1906.
