For continuing the construction of breast-high wall in dangerous places, five hundred dollars;
For broken stone and gravel for roads, and for repairing sidewalks, roads, paths, and bridges on the reservation, five thousand dollars;
For continuing work in connection with the restoration of Fort Putnam, on the United States Military Academy Reservation at West Point, New York, to be expended under the direction of the Secretary of War, five thousand dollars;
For increasing the capacity of the refrigerating machine in the cadet mess, to be immediately available and to be expended without advertising, two thousand one hundred and forty dollars;
For a tile or terrazzo floor and tile wainscoting in the kitchen scullery, the milk-sterilizing room, the north hall way of the basement, the vegetable rooms, and the south basement hall way, four thousand dollars;
For additional insulation of the cold-storage room in the cadet mess, to be immediately available and to be expended without advertising, one thousand seven hundred and fifty dollars;
For one double set of quarters for civilian employees, to be built in the vicinity of the workshops and storehouses, six thousand dollars;
For two twenty-five horsepower electric motors for ventilating system in Memorial Hall, one thousand five hundred dollars;
For the supply and erection of one coal conveyor in basement of Memorial Hall, one thousand dollars;
For the construction of emplacements for two six-inch breech-loading rifles on disappearing carriages, seven thousand dollars;
Total buildings and grounds, one million two hundred and forty-three thousand and twenty-five dollars.

Approved, March 2, 1907.

CHAP. 2509.—An Act Making appropriations for the construction, repair, and preservation of certain public works on rivers and harbors, and for other purposes.

BE it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums of money be, and are hereby, appropriated, to be paid out of any money in the Treasury not otherwise appropriated, to be immediately available, and to be expended under the direction of the Secretary of War and the supervision of the Chief of Engineers, for the construction, completion, repair, and preservation of the public works hereinafter named:

Improving harbor at Cape Porpoise, Maine: Completing improvement in accordance with the report submitted in House Document Numbered One hundred and ninety-one, Fifty-ninth Congress, first session, forty-six thousand dollars.

Improving Sasanoa River, Maine: Completing improvement in accordance with the report of the Board of Engineers, dated February seventh, nineteen hundred and seven, forty-four thousand dollars.

Rivers and harbors appropriations.
Penobscot River, Me.

Improving Penobscot River, at Bangor, Maine: Completing improvement in accordance with the report submitted in House Document Numbered Seven hundred and thirty-nine, Fifty-ninth Congress, first session, one hundred and thirty thousand dollars.

Kennebec River, Me.

Improving Kennebec River, Maine, from the mouth to Gardiner, in accordance with the report submitted in House Document Numbered Three hundred and twenty-one, Fifty-ninth Congress, second session, seventy-five thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete the said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate two hundred thousand dollars, exclusive of the amount herein appropriated.

Bar Harbor, Me., breakwater.

Improving breakwater from Mount Desert to Porcupine Island, Bar Harbor, Maine: Continuing improvement, thirty thousand dollars.

Lake Champlain, Vt. and N. Y.

Improving the channel in the Narrows of Lake Champlain, Vermont and New York: For maintenance, two thousand five hundred dollars.

Sandy Bay, Cape Ann, Mass. 

Improving harbor of refuge at Sandy Bay, Cape Ann, Massachusetts: Continuing improvement, one hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate one hundred thousand dollars, exclusive of the amount herein appropriated.

Beverly, Mass.

Improving harbor at Beverly, Massachusetts: Completing improvement in accordance with the report submitted in House Document Numbered Nine hundred and sixteen, Fifty-ninth Congress, first session, thirty-eight thousand five hundred dollars.

Boston, Mass.

Improving harbor at Boston, Massachusetts: For maintenance and general improvement, fifty thousand dollars.

Improving thirty-five-foot channel in Boston Harbor, five hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for completing said improvement, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate three million eight hundred and ninety-four thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Provincetown, Mass.

Improving harbor at Provincetown, Massachusetts: Continuing improvement and for maintenance, five thousand dollars.

Hingham, Mass.

Improving harbor at Hingham, Massachusetts, by redredging the channel, ten thousand dollars.

Dorchester Bay and Neponset River, Mass.

Improving Dorchester Bay and Neponset River, Massachusetts: Completing improvement to the Neponset Highway Bridge, as recommended in House Document Numbered Eighty-three, Fifty-ninth Congress, second session, one hundred and twenty-five thousand two hundred and thirty-three dollars: Provided, That no part of this sum shall be expended until the Secretary of War shall have received satisfactory assurance that the improvement of that portion of the Neponset River described in said House document, which lies above the project herein adopted, shall be made and hereafter maintained by the State of Massachusetts or other agency without expense to the Government of the United States.

New Bedford and Fairhaven, Mass.

Improving harbors at New Bedford and Fairhaven, Massachusetts: For improving said harbors in accordance with the report submitted in House Document Numbered Two hundred and seventy-one, Fifty-ninth Congress, second session, one hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said project, to be paid for as appropriations may from time to time
be made by law, not to exceed in the aggregate two hundred thousand dollars, exclusive of the amount herein appropriated.

Improving harbor at Nantucket, Massachusetts: Continuing improvement, forty-two thousand five hundred dollars.

Improving Essex River, Massachusetts: For improving said river by the restoration of the channel, five thousand dollars: Provided, That no part of this sum shall be expended unless a further amount of five thousand dollars shall be provided by the State of Massachusetts or other agency, and made subject to the order of the Secretary of War in such manner as he may direct, to be expended upon said project under his direction.

Improving Mystic and Malden rivers, Massachusetts: Continuing improvement and for maintenance, including Mystic River below the mouth of Island End River, sixty thousand dollars.

Improving Weymouth Back River, Massachusetts: Continuing improvement, nine thousand five hundred dollars.

Improving Connecticut River between Hartford, Connecticut, and Holyoke, Massachusetts: For investigation and further examination, as recommended by the Board of Engineers in report submitted in House Document Numbered Three hundred and twenty-three, Fifty-ninth Congress, second session, five thousand dollars.

Improving Newport Harbor, Rhode Island, in accordance with the project reported in House Document Numbered One hundred and twenty-one, Fifty-eighth Congress, second session, eighty-five thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be required for the completion of the project recommended in House Document Numbered Four hundred and thirty-eight, Fifty-ninth Congress, second session, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding in the aggregate one hundred and sixty-five thousand nine hundred dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Point Judith Harbor of Refuge, Rhode Island: One hundred thousand dollars, to be expended upon the easterly or shore arm of the breakwater: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete the said easterly or shore arm of said breakwater, to be paid for from time to time as appropriations may be made by law, not to exceed in the aggregate one hundred and seventy thousand dollars, exclusive of the amounts herein and heretofore appropriated, and the Secretary of War may cause an examination to be made with a view to determining whether a breakwater on the westerly side of said harbor of refuge is necessary to prevent sand movements, or for the protection of the sheltered area within the same, and also what further improvements, if any, should be made therein.

Improving the entrance to Point Judith Pond, Rhode Island: Continuing improvement and for maintenance, eight thousand dollars, which amount shall be expended for dredging.

Improving Harbor of Refuge at Block Island, Rhode Island: Continuing improvement and for maintenance, twenty thousand dollars.

Improving harbor at Great Salt Pond, Block Island, Rhode Island: Continuing improvement, thirty thousand dollars, which amount shall be expended in dredging.

Improving Sakonnet Harbor, Rhode Island: Completing improvement, by removal of rock numbered one, in accordance with the report submitted in House Document Numbered Ninety-nine, Fifty-sixth Congress, second session, ten thousand dollars.

Improving Pawtucket River, Rhode Island: Completing improvement, one hundred and thirty-five thousand five hundred and eighty-
four dollars: *Provided*, That no part of this sum shall be expended unless the further amount of sixty-seven thousand seven hundred and ninety-two dollars shall be provided by the State of Rhode Island or other agency, and made subject to the order of the Secretary of War in such manner as he may direct, to be expended under his direction upon said project for its completion.

Improving Providence River and harbor, Rhode Island, by dredging to a depth of twenty-five feet for a uniform width easterly from the main ship channel between Long Bed and Kettle Point, in accordance with the plan submitted in House Document Numbered One hundred and eight, Fifty-sixth Congress, first session, ninety thousand seven hundred and fifty dollars.

Improving Pawcatuck River, Rhode Island and Connecticut: Continuing improvement and for maintenance, thirty-three thousand dollars.

Improving harbor at Branford, Connecticut: Completing improvement and for maintenance, five thousand dollars; and the Secretary of War is authorized, in his discretion, to continue the channel with the dimensions heretofore authorized for the inner harbor through the shoals at its outer end to deep water in the outer channel.

Improving harbor at New Haven, Connecticut: For maintenance, including channel by way of Oyster Point to Kimberly Avenue Bridge on West River, ten thousand dollars.

Improving breakwater at New Haven, Connecticut: Continuing improvement, one hundred thousand dollars: *Provided*, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate one hundred and fifty thousand dollars in addition to the amounts herein and heretofore appropriated.

Improving harbor at Bridgeport, Connecticut: Continuing improvement in accordance with the plan submitted in House Document Numbered Two hundred and seventy-five, Fifty-ninth Congress, second session, one hundred and thirteen thousand dollars: *Provided*, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete the improvement, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate three hundred and fifty thousand dollars, exclusive of sums herein and heretofore appropriated or heretofore authorized: *Provided further*, That the work shall be limited to the construction of the proposed breakwaters, the dredging to twenty-two feet of the main channel and deep anchorage basins as proposed, and the dredging of an anchorage basin twelve feet in depth and of an area equal to that proposed, to be located northwest of the twenty-two foot anchorage basin.

Improving harbors at East Norwalk, South Norwalk, and above the railroad bridge at South Norwalk, Connecticut, in accordance with the report submitted in House Document Numbered Two hundred and sixty-two, Fifty-sixth Congress, second session, excepting therefrom the basin at South Norwalk; completing improvement, sixty-three thousand five hundred dollars.

Improving harbors at Five Mile River, Stamford, Southport, Greenwich, and Westport, Connecticut, and Saugatuck River, Connecticut: Continuing improvement and for maintenance, seventy thousand dollars, from which amount the existing project at Stamford may be completed.

Improving Thames River, Connecticut: Continuing improvement and for maintenance, including the completion of the project submitted in House Document Numbered Two hundred and sixty-five, Fifty-ninth Congress, second session, thirty thousand dollars.
Improving Connecticut River, below Hartford, Connecticut: Continuing improvement and for maintenance, forty thousand dollars.

Improving Housatonic River, Connecticut: Continuing improvement and for maintenance, twenty thousand dollars.

Improving harbor at Port Chester, New York: For the removal of ledges of rock opposite the southerly point of Fox Island and for maintenance, six thousand five hundred dollars.

Improving Larchmont Harbor, New York: For removal of ledges adjoining Huron Rock and for maintenance, fourteen thousand dollars.

Improving Echo Bay, New York: Completing improvement in accordance with the report submitted in House Document Numbered One hundred and eighty-two, Fifty-ninth Congress, second session, and for maintenance, twelve thousand dollars.

Improving harbors at Port Jefferson, Mattituck, Huntington, Flushing Bay, Canarsie Bay, and Sag Harbor, New York: Continuing improvement and for maintenance, one hundred and twenty-five thousand dollars.

Improving Great South Bay, New York: For maintenance, two thousand dollars.

Improving harbor at Saugerties, New York: Continuing improvement and for maintenance, twenty thousand dollars.

Improving harbors at Rondout and Peekskill, New York: Continuing improvement and for maintenance, six thousand dollars.

Improving New York Harbor: For maintenance, one hundred and twenty-five thousand dollars.

Improving Ambrose Channel, New York Harbor: The Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said project, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding one million one hundred and forty-eight thousand five hundred and ten dollars, exclusive of amounts heretofore appropriated or heretofore authorized, from which amount, or from any amounts heretofore appropriated or authorized for said project, not exceeding eight hundred thousand dollars may be expended for the construction of two suction dredges: Provided, That during the continuance of excavation in the said Ambrose Channel the navigation thereof may be restricted by regulations to be issued by the Secretary of War, limiting the use of said channel to daylight navigation by vessels of twenty-nine feet draft or over.

Improving Bay Ridge and Red Hook channels, New York: The Secretary of War may prosecute the improvement in said channels with a view to obtaining a depth of thirty-five feet and subsequently increasing said depth to the full forty feet with a width of twelve hundred feet in accordance with the project adopted in the river and harbor act of eighteen hundred and ninety-nine.

Improving Coney Island Channel, New York Harbor, in accordance with the report submitted in House Document Numbered Four hundred and forty-two, Fifty-ninth Congress, second session: Completing improvement and for maintenance, one hundred and eighty-eight thousand three hundred dollars.

Improving harbor at Buffalo, New York: For repairing and rebuilding of breakwaters damaged by storm in January, nineteen hundred and seven, three hundred and fifty thousand dollars.

Improving harbor at Buffalo, New York: To complete arm of Stony Point breakwater, fifty-two thousand three hundred and thirty-six dollars; to excavate rock shoals at entrance of Buffalo Harbor to a depth of twenty-three feet, fifty-six thousand one hundred dollars; for maintenance of structures, channels, and for dredging at entrance to canals at South Buffalo, in outer harbor, seventy-five thousand dollars.
dollars; in all, one hundred and eighty-three thousand four hundred
and thirty-six dollars.

Improving Black Rock Harbor and Channel, New York: Continuing
improvement, and for the construction of the ship lock, in accordance
with the report submitted in House Document Numbered Four hun-
dred and twenty-eight, Fifty-eighth Congress, second session, one
million dollars: Provided, That the Secretary of War may enter into
a contract or contracts for such materials and work as may be neces-
sary to prosecute said project, to be paid for as appropriations may
from time to time be made by law, not to exceed in the aggregate
one million dollars in addition to the sums herein and heretofore
appropriated or heretofore authorized: And provided further, That
the Secretary of War is authorized to construct the lock of sufficient
capacity to admit the largest vessels now in use on the Lakes.

Improving Tonawanda Harbor and Niagara River, New York: For
removal of the hulk of a steamer lying with its bow about four hun-
dred feet from the east shore of Grand Island, in the Niagara River,
three thousand dollars.

Improving harbor at Charlotte, New York: Continuing improve-
ment and for maintenance, eighty-eight thousand five hundred dollars.

Improving harbor at Great Sodus Bay, New York: Continuing
improvement and for maintenance, fifty thousand dollars.

Improving harbor at Pultneyville, New York: Continuing improve-
ment and for maintenance, sixty thousand dollars.

Improving harbor at Little Sodus Bay, New York: Continuing
improvement and for maintenance, seventy-five thousand dollars.

Improving harbor at Oswego, New York: Continuing improvement
in accordance with plan "a," page six of House Document Numbered
Fifty-five, Fifty-eighth Congress, second session, and for maintenance,
one hundred thousand dollars: Provided, That the Secretary of War
may enter into a contract or contracts for such materials and work as
may be necessary to prosecute such project, to be paid for as appro-
priations may from time to time be made by law, not to exceed in the
aggregate one hundred thousand dollars, in addition to the amounts
herein and heretofore appropriated.

Improving harbor at Ogdensburg, New York: Continuing improve-
ment and for maintenance, seventy-five thousand dollars.

Improving Bronx River and East Chester Creek, New York: Con-
fining improvement and for maintenance, twenty-nine thousand dol-
lars, of which six thousand dollars may be expended for completing
the improvement of East Chester Creek.

Improving East River and Hell Gate, New York: Continuing im-
provement, two hundred and fifty thousand dollars, and a resurvey of
said project may be made, including any ledge or ledges near to the
westerly shore.

Improving Harlem River, New York: Continuing improvement,
one hundred and fifty thousand dollars.

Improving Newtown Creek, New York: Completing improvement
and for maintenance, five thousand dollars.

Improving Browns Creek, New York: Continuing improvement and
for maintenance, five thousand dollars.

Improving Hudson River, New York: Continuing improvement and
for maintenance, two hundred and fifty thousand dollars, of which
five thousand dollars may be expended in removing the bar and deep-
ening the channel at the mouth of Schodack Creek.

Improving Wappinger Creek, New York: For maintenance, three
thousand dollars.

Improving harbor at Tarrytown, New York: Completing improve-
ment and for maintenance, sixteen thousand dollars.
Improving Raritan Bay, New Jersey: For maintenance, twenty-five thousand dollars.

Improving Cold Spring Inlet, New Jersey, to a depth of fifteen feet, in accordance with the plan printed in House Document Numbered Three hundred and eighty-eight, Fifty-ninth Congress, second session, three hundred and eleven thousand dollars: Provided, That the depth may be increased to twenty-five feet in case the local authorities or private persons or corporations shall within one year from the date of this Act contribute to the improvement the sum of one hundred thousand dollars, making the sum so contributed subject to the order of the Secretary of War in such manner as he shall direct; and the said Secretary of War may receive and expend upon the improvement to a depth of twenty-five feet the said sum of one hundred thousand dollars so contributed: Provided further, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said improvement, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate, exclusive of the amount herein appropriated and of any sums contributed from other sources, five hundred and ninety-six thousand dollars in case the improvement be made to a depth of fifteen feet, or nine hundred thousand dollars in case the improvement be made to a depth of twenty-five feet: Provided further, That no portion of the funds herein appropriated and authorized shall be expended until the necessary land and right of way for the shore ends of the jetties, for light-houses, for the establishment of a life-saving station, and for a depot of engineer supplies, shall have been deeded to the United States free of cost, and until assurance, satisfactory to the Secretary of War, shall have been given that the plan of the harbor, to be established by private capital inside the entrance, will be modified by increasing the distance between the bulkheads immediately inside the shore end of the jetties in the manner recommended in said House Document Numbered Three hundred and eighty-eight, Fifty-ninth Congress, second session, and that the work proposed by the United States for the entrance channel to this harbor will be supplemented by such expenditure from private or corporate sources as shall make the harbor suitable for commerce and protected from injurious wave action: And provided further, That the Secretary of War shall have power to prescribe, regulate, and at any time modify the wharfage charges at this harbor, and no part of this appropriation shall be expended until the Cape May Real Estate Company shall, for itself and its successors and assigns, execute such formal acceptance of this proviso as the Secretary of War may require.

Improving Passaic River, New Jersey: Completing improvement and for maintenance under existing project, fifty-three thousand dollars.

Improving channel in Newark Bay and Passaic River, New Jersey, in accordance with the report submitted in House Document Numbered Four hundred and forty-one, Fifty-ninth Congress, second session, two hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work, as may be necessary for the prosecution of said work, to an amount not exceeding in the aggregate six hundred and fifty thousand dollars, to be appropriated for from time to time according to law, in addition to the amounts herein and heretofore appropriated.

Improving Woodbridge Creek, New Jersey: Completing improvement and for maintenance, nineteen thousand dollars.

Improving Keyport Harbor, Matawan Creek; Raritan, South, and Elizabeth rivers, Shoal Harbor, and Compton Creek, and Cheesequake Creek, New Jersey: Continuing improvement and for maintenance, sixty-eight thousand dollars.
Improving Shrewsbury River, New Jersey: For maintenance, ten thousand dollars.

Improving Perriwig Bar, Delaware River, between Trenton and Bordentown, New Jersey, and Pennsylvania: Completing improvement in accordance with the report submitted in House Document Numbered Eight hundred and fifty-two, Fifty-ninth Congress, first session, fifty thousand dollars.

Improving Mantua Creek, New Jersey: Continuing improvement, and for maintenance, thirty-four thousand four hundred and fifty dollars, of which a sufficient amount may be applied for the construction of a dike to close the old mouth of said stream.

Provided, That no expenditure shall be made thereon until all land needed for such cut-off is deeded to the United States free of expense.

Improving Tuckerton Creek, New Jersey: Continuing improvement and for maintenance, twelve thousand dollars.

Provided, That no expenditure shall be made thereon until all lands necessary for such cut-off shall be deeded to the United States free of expense.

Improving Raccoon Creek, New Jersey: Continuing improvement and for maintenance, fifteen thousand dollars, of which a sufficient amount may be applied for the construction of a cut-off at Molonox Shoal:

Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be required for the completion of such project, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding five hundred thousand dollars, exclusive of amounts herein and hereafter appropriated:

Provided further, That contracts for maintenance shall be limited to work to be done not later than the working season of the year nineteen hundred and nine, and the amount herein authorized shall be available for expenditure in the completion of said project:

Provided further, That of the amounts herein appropriated and authorized not exceeding two hundred thousand dollars may, in the discretion of the Secretary of War, be expended for widening the said channel at the bends therein, below the city of Philadelphia, with a view to securing, so far as practicable, a channel of equal safety and efficiency in all its parts.

Improving Monongahela River, Pennsylvania: For the construction of Lock and Dam Numbered Five, two hundred and fifty-six thousand and forty-two dollars:

Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be required for the completion of such project, to be paid for as appropriations may from time to time be made by law, to an amount
not to exceed five hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Dam Numbered Three, Allegheny River, Pennsylvania: For the repair and reconstruction of Dam Numbered Three, and for the completion of Dam Numbered Two, two hundred and thirty-five thousand dollars.

Improving Wilmington Harbor, Delaware: Continuing improvement and for maintenance, seventy-five thousand dollars.

Improving Appoquinimink, Murderkill, and Mispillion rivers, Delaware: Continuing improvement and for maintenance, fifty-three thousand dollars, of which forty thousand dollars may be expended upon the Mispillion River in accordance with the report submitted in House Document Numbered One hundred and two, Fifty-sixth Congress, second session.

Improving Saint Jones River, Delaware: For maintenance, three thousand dollars.

Improving Smyrna River, Delaware: For maintenance, two thousand dollars.

Improving Broadkill River, Delaware, in accordance with the report submitted in House Document Numbered Two hundred and fourteen, Fifty-ninth Congress, second session: Completing improvement, thirty-three thousand three hundred and thirty dollars.

Improving Broad Creek River, Delaware: For maintenance, one thousand five hundred dollars.

Improving Patapsco River and channel to Baltimore, Maryland, five hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for the completion of said project, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding one million seven hundred and fifteen thousand dollars, exclusive of the amounts herein and heretofore appropriated or heretofore authorized.

Improving harbor of Southwest Baltimore, Maryland: For maintenance, six thousand five hundred dollars.

Improving harbors at Rockhall, Queenstown, Claiborne, and Cambridge, and Chester, Choptank, Warwick, Pocomoke, La Trappe, and Manokin rivers, and Tyskink Creek, Maryland: Continuing improvement and for maintenance, sixty thousand dollars, of which amount six thousand five hundred dollars may be expended for the completion of the improvement of Tyskin Creek, in accordance with the report submitted in House Document Numbered Six hundred and eighty-two, Fifty-ninth Congress, first session. Improving Crisfield Harbor, Maryland, in accordance with the report submitted in House Document Numbered Seven hundred and thirty eight, Fifty-ninth Congress, first session: Completing improvement, thirty-seven thousand seven hundred and seven dollars.

Improving Elk River, Maryland: Completing improvement in accordance with the report submitted in House Document Numbered Seven hundred and thirty eight, Fifty-ninth Congress, first session, and for maintenance, eighteen thousand eight hundred and three dollars.

Improving Susquehanna River above and below Havre de Grace, Maryland: Continuing improvement and for maintenance, twenty thousand dollars.

Improving Nanticoke River, Delaware and Maryland: Continuing improvement and for maintenance, two thousand dollars.

Improving Wicomico River, Maryland: For maintenance, two thousand five hundred dollars.

Improving Potomac River at Washington, District of Columbia: For maintenance, restoring depth of eight feet in tidal reservoir and
constructing reservoir inlet gates, two hundred and fifty-eight thousand dollars.

Improving Anacostia River, District of Columbia: Continuing improvement, one hundred and twenty-seven thousand dollars.

Improving Norfolk Harbor and its approaches, Virginia: Completing improvement, thirty-seven thousand eight hundred and twenty-five dollars.

Improving Norfolk Harbor, Virginia, and its approaches, from deep water in Hampton Roads to the junction of the eastern and southern branches, in accordance with House Documents Numbered Three hundred and seventy-three and Three hundred and eighty-one, Fifty-ninth Congress, first session, including the removal of shoals at the mouth of the eastern branch, two hundred and eighty-two thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute such project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate eight hundred and fifty thousand dollars, exclusive of the amounts herein appropriated.

Improving Hampton Roads, Virginia: For maintenance, twelve thousand five hundred dollars.

Improving harbor at Cape Charles City, Virginia: Continuing improvement and for maintenance, twenty-five thousand dollars.

Improving York, Mattaponi, etc., rivers, Virginia: Continuing improvement and for maintenance, forty-nine thousand dollars, of which amount nineteen thousand dollars may be expended for the removal of the bar at the mouth of Occoquan Creek, in accordance with the report submitted in House Document Numbered One hundred and ninety, Fifty-ninth Congress, first session.

Improving Nomini Creek, Virginia: Continuing improvement and for maintenance, five thousand dollars.

Improving Rappahannock River, Virginia, in accordance with the modified project: Seventy-seven thousand seven hundred and twenty-nine dollars: Provided, That a contract or contracts may be entered into by the Secretary of War for such materials and work as may be necessary to complete said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate ninety thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving James River, Virginia: Continuing improvement and for maintenance, two hundred thousand dollars.

Improving Nansemond River, Virginia: Continuing improvement and for maintenance, five thousand dollars.

Improving Appomattox River, Virginia: Completing improvement and for maintenance, fifty thousand dollars, and an examination of the said river may be made for the purpose of determining what improvements should be made or plan adopted for the maintenance of the said channel.

Improving Blackwater River, Virginia: Completing improvement in accordance with the report submitted in House Document Numbered One hundred and seventy-seven, Fifty-ninth Congress, first session, and for maintenance, eight thousand dollars.

Improving Big Sandy River and Levisa and Tug forks, West Virginia and Kentucky: Continuing improvement by the construction of Dam Numbered One, Levisa fork, and Dam Numbered One, Tug Fork, one hundred thousand dollars: Provided, That the Secretary of War may enter into contract or contracts for such materials and work as may be necessary for the completion of said dams, to be paid for as appropriations may from time to time be made by law, not to exceed
in the aggregate one hundred and thirty-five thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Big Sandy River, West Virginia and Kentucky, by the construction of a steel service bridge at Lock Numbered One, seven thousand dollars.

Improving Little Kanawha River, West Virginia: Completing improvement and for maintenance, eighty-one thousand dollars, and the Secretary of War may cause a survey to be made for one lock and dam in said river above the location of existing Lock Numbered Five.

Improving harbor at Beaufort, North Carolina: For maintenance, twenty-two thousand dollars, of which amount so much as may be necessary may, in the discretion of the Secretary of War, be applied to repairing existing jetties at Fort Macon Point and constructing additional jetties and shore protection.

Improving waterway from Norfolk, Virginia, to the sounds of North Carolina, for maintenance, five thousand dollars.

Improving inland water route from Norfolk, Virginia, to Albemarle Sound, North Carolina, through Currituck Sound: For maintenance, three thousand dollars.

Improving and constructing inland waterway from Pamlico Sound to Beaufort Inlet, North Carolina, ten feet in depth, in accordance with the report submitted in House Document Numbered Eighty-four, Fifty-ninth Congress, second session, two hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for the completion of said project not exceeding in the aggregate three hundred and fifty thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Roanoke River, North Carolina: For maintenance, three thousand dollars.

Improving Meherrin River, North Carolina, from the mouth thereof to Murfreesboro, in accordance with the report submitted in House Document Numbered One hundred and thirty-seven, Fifty-ninth Congress, first session: Completing improvement and for maintenance, six thousand dollars.

Improving Scuppernong River, North Carolina: For maintenance, two thousand dollars.

Improving Pamlico and Tar rivers, North Carolina: Completing improvement below Washington in accordance with the existing project and above Washington in accordance with the report submitted in House Document Numbered Three hundred and forty-two, Fifty-ninth Congress, second session, and for maintenance, eleven thousand five hundred and sixty-three dollars.

Improving Contentnia Creek, North Carolina: For maintenance, two thousand dollars.

Improving Neuse and Trent rivers, North Carolina: Continuing improvement and for maintenance, thirty thousand dollars.

Improving waterway between Newbern and Beaufort, North Carolina: For maintenance, two thousand dollars.

Improving Beaufort Inlet, North Carolina: For maintenance, five thousand dollars.

Improving New River, North Carolina, including inland waterways between Beaufort Harbor and New River and between New River and Swansboro, North Carolina: Continuing improvement and for maintenance, seventeen thousand dollars.

Improving North East and Black rivers, and Cape Fear River above Wilmington, North Carolina: For maintenance, nine thousand dollars.

Improving Cape Fear River, at and below Wilmington, North Carolina, in accordance with the modified project submitted in House Document Numbered Five hundred and forty-five, Fifty-ninth Con-
Continuing improvement to such depth in excess of twenty feet as the appropriations for the work may permit, due regard being given to the difference in tidal oscillation at the upper and lower portion of the improvement, one hundred and sixty-five thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute the said improvement, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate two hundred and fifty thousand dollars, exclusive of the amounts herein and heretofore appropriated or heretofore authorized: And provided further, That the balance remaining unexpended of previous appropriations and authorizations for improving Cape Fear River at and below Wilmington, North Carolina, shall be available for the project as herein modified, and so much as may be necessary of the funds available for the improvement may be used in the repair of the New Inlet and Swash Defense dams.

The Secretary of War may cause a reexamination to be made of the Cape Fear River above Wilmington, North Carolina, with a view to reporting what modifications, if any, should be made in the existing project, the expense of which shall be paid from the amount appropriated in section two.

Improving Shallotte River, North Carolina: For maintenance, three thousand dollars.

Improving Winyah Bay, South Carolina: For maintenance, thirty thousand dollars.

Improving inland waterway between Charleston Harbor and opposite McClellanville, South Carolina: Completing improvement, seventy-five thousand two hundred and ninety dollars; and the Secretary of War, may extend the said waterway or a branch thereof to Morrisons Landing in McClellanville.

Improving harbor at Charleston, South Carolina: For maintenance, twenty-five thousand dollars.

Improving Waccamaw River, North Carolina and South Carolina, and Little Pedee River, South Carolina: Continuing improvement and for maintenance, twenty thousand dollars.

Improving Lynch's River and Clarke's Creek, South Carolina, by the removal of logs and snags, two thousand dollars.

Improving Great Pedee River, South Carolina: Continuing improvement and for maintenance, twenty thousand dollars.

Improving Santee, Wateree, and Congaree rivers, and Estherville-Congaree rivers, etc., South Carolina: Continuing improvement and for maintenance, one hundred and fifty thousand dollars; and the limits of the improvement of the Congaree River shall be extended to include that part of the said river included in the project from Gervais Street Bridge, Columbia, to Granby, South Carolina.

Improving harbor at Savannah, Georgia: Continuing improvement and for maintenance, according to the plans of the Board of Engineers for Rivers and Harbors, submitted in House Document Numbered One hundred and eighty-one, Fifty-ninth Congress, first session, three hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate seven hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated or heretofore authorized: Provided further, That the dredge recommended in the said document to be built shall be of the stationary pumping type and cost not to exceed one hundred and twenty-five thousand dollars: And provided further, That three hundred thousand dollars of the amount herein authorized or appropriated, or so much thereof as may be necessary, may be
expended in raising, strengthening, or extending the existing jetties, 
training walls, and other regulating works.

Improving harbor at Brunswick, Georgia, in accordance with the 
report submitted in House Document Numbered Four hundred and 
seven, Fifty-ninth Congress, first session, one hundred and forty-six 
 thousand six hundred and fifty dollars: Provided, That the Secretary 
of War may enter into a contract or contracts for such materials and 
work as may be necessary to complete said project, to be paid for as 
appropriations may from time to time be made by law, not to exceed in 
the aggregate three hundred and fifty thousand dollars exclusive of the 
amounts herein and heretofore appropriated: Provided further, That 
it shall be the duty of the Chief of Engineers to ascertain if any person 
or corporation owning, controlling, or using any wharf or wharfage 
privileges at said harbor discriminates against anyone engaged in the 
transportation of freight by ship, vessel, or railroad, and whether any 
such wharf owners or wharfingers refuse to permit any vessels or ships 
to land at or use said wharves, and to make report thereof to Congress.

Improving Cumberland Sound, Georgia and Florida: Continuing 
improvement and for maintenance, seventy-five thousand dollars.

Improving Savannah River below Augusta, Georgia: Continuing 
improvement and for maintenance, thirty thousand dollars.

Improving Savannah River above Augusta, Georgia: Continuing 
improvement and for maintenance, three thousand dollars.

Improving Altamaha, Oconee, and Ocmulgee rivers, Georgia: Con-
tinuing improvement and for maintenance, seventy-five thousand 
dollars: Provided, That twenty-five thousand dollars of said amount 
may, if necessary, in the discretion of the Secretary of War, be 
expended upon the Ocmulgee River between the cities of Macon and 
Hawkinsville, Georgia.

Improving Club and Plantation creeks canal, Georgia, in accordance 
with House Document Numbered One hundred and fifty-nine, Fifty-
eighth Congress, second session, twenty thousand dollars.

Improving inside water route between Savannah, Geogu, and 
Fernandina, Florida: Continuing improvement and for maintenance, 
three thousand dollars; and the Secretary of War may cause a resurvey 
to be made to determine the best route for said waterway.

Improving Skidaway Narrows, Georgia: Completing improvement, 
and for maintenance, thirty-five thousand dollars.

Improving Flint River, Georgia: Continuing improvement and for 
maintenance, twenty-five thousand dollars.

Improving Chattahoochee River, Georgia and Alabama, below 
Columbus: Continuing improvement and for maintenance, one hundred 
and fifty thousand dollars.

Improving Coosa River, Georgia and Alabama: Continuing improve-
ment and for maintenance, fifty thousand dollars, of which amount, 
two thousand dollars may be expended, if required, for the care and 
preservation of the Government plant and property at Wetumpka.

Improving Fernandina Harbor, Florida, in accordance with the 
report submitted in House Document Numbered Three hundred and 
eighty-eight, Fifty-ninth Congress, first session, one hundred and 
fifteen thousand dollars.

Improving Biscayne Bay, Florida: With a view to the completion 
of the project provided for in the Act approved June thirteenth, nine-
teen hundred and two, entitled "An Act making appropriations for the 
construction, repair, and preservation of certain public works on rivers 
and harbors, and for other purposes," by dredging the portion of the 
channel extending to the sea from the terminus of the channel to be 
constructed by the Florida East Coast Railway Company to the depth 
of eighteen feet, one hundred feet wide, by completing the north jetty 
now under process of construction and constructing the south jetty,
one hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said work, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding one hundred and forty-six thousand dollars, exclusive of the amounts herein and heretofore appropriated: Provided further, That nothing contained in this Act shall be so construed as to relieve the said Florida East Coast Railway Company from its obligations under the contract entered into with the United States in accordance with the provisions of said Act approved June thirteenth, nineteen hundred and two.

Improving harbor at Key West, Florida, and entrance thereto: Continuing improvement and for maintenance, by dredging and work on jetties or by constructing training walls, in the discretion of the Secretary of War, two hundred thousand dollars.

Improving Sarasota Bay, Florida: Continuing improvement from Tampa Bay to Venice, twenty-two thousand five hundred dollars.

Improving East Pass and Carrabelle bar, Florida: Continuing improvement with a view to obtaining a channel eighteen feet deep and one hundred feet wide from the eighteen-foot contour in the outer harbor to a point opposite the beacon situated about one thousand feet up the river from its mouth, with a suitable turning basin, hence ten feet deep and one hundred feet wide to the wharves at Carrabelle, sixty thousand dollars.

Improving Apalachicola Bay, Florida: Continuing improvement with a view to obtaining a channel across the bar at the mouth of the Apalachicola River not less than one hundred feet wide and ten feet deep at mean low water, and a channel not less than one hundred and fifty feet wide and eighteen feet deep through Link channel and West Pass to the Gulf of Mexico, in accordance with the report submitted in House Document Numbered Four hundred and twenty-two, Fifty-ninth Congress, first session, eighty-five thousand dollars.

Improving harbor at Pensacola, Florida: Continuing improvement and for maintenance, one hundred thousand dollars.

Improving Saint Johns River, Florida: For maintenance, one hundred thousand dollars.

Improving Saint Johns River at Orange Mills Flats, Florida: Continuing improvement and for maintenance, twenty-five thousand dollars.

Improving Saint Johns River, Florida, opposite the city of Jacksonville: Completing improvement in accordance with the report submitted in House Document Numbered Six hundred and sixty-three, Fifty-ninth Congress, first session, three hundred and seventy-one thousand five hundred dollars.

Improving Volusia bar, Florida: For maintenance, two thousand dollars.

Improving Oklawaha River, Florida: Completing improvement from the mouth to Leesburg, Florida, including Silver Springs Run, in accordance with the report submitted in House Document Numbered Seven hundred and eighty-two, Fifty-ninth Congress, first session, and for maintenance, fifteen thousand dollars.

Improving Indian River, Florida, between Goat Creek and Jupiter Inlet: Continuing improvement and for maintenance, nine thousand dollars.

Improving Kissimmee River, Florida: Completing improvement and for maintenance, twelve thousand two hundred and twenty-one dollars.

Improving Orange River, Charlotte Harbor, and Caloosahatchie River, Florida: For maintenance, three thousand dollars.

Improving Crystal, Anclote, and Suwanee rivers, Florida: Continuing improvement and for maintenance, twenty-five thousand dollars.
Improving Withlacoochee River, Florida, in accordance with the report submitted in House Document Numbered Four hundred and eighty-three, Fifty-ninth Congress, second session, following Route "F," sixty-five thousand four hundred dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete the project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate one hundred and fifty thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Manatee River, Florida: Completing improvement and for maintenance, seventy thousand seven hundred and ten dollars.

Improving Apalachicola River, Florida, including the cut-off and lower Chipola River and the upper Chipola River from Mariana to its mouth: Continuing improvement and for maintenance, twenty-five thousand dollars.

Improving Choctawhatchee River, Florida and Alabama, including Cypress Top outlet: Continuing improvement and for maintenance, ten thousand dollars.

Improving Holmes River, Florida, from Vernon to its mouth: Continuing improvement and for maintenance, two thousand dollars.

Improving Blackwater River, Florida: Continuing improvement and for maintenance, five thousand dollars.

Improving Escambia and Conecuh rivers, Florida and Alabama: Continuing improvement and for maintenance, fifteen thousand dollars.

For the removal of water hyacinth from the navigable waters of the State of Florida, so far as it is or may become an obstruction to navigation, fifteen thousand dollars: Provided, That no chemical process injurious to cattle which may feed upon the water hyacinth shall be used.

Improving harbor at Mobile, Alabama: Continuing improvement and for maintenance, in accordance with the recommendation of the Board of Engineers for Rivers and Harbors created by section three of the river and harbor Act of June thirteenth, nineteen hundred and two, in its report printed in House Document Numbered Six hundred and forty-seven, Fifty-ninth Congress, first session, two hundred thousand dollars: Provided, That not more than ten thousand dollars of such amount may, in the discretion of the Secretary of War, be used in the removal of dead heads, sunken logs, and other obstructions arising from the freshets on the rivers entering Mobile Bay: Provided further, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute the improvement, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate three hundred and sixty thousand dollars, exclusive of the amounts herein and heretofore appropriated: And provided further, That so much as may be necessary may be expended in the construction of a dredge for said harbor.

Improving Mobile bar, Alabama: Continuing improvement and for maintenance, fifty thousand dollars.

Improving Alabama River, Alabama: Continuing improvement and for maintenance, two hundred thousand dollars.

Improving Conecuh River, Alabama, in accordance with the report submitted in House Document Numbered One hundred and fifty-nine, Fifty-ninth Congress, first session: Completing improvement, thirty-one thousand dollars.

Improving Black Warrior, Warrior, and Tombigbee rivers, Alabama, by the construction of locks and dams, three hundred and fifty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said improvement, to be paid for as appropriations
may from time to time be made by law, not to exceed in the aggregate one million eight hundred and forty-two thousand dollars, exclusive of the amounts herein and heretofore appropriated or heretofore authorized: Provided further, That so much as may be necessary shall be used in the completion of Lock and Dam Numbered One in the Tombigbee River near Demopolis, and Locks and Dams Numbered Two and Three in the Warrior River next above; and in the construction of Lock and Dam Numbered Three in the Tombigbee River and of Locks and Dams Numbered Fourteen, Fifteen, Sixteen, and Seventeen in the Black Warrior River above Tuscaloosa.

Improving Tombigbee River, Alabama, from the mouth to Demopolis: For maintenance, sixteen thousand dollars.

Improving Tombigbee River, Alabama, from Demopolis, Alabama, to Columbus, Mississippi: For maintenance, fourteen thousand dollars, of which amount two thousand dollars may, in the discretion of the Secretary of War, be expended upon the said river between Columbus and Walkers Bridge.

Improving Horn Island Pass, Mississippi: For maintenance, nine thousand dollars.

Improving harbor at Biloxi, Mississippi: For maintenance, nine thousand dollars.

Improving harbors on the coast of Mississippi: The Secretary of War may, in his discretion, construct a dredge for use in said harbors and the channels adjacent thereto, at a cost not exceeding two hundred thousand dollars, of which amount, in case said dredge is constructed, twenty-five thousand dollars shall be taken from the appropriation herein for Gulfport Harbor and fifty thousand dollars from the appropriation for Pascagoula River.

Improving anchorage basin at Gulfport and channel therefrom to the anchorage or roadstead at Ship Island; also Ship Island Pass between Ship and Cat islands, Mississippi: Continuing improvement and for maintenance, one hundred thousand dollars; and the Secretary of War may annul that portion of the contract entered into February twentieth, nineteen hundred and one, between Major W. T. Rossell, Corps of Engineers, United States Army, on behalf of the United States, and Spencer S. Bullis, relating to maintenance of a channel and anchorage basin in Mississippi Sound between Ship Island and Gulfport, Mississippi, and the amount due the said Spencer S. Bullis, or his assigns, for maintenance shall be reckoned from June fourteenth, nineteen hundred and six, to the date of annulment at the rate of ten thousand dollars per annum.

Improving Pascagoula River, Mississippi: Continuing improvement and for maintenance, two hundred thousand dollars.

Improving Pascagoula, Leaf, and Chickasahay rivers, Mississippi: For maintenance, ten thousand dollars.

Improving Pearl River, Mississippi, below Rockport: Continuing improvement and for maintenance, thirty thousand dollars.

Improving Pearl River, Mississippi, between Edinburg and Jackson: For maintenance, three thousand five hundred dollars.

Improving Wolf and Jordan rivers, Mississippi, in accordance with the report submitted in House Document Numbered Nine hundred and seventeen, Fifty-ninth Congress, first session: Completing improvement, thirty thousand dollars.

Improving Homochitto River, Mississippi: For maintenance, four thousand dollars.

Improving Yazoo, Tallahatchie, and Coldwater rivers and Tchula Lake, Mississippi: For maintenance, forty-five thousand dollars.

Improving Tallahatchie River, Mississippi, between Batesville and the mouth of the Coldwater River, in accordance with the report sub-
mitted in House Document Numbered One hundred and forty-seven, Fifty-ninth Congress, first session, four thousand dollars.

Improving Big Sunflower River, Mississippi, in accordance with report submitted in House Document Numbered Six hundred and sixty-seven, Fifty-ninth Congress, first session, and continuing improvement under existing project to the mouth of the Hushpucena River, and for maintenance, one hundred thousand dollars.

Improving South Pass channel of the Mississippi River, Louisiana: For maintenance, fifty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for the improvement and maintenance of said channel to an amount not exceeding fifty thousand dollars, to be expended during the fiscal year closing June thirtieth, nineteen hundred and nine, both of which amounts shall be in addition to and exclusive of the regular annual appropriation of one hundred thousand dollars for that purpose.

Improving South West Pass of the Mississippi River, Louisiana: Continuing improvement, one million dollars: Provided, That a contract or contracts may be entered into by the Secretary of War for such materials and work as be necessary for the completion of said project, to be paid for as appropriations may from time to time be made by law, not exceeding in the aggregate one million five hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving the mouth and passes of Calcassieu River, Louisiana: For maintenance, twenty-five thousand dollars.

The limit of time fixed by an Act making appropriations for the construction, repair, and preservation of certain public works on rivers and harbors, and for other purposes, approved June thirteenth, nineteen hundred and two, for the removal of a temporary dam and the construction of locks in Bayou Lafourche, State of Louisiana, is hereby extended until January first, nineteen hundred and ten.

Improving Bayou Plaquemine, Grand River, and Pigeon Bayou, Louisiana: For construction of a dredge and maintenance, one hundred thousand dollars.

Improving Bayou Teche, Louisiana: With a view to obtaining a six-foot navigation to Arnaudville, in accordance with the report submitted in House Document Numbered Five hundred and twenty-seven, Fifty-ninth Congress, first session, and for maintenance of the existing project, one hundred and thirty thousand dollars: Provided, That this expenditure for a six-foot navigation to Arnaudville shall be contingent upon all lands necessary for lock and dam purposes and canal feeders being deeded to the United States free of cost, and upon the United States being secured against possible claims for damages resulting from the overflow of lands by reason of the lock and dam improvement or from the draining of Spanish Lake.

Improving Inland Waterway Channel from Franklin to Mermentau, Louisiana, in accordance with the report submitted in House Document Numbered Six hundred and forty, Fifty-ninth Congress, second session, eighty-nine thousand two hundred and ninety-two dollars, and the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said project, to be paid for as appropriations may from time to time be made by law, not to exceed two hundred thousand dollars in excess of the amount herein appropriated.

Improving the channel, bay, and passes of Bayou Vermilion and Mermentau River and tributaries, Louisiana: For maintenance, twenty-five thousand dollars.

Improving Bogue Chitto, Chefuncte River, Bogue Falia, Tickfaw River and tributaries, also Amite River, and Bayou Manchac, Louisiana: For maintenance, thirty-four thousand dollars.
Improving Johnsons Bayou, Louisiana: For maintenance, two thousand five hundred dollars.

For the removal of the water hyacinth from the navigable waters in the States of Louisiana and Texas, so far as it is or may become an obstruction to navigation, ten thousand dollars.

Improving the Red River in the States of Louisiana, Arkansas, Texas, and Oklahoma: For continuing improvement and for maintenance, two hundred and fifty thousand dollars, of which amount one hundred thousand dollars may be expended between Fulton, Arkansas, and Denison, Texas.

Improving Bayou Bartholomew, Boeuf River, Tensas River, Bayou Macon, and Bayous D'Arbonne and Corney, Louisiana and Arkansas: For maintenance, seventeen thousand dollars.

Improving Ouachita and Black rivers, Louisiana and Arkansas: Continuing improvement by the construction of Lock and Dam Numbered Two, near Catahoula Shoals, Louisiana, and Lock and Dam Numbered Eight, near Franklin Shoals, Arkansas, in accordance with the plan in House Document Numbered Four hundred and forty-eight, Fifty-seventh Congress, first session, and for maintenance, two hundred thousand seven hundred and eighty dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete the construction of said locks and dams, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate three hundred and sixty thousand eight hundred and twenty-three dollars, exclusive of the amounts herein and heretofore appropriated: Provided further, That the location of said locks and dams may, in the discretion of the Secretary of War, be changed.

Improving Sabine Pass, Texas and Louisiana: Continuing improvement and for maintenance, one hundred and sixty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate two hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving channel connecting Sabine and Neches rivers to Taylors Bayou, Texas. Such portion as may be necessary of any funds heretofore appropriated or authorized for this work, and not required to complete the present adopted project, may, in the discretion of the Secretary of War, be applied to extending the channel at its southern end with a depth of nine feet to a junction with the Port Arthur Ship Canal and to widening the canal in front of Port Arthur.

Improving Galveston Harbor, Texas: Continuing improvement by the extension of the jetties and by dredging, in accordance with the report submitted in House Document Numbered Three hundred and forty, Fifty-ninth Congress, second session, as modified by the report of the Board of Engineers for Rivers and Harbors in its report of January eleventh, nineteen hundred and seven, and for maintenance, three hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for the further prosecution of the work, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate seven hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated: Provided further, That the Secretary of War, in his discretion, may prosecute said improvement by the extension of the existing jetties or by dredging, or by both of said methods.

Improving Galveston channel, Texas: Continuing improvement, including the extension of channel to Fifty-sixth street, two hundred
thousand dollars: *Provided,* That no part of said sum shall be expended until a bond with proper sureties, satisfactory to the Secretary of War, in such amount as he may deem necessary, shall have been furnished, to insure that the city of Galveston will, on or before June thirtieth, nineteen hundred and nine, convey to the United States a good and sufficient title to the point of land known as Pelican Spit and the land adjacent thereto, as described in resolution of the board of commissioners of the city of Galveston, Texas, dated April first, nineteen hundred and five.

Improving channel from Galveston Harbor to Texas City, Texas: For maintenance, sixty thousand dollars.

Improving the mouth of the Brazos River, Texas: Continuing improvement and for maintenance, thirty-five thousand dollars, and the Secretary of War may cause an examination to be made of said project with a view to determining what further improvements, if any, should be made thereon.

Improving harbor at Aransas Pass, Texas: Continuing improvement, in accordance with the plans submitted in its report of December twenty-second, nineteen hundred and six, by the Board of Engineers created by authority of section three of the river and harbor Act of June thirteenth, nineteen hundred and two, two hundred thousand dollars: *Provided,* That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate two hundred and ninety thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving channel to Port Bolivar, Texas, by obtaining a channel one hundred and fifty feet wide and twenty-five deep, with an increased width in front of the wharf, as set out in House Document Numbered Seven hundred and nineteen, Fifty-ninth Congress, first session, fifty thousand dollars.

Improving West Galveston Bay channel, Texas, and mouths of adjacent streams, including Trinity River, Anaheum Channel, Cedar Bayou, Chocolate Bayou, and Bastrop Bayou: Continuing improvement, fifty thousand dollars.

Improving inland waterway on the coast of Texas, to be applied to portions as follows, namely: West Galveston Bay and Brazos River Canal, Texas: Improvement in accordance with the report of the Board of Engineers for Rivers and Harbors, of date December twenty-second, nineteen hundred and six (the estimated cost being one hundred and fifty-one thousand five hundred and twenty-nine dollars); Inland waterway channel from Aransas Pass to Pass Cavallo, including the Guadalupe River to Victoria, Texas: Improvement in accordance with the report submitted in House Document Numbered Three hundred and thirty-six, Fifty-ninth Congress, second session; and the report of the Board of Engineers for Rivers and Harbors, of date December twenty-second, nineteen hundred and six (the estimated cost being one hundred and fifty-eight thousand five hundred and fifty dollars). Turtle Cove Channel, from Aransas Pass to Corpus Christi, Texas: Improvement in accordance with the report submitted in House Document Numbered Three hundred and thirty-eight, Fifty-ninth Congress, second session (the estimated cost being one hundred and twenty-three thousand seven hundred and fifty dollars); for all the above, one hundred and thirty-three thousand eight hundred and twenty-nine dollars: *Provided,* That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete the above projects in accordance with said reports, to be paid for as appropriations may from time to time be made by law, not to exceed in the
aggregate three hundred thousand dollars, exclusive of the amount herein and heretofore appropriated.

Improving Galveston ship channel and Buffalo Bayou, Texas: Continuing improvement to a point at or near the head of Long Reach, in accordance with a modification of the original project as recommended in the report of the Board of Engineers for Rivers and Harbors of date December fifteenth, nineteen hundred and four, two hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said project as modified by said report, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate two hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated: Provided further, That fifty thousand dollars of the said cash appropriation may be expended for the restoration of the channel from the foot of Main street, Houston, to the head of Long Reach.

Improving Brazos River, Texas, from Velasco to Old Washington: Continuing improvement, seventy-five thousand dollars.

Improving Brazos River, Texas, from Old Washington to Waco: For the construction of the lock and dam at Hidalgo Falls, seventy-five thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said lock and dam, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate one hundred and fifty thousand dollars, exclusive of the amount herein appropriated.

Improving Trinity River, Texas: For maintenance, thirty-five thousand dollars: For construction of locks and dams, as hereinafter mentioned, forty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to construct Lock and Dam Numbered Four in section one in accordance with the report submitted in House Document Numbered Four hundred and nine, Fifty-sixth Congress, first session, and also a lock and dam in accordance with said report at Hurricane Shoals, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate the sum of three hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated or authorized.

Improving Cypress Bayou, Texas and Louisiana: For maintenance, ten thousand dollars.

Improving Sulphur River, Texas and Arkansas, in accordance with the report submitted in House Document Numbered Eight hundred and seventy, Fifty-ninth Congress, first session: Completing improvement, thirty-six thousand dollars.

Improving Arkansas River, Arkansas: For maintenance, thirty-five thousand dollars, and the amounts heretofore appropriated to be expended in the vicinity of Red Fork levee or set apart for dredging are hereby made available for the maintenance of this improvement. The Secretary of War may appoint a board to make an examination of said river to Muscogee, Indian Territory, with a view to ascertaining whether any feasible or desirable plan can be devised for the further improvement of the whole of said river to Muscogee or any portion thereof. The said board may, upon the order of the Secretary of War, also make a similar examination of that portion of the Red River which lies between Fulton, Arkansas, and the mouth of the Washita River, Indian Territory, and the expense of such examination shall be apportioned between the funds appropriated for said rivers in such a manner as the Secretary of War may deem equitable, and the said board shall also report upon the Arkansas River at Pine Bluff and the White River at Augusta Narrows, to ascertain and report
whether the protection of the banks or rectification of the river at the points named is directly and necessarily required in the interests of navigation, and in case a report shall be made to the effect that such rectification is so required in the interest of navigation, the sum of one hundred thousand dollars, which is hereby conditionally appropriated, shall be expended for improvements at the places named, or either of them.

Improving White River, Arkansas: Continuing improvement and for maintenance, thirty thousand dollars, of which amount seven thousand five hundred dollars, or so much thereof as may be necessary, may, if directly and necessarily required in the interest of navigation, be used to prevent a cut-off in said river between Choctaw Railway bridge and the town of Devall Bluff, Arkansas.

Improving Upper White River, Arkansas: Completing improvement by the construction of Lock and Dam Numbered Three, seventy-three thousand five hundred dollars.

Improving Cache River, Arkansas: For maintenance, two thousand dollars.

Improving Black and Current rivers, Arkansas: For maintenance, eighteen thousand dollars.

Improving Saint Francis and L'Anguille rivers, Arkansas: For maintenance, twelve thousand dollars.

Improving Obion and Forked Deer rivers, Tennessee: For maintenance, three thousand dollars.

Improving Cumberland River, Tennessee and Kentucky, below Nashville: The Secretary of War may cause a survey to be made with a view to the improvement by locks and dams of that portion of the river heretofore surveyed in which no locks and dams have been constructed.

Improving Cumberland River, Tennessee, above Nashville, in accordance with the report of the Board of Engineers made in House Document Numbered Six hundred and ninety-nine, Fifty-ninth Congress, first session: Continuing improvement of Locks and Dams Numbered Three, Four, Five, Six, and Seven, one hundred and fifty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for the completion of said project as recommended to an amount not exceeding in the aggregate four hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Caney Fork River, Tennessee: For maintenance, three thousand dollars.

Improving Tennessee River, Tennessee, above Chattanooga: Continuing improvement and for maintenance, one hundred and five thousand dollars, of which amount one thousand dollars may, in the discretion of the Secretary of War, be expended for maintenance in the Little Tennessee River.

Improving Tennessee River, Tennessee and Alabama, from Chattanooga, Tennessee, to Rivererton, Alabama: Continuing improvement by open-channel work to secure a depth of five feet at low water, in accordance with the project submitted in House Document Numbered Fifty, Fifty-seventh Congress, first session, two hundred and five thousand dollars. Of which amount fifteen thousand dollars may, if required, be expended in that portion between Hobbs Island and Guntersville.

Improving Tennessee River at Hales bar, Tennessee: Completing improvement, sixty-two thousand nine hundred and seventy dollars.

Improving Tennessee River at Colbert and Bee Tree shoals, Alabama: Continuing improvement, two hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for the completion of said project, to an amount not exceeding two hundred and thirteen thousand dollars.
dollars, exclusive of the amounts herein and heretofore appropriated or authorized. And the Secretary of War may appoint a Board of Engineers whose duty it shall be to examine the present condition of the United States canal and the Tennessee River from the head of Elk River Shoals to the Florence Railway bridge in the State of Alabama, with a view to permitting the improvement of the above-described stretch of said river by private or corporate agency in conjunction with the development of water power by means of not more than three locks and dams; and the said Board may examine any plans presented by such agency and shall report whether the same, if constructed, can, without injury to navigation, or with advantage thereto, be used to develop water power, and what portion, if any, of the expense of the work should be borne by the United States; and such Board shall report its findings not later than the first Monday in December, nineteen hundred and seven, and until such Board shall make its report and action shall be taken thereon by Congress no permits shall be issued under the provisions of the Act approved March sixth, nineteen hundred and six, entitled "An Act to authorize the construction of dams and power stations on the Tennessee River at Muscle Shoals, Alabama."

Improving Tennessee River, Tennessee and Kentucky, below River- ton: Continuing improvement and for maintenance, forty thousand dollars.

Improving French Broad and Little Pigeon rivers, Tennessee: Continuing improvement and for maintenance, two thousand dollars.

Improving Clinch, Hiwassee, and Holston rivers, Tennessee: Completing improvement and for maintenance, fifty-six thousand six hundred and twenty-five dollars.

Kentucky River, Kentucky: Continuing improvement by the construction of Locks and Dams Numbered Twelve and Thirteen, one hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete the work of constructing said locks and dams, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate four hundred and twenty thousand dollars, exclusive of the amounts herein and heretofore appropriated or heretofore authorized.

Improving harbor at Port Clinton, Ohio: For maintenance, three thousand dollars.

Improving harbor at Sandusky, Ohio: Continuing improvement and for maintenance, one hundred and twenty-five thousand dollars: Provided, That there shall be restored to the adopted project, and stored.

Provided, that the rock dredging omitted from the said project in the river and harbor Act approved March third, nineteen hundred and five.

Improving harbor at Huron, Ohio: For maintenance, sixteen thousand dollars.

Improving harbor at Vemilion, Ohio: For maintenance, fifteen thousand dollars.

Improving harbor at Lorain, Ohio, thirty thousand dollars, of which amount not to exceed fifteen thousand dollars may be expended for dredging on the easterly side of Black River from the inner end of the easterly Government pier to East Erie Avenue Bridge.

Improving harbor at Cleveland, Ohio: Continuing improvement and for maintenance, two hundred and twenty-three thousand dollars, of which amount ninety-eight thousand dollars may be expended for wharf room for the storage of material and plant or other Government property, in accordance with the recommendation contained in the report submitted in House Document Numbered Two hundred and seventy, Fifty-ninth Congress, second session: Provided, That no part of said sum of ninety-eight thousand dollars shall be expended for such wharf room unless terms can be made with the Cleveland Yacht
Club in accordance with the recommendations of the Board of Engineers for Rivers and Harbors as set forth in said document: Provided further, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for the prosecution of the project submitted in House Document Numbered One hundred and eighteen, Fifty-sixth Congress, second session, and heretofore adopted, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding nine hundred thousand dollars in addition to the amounts heretofore appropriated or authorized.

Improving harbor at Fairport, Ohio: Continuing improvement and for maintenance, one hundred thousand dollars.

Improving harbor at Ashtabula, Ohio: For maintenance, twenty thousand dollars.

Improving harbor at Conneaut, Ohio: For maintenance, twenty thousand dollars.

Improving Muskingum River, Ohio: Completing improvement by the construction of Lock and Dam Numbered Eleven, forty-eight thousand dollars.

Improving Ohio River: General improvement, four hundred and fifty thousand dollars: Provided, That so much of this amount as may be necessary may, in the discretion of the Secretary of War, be expended in the construction of a dredging plant.

Improving Ohio River, in the State of Pennsylvania, by the lowering of the sill of Lock Numbered Six, so as to give a navigable passageway of nine feet through said lock, seventy thousand dollars.

Improving Lock and Dam Numbered Eight in Ohio River, in the States of Ohio and West Virginia, two hundred and fifty-one thousand eight hundred and forty-five dollars; and the Secretary of War may enter into a contract or contracts for such materials and work as necessary for the completion of said lock and dam, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate five hundred thousand dollars in excess of the amounts herein and heretofore appropriated or heretofore authorized: Provided, That the said lock and dam shall be constructed with a view to a navigable depth of nine feet.

Improving Lock and Dam Numbered Eleven in the States of Ohio and West Virginia, one hundred and ninety-eight thousand three hundred and forty-three dollars; and the Secretary of War may enter into a contract or contracts for such materials and work as necessary for the completion of each of said locks and dams, if desirable, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate four hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated or heretofore authorized: Provided, That the said locks and dams shall be constructed with a view to a navigable depth of nine feet.

Improving Locks and Dams Numbered Thirteen and Eighteen on Ohio River in the States of Ohio and West Virginia: Continuing improvement, one hundred and seventy-four thousand seven hundred and seventy-eight dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for the completion of each of said locks and dams, if desirable, to be paid for as appropriations may from time to time be made by law, to an amount not to exceed in the aggregate four hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated or heretofore authorized: Provided, That the said locks and dams shall be constructed with a view to a navigable depth of nine feet.

Improving Lock and Dam Numbered Twenty-six in the Ohio River, in the States of Ohio and West Virginia, one hundred thousand dollars,
Repeal of amount for Nos. 19 and 26.

Vol. 33, p. 1136.

Proviso. Contracts.

and the provisions of the river and harbor Act approved March third, nineteen hundred and five, appropriating one hundred and thirty-five thousand dollars in the aggregate for Locks and Dams Numbered Nineteen and Twenty-six are hereby repealed, and the said amount is made available for the construction of said Lock and Dam Numbered Twenty-six: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said lock and dam, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate nine hundred and sixty-five thousand dollars, in addition to the amounts herein appropriated or made available: Provided, That said lock and dam shall be constructed with a view to a navigable depth of nine feet.

Improving Lock and Dam Numbered Nineteen in the Ohio River, in the States of Ohio and West Virginia, two hundred thousand dollars.

Improving Lock and Dam Numbered Thirty-seven, in the States of Ohio and Kentucky: The Secretary of War is authorized to enter into a contract or contracts for such materials and work as may be necessary for the completion of said lock and dam, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding one hundred thousand dollars in excess of the amounts herein and heretofore appropriated or heretofore authorized: Provided, That the said lock and dam shall be constructed with a view to a navigable depth of nine feet.

Improving the Ohio River at Louisville, Kentucky: By raising the dam so as to give a minimum depth of nine feet upstream to Madison, Indiana, and a minimum depth of six feet on the lower miter sill at Lock Numbered One, Kentucky River, two hundred and seventy-one thousand dollars.

Improving the Ohio River at Louisville, Kentucky: By the removal of rocks in the channel of said river near to the falls, forty-three thousand dollars.

Improving the great Miami embankment of Ohio River east of Lawrenceburg, Indiana; repairing damage caused by the recent flood of the Ohio River and tributaries, twenty thousand dollars, if such repair shall be directly and necessarily required in the interest of navigation.

Improving harbor at Ontonagon, Michigan: Continuing improvement and for maintenance, five thousand dollars.

Improving harbor at Marquette, Michigan: Continuing improvement and for maintenance, thirty thousand dollars.

Improving harbor at Grand Marais, Michigan: Continuing improvement and for maintenance, twenty-five thousand dollars, to be expended by the Secretary of War upon the present project or any modification thereof.

Improving Menominee Harbor and River, Michigan and Wisconsin; For maintenance, five thousand dollars.

Improving harbor at Saint Joseph and Saint Joseph River, Michigan. For maintenance, sixteen thousand dollars.

Improving harbor at South Haven, Michigan: Continuing improvement and for maintenance, forty thousand dollars; and the Secretary of War is authorized to expend any portion of this sum or of the sums heretofore appropriated upon the work of improvement where dock lines have already been established and suitable bulkheads built, but no portion of this or other appropriations shall be used (except for the maintenance of existing channels) where proper dock lines have not been established and suitable bulkheads built along these lines by the city of South Haven or by the riparian owners and the property lying on the channel side of these dock lines shall have been
Improving Saugatuck Harbor and Kalamazoo River, Michigan: Continuing improvement and for maintenance, seventy-five thousand dollars; and the Secretary of War is authorized to maintain a harbor channel of sufficient depth to allow the free use of the Government dredge Gillespie.

Improving Holland Harbor, Michigan: Completing improvement and for maintenance, one hundred and thirty-eight thousand four hundred and fifty-two dollars.

Improving Grand Haven Harbor, Michigan: Continuing improvement and for maintenance, fifty thousand dollars.

Improving harbor at Muskegon, Michigan: Continuing improvement and for maintenance, seventy-five thousand dollars.

Improving harbor at Pentwater and White Lake, Michigan: For maintenance, twenty thousand dollars; and the Secretary of War is authorized to dredge the channel at Pentwater to the depth of sixteen feet and to dredge the channel at White Lake to sufficient depth to allow the free use of the Government dredge Gillespie.

For maintaining and improving the harbor at Ludington, Michigan, in accordance with the report submitted in House Document Numbered Sixty-two, Fifty-ninth Congress, first session, one hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such material and work as may be necessary to complete said improvement according to the plan proposed in said House document, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate seven hundred and thirty-nine thousand and eighty-seven dollars, exclusive of the amounts herein and heretofore appropriated.

Improving harbor at Manistee, Michigan: For maintenance and improvement in accordance with the report submitted in House Document Numbered Five hundred and eleven, Fifty-ninth Congress, first session, twenty-five thousand dollars.

Improving harbor of refuge at Portage Lake, Manistee County, Michigan: For maintenance, ten thousand dollars.

Improving harbor at Arcadia, Michigan: For maintenance, six thousand dollars.

Improving harbor at Frankfort, Michigan: Continuing improvement and for maintenance, twenty thousand dollars.

Improving harbor at Charlevoix and entrance to Pine Lake, Michigan: Continuing improvement and for maintenance, twenty thousand dollars.

Improving harbor at Petoskey, Michigan: Continuing improvement and for maintenance, seventeen thousand five hundred dollars.

Improving harbor at Cheboygan, Michigan: Completing improvement and for maintenance in accordance with the report submitted in House Document Numbered Five hundred and thirty-seven, Fifty-ninth Congress, first session, fifteen thousand dollars.

Improving Alpena (Thunder Bay River) Harbor, Michigan: For maintenance, four thousand dollars.

Improving harbor of refuge at Harbor Beach, Michigan: Continuing improvement and for maintenance, one hundred and fifty thousand dollars.

Improving Grand River, Michigan: Continuing improvement and for maintenance, eighty-eight thousand dollars. And the Secretary of War may cause an examination of the river to be made by a board of engineer officers with a view to the regulation of the floods in the interest of navigation.

Improving Saginaw River, Michigan: Continuing improvement and for maintenance, seventy-five thousand dollars.
Improving Sebewaing River, Michigan: For maintenance, two thousand dollars.

Improving mouth of Black River, Rouge River, and Monroe Harbor, Michigan: Continuing improvement and for maintenance, twelve thousand dollars, of which amount six thousand five hundred and seventy-five dollars may be expended for the completion and maintenance of the project for Rogue River in accordance with report submitted in House Document Numbered Two hundred and eighty-nine, Fifty-ninth Congress, first session.

Improving Black River at Port Huron, Michigan: Continuing improvement and for maintenance, six thousand dollars.

Improving Clinton River, Michigan: For maintenance, two thousand five hundred dollars.

Improving Detroit River: Continuing improvement and for maintenance, one hundred and fifty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said improvement, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate one hundred and fifty thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Detroit River in accordance with plan "B," as set forth in House Document Numbered Two hundred and sixty-six, Fifty-ninth Congress, second session, two million dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate four million six hundred and seventy thousand nine hundred and fifty dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Saint Marys River at the Falls, Michigan: For the construction of a new lock, with a separate canal, in accordance with plan "Three," set forth in House Document Numbered Three hundred and thirty-three, Fifty-ninth Congress, second session, one million two hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary for the construction of said lock and canal, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate five million dollars, exclusive of the amounts herein and heretofore appropriated or heretofore authorized.

And it is further provided, That the work of improvement shall proceed without delay by reason of conflicting or other claims of title or interests and without prejudice to any pending litigation in reference thereto.

And all lands and waters north of the present Saint Marys Falls ship canal throughout its length, and lying between said ship canal and the international boundary line, needed in connection with the execution of this project, or any project heretofore adopted by Congress, for improving Saint Marys River at the falls, aside from any lands owned by the United States, all of which are hereby made available for said project, shall be acquired in the following manner, and under the following conditions:

The Secretary of War may, in his discretion, enter into negotiations with any persons or corporations claiming title to any portion of the land or waters required for the construction of the said canal, and may acquire title to such portions of such river or lands as may be required for its construction and operation, but any agreement made by him shall be without prejudice to any claim of title by the United States and without the grant of any rights or privileges in said river or lands therein which shall create a right to compensation in case any further portion of said river or said lands therein between the canal
herein provided for and the international boundary line shall be here-
after required for purposes of navigation.

If such lands and waters can not be obtained in the manner and
under the conditions above set forth the same shall be acquired as
follows:

The Secretary of War may cause proceedings in condemnation to be
prosecuted under existing law, or a copy of the said plan numbered
three, on a large scale, shall be prepared and exhibited in the office of
the United States engineer at Sault Sainte Marie, and the Attorney-
General shall proceed to ascertain the owners or claimants of the prem-
ises embraced therein, and shall cause to be published for the space of
thirty days, in one or more daily newspapers in the city of Sault Sainte
Marie, that the same has been taken for the uses mentioned in this
Act, and notifying all claimants to any portion of said premises to file,
within its period of publication, in the Department of Justice, a de-
scription of the tract or parcel claimed and a statement of its value as
estimated by the claimant. On application of the Attorney-General,
the presiding judge of the circuit court of appeals of the United States
for the sixth circuit shall appoint three persons, not in the employ of
the Government or related to or in any manner connected with the
claimants to act as appraisers, whose duty it shall be, upon receiving
from the Attorney-General a description of any tract or parcel, the
ownership of which is claimed separately, to fairly and justly value
the same, and report such valuation to the Attorney-General, who
thereupon shall, upon being satisfied as to the title of the same, cause
to be offered to the owner or owners the amount fixed by the appraisers
as the value thereof; and if the offer be accepted, then, upon the exe-
cution of a deed to the United States in form satisfactory to the
Attorney-General, the Secretary of War shall pay the amount to such
owner or owners from the appropriation made therefor in this Act.

In making the valuation the appraisers shall only consider the
present value of the land or property acquired without reference to
its value for the uses for which it is taken under the provisions of
this Act.

The appraisers shall each receive for their services five dollars for
each day's actual service in making the said appraisements.

Any person or corporation having any estate or interest in the
premises, who shall for any reason not have been tendered payment
therefor as above provided, or who shall decline to accept the amount
tendered therefor, may, at any time within one year from the pub-
lication of notice by the Attorney-General as above provided, file a
petition in the Court of Claims of the United States setting forth his
right or title and the amount claimed by him as damages for the
property taken; and the court shall hear and adjudicate such claims
in the same manner as other claims against the United States are now
by law directed to be heard and adjudicated therein: Provided, That
the court shall make such special rules in respect to such cases as
shall secure their hearing and adjudication with the least possible
delay.

Judgments in favor of such claimants shall be paid as other judg-
ments of said court are now directed to be paid; and any claimant to
whom a tender shall have been made, as hereinbefore authorized, and
who shall decline to accept the same, shall, unless he recover an
amount greater than so tendered, be taxed with the entire cost of the
proceeding. All claims on account of ownership of any interest in
said premises shall, unless petition for the recovery thereof be filed
within one year from the date of the first publication of notice by the
Attorney-General as above directed, be forever barred: Provided,
That owners or claimants laboring under any of the disabilities defined
in the statute of limitations of the State of Michigan may file a
petition at any time within one year from the removal of the disability.

Upon the publication of the notice, as above directed, the Secretary of War may take possession of the premises embraced in said plan numbered three, and proceed with the construction herein authorized; and upon payment being made therefor, or without payment, upon the expiration of the time as above limited, without filing the petition, absolute title to the premises shall vest in the United States, and no permits shall be granted by the Secretary of War or other official of the United States granting the right to occupy any portion of the land or waters of Saint Marys River in the locality for said ship canal herein provided for, or between the same and the international boundary line except upon the express condition, accepted by the grantee therein, to the effect that the erection of structures or the utilization of water power shall create no rights against the United States in case the whole or any part of the said river or the lands therein is required for the purposes of navigation, and further, that such structures or rights so granted shall be surrendered to the United States without cost when so required for purposes of navigation aforesaid, and any and all rights under any permits or licenses heretofore granted shall be deemed to be revoked unless such permits or licenses are reissued upon the terms that further improvements and expenditures shall entitle the licensee to no greater consideration than such licensees are now entitled to, if any; but nothing herein contained shall be held to imply that any right now exists to compensation on account of expenditures made or alleged claims under licenses heretofore granted.

The Secretary of War may acquire lands for the location of remedial or compensating works to the extent required to enable the Michigan-Lake Superior Power Company to comply with the provisions of the river and harbor Act of nineteen hundred and two, but such lands, if so acquired, shall be obtained without expense to the United States.

Improving harbor at Kenosha, Wisconsin: For maintenance and for improving said harbor in accordance with the report submitted in House Document Numbered Sixty-two, Fifty-ninth Congress, first session, twenty-two thousand dollars.

Improving harbor at Racine, Wisconsin: For maintenance and for improving said harbor in accordance with the report submitted in House Document Numbered Sixty-two, Fifty-ninth Congress, first session, fifty thousand dollars.

Improving harbor at Milwaukee, Wisconsin, including harbor of refuge: Continuing improvement and for maintenance, including an extension of one thousand feet to and the repair and rebuilding of the breakwater belonging to the harbor of refuge, and the rebuilding of the south pier of the harbor entrance, two hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete such project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate three hundred and ninety-two thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving harbor at Sheboygan, Wisconsin: For maintenance and for improving said harbor in accordance with the report submitted in House Document Numbered Sixty-two, Fifty-ninth Congress, first session, forty thousand dollars.

Improving harbor at Manitowoc, Wisconsin: For maintenance and for improving said harbor in accordance with the report submitted in House Document Numbered Sixty-two, Fifty-ninth Congress, first session, as modified by the Board of Engineers for Rivers and Harbors, one hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as
FIFTY-NINTH CONGRESS. Sess. II. Ch. 2509. 1907.

may be necessary to complete said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate two hundred and seventy-six thousand dollars, exclusive of the amounts herein or heretofore appropriated; and the unexpended balance of appropriations heretofore made for said harbor is hereby authorized to be expended in said improvement.

Improving harbor at Two Rivers, Wisconsin: For maintenance and for improving said harbor in accordance with plan “A” of the report submitted in House Document Numbered Seven hundred and thirty, Fifty-ninth Congress, first session, as modified so as to provide for the construction of the north stilling basin and the creation of a sixteen-foot channel, ninety thousand dollars: Provided, That no part of said amount shall be expended for the construction of said stilling basin until the title to the land required for said stilling basin shall have been properly and legally conveyed to the United States Government.

Improving harbor at Kewaunee, Wisconsin: For maintenance, five thousand dollars.

Improving harbor at Algoma (Ahnapee), Wisconsin: For maintenance, three thousand dollars.

Improving harbor at Algoma (Ahnapee), Wisconsin, by the construction of an outer harbor with a depth of sixteen feet of water, forty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete such project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate one hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving Sturgeon Bay and Lake Michigan Ship Canal, and harbor of refuge connected therewith; of the amount appropriated for this improvement in the Act approved March third, nineteen hundred and five, twenty thousand dollars, or so much thereof as may be necessary, may be expended by the Secretary of War for the maintenance of said canal and harbor of refuge, including dredging near Hills Point. And the Secretary of War is hereby authorized and directed to complete said improvement by dredging and by widening the canal in the vicinity of the bridge across said canal at the city of Sturgeon Bay.

Improving harbor at Green Bay, Wisconsin: For maintenance, five thousand dollars.

Improving harbor at Ashland, Wisconsin: Continuing improvement and for maintenance, ninety thousand dollars.

Improving harbor at Port Wing, Wisconsin: Continuing improvement and for maintenance, two thousand dollars.

Improving Fox River, Wisconsin: Continuing improvement and for maintenance, including the maintenance of the harbors at Stockbridge, Calumet, and Fond du Lac, on Lake Winnebago, thirty-five thousand dollars, of which amount five thousand dollars, or so much thereof as may be necessary, shall be used for dredging and otherwise improving the harbor at Brothertown, on the east shore of Lake Winnebago, Wisconsin.

Improving Saint Croix River, Minnesota and Wisconsin: For maintenance, four thousand dollars.

Improving harbor at Grand Marais, Minnesota: For maintenance, five thousand dollars.

Improving harbor at Agate Bay, Minnesota: For maintenance, four thousand dollars.

Improving harbor at Duluth, Minnesota, and Superior, Wisconsin: Continuing improvement and for maintenance, including additional dredging near the draw span of the Northern Pacific Railroad bridge, seven hundred and twenty-five thousand dollars, of which amount three hundred thousand dollars shall be expended upon the Superior
Entry, the plan of which the Secretary of War may modify and enlarge in accordance with the report submitted in House Document Numbered Eighty-two, Fifty-ninth Congress, second session, and the Secretary of War may appoint a board to make a reexamination and survey of the Duluth Harbor and entrance thereto with a view to ascertaining the best method for improving the same, either by the extension of the existing piers, the widening of the channel, the construction of one or more breakwaters, and the enlargement of the inner basin in the interests of commerce, and in order to afford a safer entrance to said harbor in times of storm, and better protection to shipping and property within said harbor; also with a view to ascertaining the advisability of constructing a new entrance to the Duluth Harbor basin of a width suitable for the needs of commerce, not exceeding one thousand feet, and the protection of the same by either an outer or inner breakwater, or both, such new entrance to be located southward from the present Duluth entrance and so as to cause the least practicable interference with the waters of the Saint Louis River, together with the probable effect of such entrance upon the property within said harbor.

Improve Minnesota River, Minnesota: For maintenance, two thousand dollars.

Improve Red River of the North, Minnesota and North Dakota: For maintenance, fifteen thousand dollars.

Improve harbor at Michigan City, Indiana: Continuing improvement and for maintenance, sixty thousand dollars.

Improve harbor at Waukegan, Illinois: Continuing improvement and for maintenance, fifty thousand dollars.

Improve Chicago Harbor, Illinois: Continuing improvement and for maintenance, two hundred and fifty thousand dollars.

Improve harbor at Calumet, Illinois: For maintenance, twenty thousand dollars.

Improve Chicago River, Illinois: Continuing improvement and for maintenance, three hundred thousand dollars.

Improve Calumet River, Illinois and Indiana: Completing improvement and for maintenance, one hundred and ninety-one thousand five hundred dollars:

Provided, That the Secretary of War may enter into contracts or contracts for such materials and work as may be necessary to complete said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate one hundred and seventy thousand dollars, exclusive of the amounts herein or heretofore appropriated.

Improve Illinois River, Illinois: Continuing improvement and for maintenance, fifty thousand dollars, of which amount such portion as may be necessary may be expended for snagging and maintenance: Provided, That the annual appropriation for operating snag boats on the upper Mississippi River, made by section seven of the Act of August eleventh, eighteen hundred and eighty-eight, entitled "An Act making appropriations for the construction, repair, and preservation of certain public works on rivers and harbors, and for other purposes," is hereby made available for similar purposes on the Illinois River, from its mouth to Copperas Creek.

Improve Illinois River, Illinois, from Copperas Creek to La Salle, by dredging and other improvement, fifty thousand dollars.

Fox River, Illinois: Permission is hereby given to the Fox River Navigable Water-Way Association to construct a dam across said river at or about fourteen thousand six hundred feet below the highway bridge at McHenry, in McHenry County, Illinois: Providing, however, That the right is hereby reserved to alter, change, amend, or repeal this provision at the pleasure of Congress: And providing further, That nothing contained in this paragraph shall be construed as reliev-
ing the Fox River Navigable Water-Way Association from liability for any damage inflicted upon private property by reason of the construction of the dam as aforesaid.

The permission granted to the Fox River Navigable Water-Way Association under river and harbor Act approved June thirteenth, nineteen hundred and two, to construct a dam across said river in the northwest quarter of section thirty-six, in township forty-five, in range eight, east of the third principal meridian, same being about three thousand feet below the highway bridge at McHenry, in McHenry County, Illinois, is hereby repealed.

The Secretary of War is authorized to permit the Sterling Hydraulic Company, of Sterling, Illinois, to erect, own, and operate a power station in connection with the dam built or to be built by the United States in Rock River at or near Sterling, Illinois, in connection with the construction of the Illinois and Mississippi Canal: Provided, That the location and plans of said power station shall be subject to the approval of the Secretary of War: Provided further, That the navigation of Rock River and of the Illinois and Mississippi Canal and the operation and maintenance of said dam shall be in no way obstructed thereby: And provided further, That prior to the issue of said permit the Sterling Hydraulic Company shall waive any and all claims that it may have against the United States by reason of the construction, operation, and maintenance of the Illinois and Mississippi Canal, except such claims as it may have for the abstraction from Rock River of more than three hundred cubic feet of water per second when the flow of Rock River immediately above is less than one thousand cubic feet of water per second.

Improving Mississippi River, from Head of the Passes to the mouth of the Ohio River, including salaries, clerical, official, traveling, and miscellaneous expenses of the Mississippi River Commission: Continuing improvement, three million dollars, which shall be expended under the direction of the Secretary of War in accordance with the plans, specifications and recommendations of the Mississippi River Commission as approved by the Chief of Engineers for the general improvement of the river, for the building of levees between the Head of the Passes and Cape Girardeau, Missouri, and for surveys, including the survey from the Head of the Passes to the headwaters of the river, in such manner as in their opinion shall best improve navigation and promote the interests of commerce at all stages of the river: Provided, That on and after the passage of this Act the Secretary of War may enter into additional contracts for such materials and work as may be necessary to carry on continuously the plans of the Mississippi River Commission as aforesaid, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate six million dollars, exclusive of the amounts herein and heretofore appropriated: Provided further, That the authorized sum last named shall be used in prosecuting the improvement for not less than three years, beginning July first, nineteen hundred and eight, the work thus done each year to cost approximately two million dollars: And provided further, That the money hereby appropriated and authorized to be expended, in pursuance of contracts or otherwise, or so much thereof as may be necessary, shall be expended in the construction of suitable and necessary dredge boats and other devices and appliances and in the maintenance and operation of the same, with the view of ultimately obtaining and maintaining a navigable channel from Cairo down not less than two hundred and fifty feet in width and nine feet in depth at all periods of the year, except when navigation is closed by ice: And provided further, That the water courses connected with said river, and the harbors upon it, now under the control of the Mississippi River Commission and under improvement, may, in the discretion of said Com-
mission, upon approval by the Chief of Engineers, receive allotments for improvements now under way or hereafter to be undertaken, to be paid for from the amounts herein appropriated or authorized.

Improving the Mississippi River from the mouth of the Ohio River to and including the mouth of the Missouri River: Continuing improvement, two hundred and fifty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute the improvement, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate seven hundred and fifty thousand dollars, exclusive of the amounts herein and heretofore appropriated: Provided further, That the authorized sum last named shall be used in prosecuting the improvement for not less than three years, beginning July first, nineteen hundred and eight, the work thus done each year to cost approximately two hundred and fifty thousand dollars: And provided further, That the sums herein appropriated and authorized shall be expended in the operation and maintenance of the dredging plant already constructed and authorized for the improvement, and in temporary expedients of channel regulation connected with such operation, and in the maintenance and repair of the permanent works already constructed, except that such portion of the authorized annual expenditure as shall not be necessary for the accomplishment of the above-named purposes may be expended in the construction of permanent works of channel regulation.

The Secretary of War may appoint a board of five members, to be composed of three members of the Mississippi River Commission, one of whom shall be the president of such commission, and two engineer officers of the United States Army, to examine the Mississippi River below Saint Louis and report to Congress, at the earliest date by which a thorough examination can be made, upon the practicability and desirability of constructing and maintaining a navigable channel fourteen feet deep and of suitable width from Saint Louis to the mouth of the river, either by the improvement of said river or by a canal or canals for part of said route. In its report the board shall cover the probable cost of such improvement, the probable cost of maintenance, and the present and prospective commerce of said waterway, both local and general, upstream as well as downstream, and the said board may consider in connection with the examination herein provided for, the survey of a proposed waterway from Chicago to Saint Louis, heretofore reported; it shall also report whether other plans of improvement can be devised by which the probable demands of traffic, present and prospective, can be adequately met, and the sum of one hundred and ninety thousand dollars, or so much thereof as may be necessary, is hereby appropriated for the making of such survey, of which amount only one hundred thousand dollars shall be available, unless in presenting a plan for such waterway it shall be necessary, in the judgment of said board, to make a survey for a lateral canal or canals; and the force, plant, and records of the Mississippi River Commission shall be available for the use of said board in making said examination; and said board shall also at the earliest date practicable report upon the following:

First. What depth of channel is it practicable to produce between Saint Louis and Cairo at low water by means of regulation works.

Second. What depth will obtain in such regulated channel at the average stage of water for the year.

Third. For what average number of days annually will fourteen feet of water obtain in such regulated channel.

Fourth. What increase of depth will be obtained over the natural flow of water in such regulated channel by an added volume of ten thousand cubic feet per second; also fourteen thousand cubic feet per second.
FIFTH AND THE BOARD SHALL CONSIDER FURTHER THE PRACTICABILITY OF PRODUCING AT ALL SEASONS OF THE YEAR A DEPTH OF FOURTEEN FEET IN SUCH REGULATED CHANNEL BY THE AID OF LOCKS AND DAMS SIMILAR TO THOSE PROJECTED AND IN USE ON THE OHIO RIVER IMPROVEMENT.

SIXTH. AND THE SAID BOARD SHALL ALSO REPORT UPON ANY WATER POWER WHICH MAY BE CREATED IN THE PORTION HEREIN DIRECTED TO BE SURVEYED, AS WELL AS IN THE PROPOSED WATERWAY FROM SAINT LOUIS TO CHICAGO HERETOFORE SURVEYED, AND THE VALUE THEREOF, AND WHAT MEANS SHOULD BE TAKEN IN ORDER THAT THE GOVERNMENT OF THE UNITED STATES MAY CONSERVE THE SAME OR RECEIVE ADEQUATE COMPENSATION THEREFOR, AND UPON ANY LANDS WHICH MAY BE DRAINED BY THE CONSTRUCTION OF EITHER OF SAID PROPOSED WATERWAYS, AND SHALL ALSO REPORT WHAT STEPS, IF ANY, SHALL BE TAKEN TO CAUSE THE COST OF THE IMPROVEMENT TO BE DEFRAIED, IN WHOLE OR PART, BY MEANS OF SUCH WATER POWER OR LANDS.

COST OF THE IMPROVEMENT TO BE DEFRAIED, IN WHOLE OR PART, BY MEANS OF SUCH WATER POWER OR LANDS.

IMPROVING THE MISSISSIPPI RIVER FROM THE MOUTH OF THE MISSOURI RIVER TO MINNEAPOLIS, MINNESOTA: CONTINUING IMPROVEMENT, FIVE HUNDRED THOUSAND DOLLARS: PROVIDED, THAT THE SECRETARY OF WAR MAY ENTER INTO A CONTRACT OR CONTRACTS FOR SUCH MATERIALS AND WORK AS MAY BE NECESSARY TO PROSECUTE THE SAID IMPROVEMENT, TO BE PAID FOR AS APPROPRIATIONS MAY FROM TIME TO TIME BE MADE BY LAW, NOT TO EXCEED IN THE AGGREGATE ONE MILLION FIVE HUNDRED THOUSAND DOLLARS, EXCLUSIVE OF THE AMOUNTS HEREIN AND HERETOFORE APPROPRIATED: PROVIDED FURTHER, THAT THE AUTHORIZED SUM LAST NAMED SHALL BE USED IN PROSECUTING THE IMPROVEMENT FOR NOT LESS THAN THREE YEARS BEGINNING JULY FIRST, NINETEEN HUNDRED AND EIGHT, THE WORK PROSECUTED EACH YEAR TO COST APPROXIMATELY FIVE HUNDRED THOUSAND DOLLARS; AND THE SECRETARY OF WAR MAY PROSECUTE THIS WORK IN ACCORDANCE WITH THE REPORT SUBMITTED IN HOUSE DOCUMENT NUMBERED THREE HUNDRED AND FORTY-ONE, FIFTY-NINTH CONGRESS, SECOND SESSION, FOR THE PURPOSE OF ULTIMATELY SECURING AND MAINTAINING A DEPTH OF CHANNEL OF SIX FEET: AND PROVIDED FURTHER, THAT OF THE SUMS HEREBIN APPROPRIATED AND AUTHORIZED FOR THIS IMPROVEMENT A PORTION NOT TO EXCEED FIFTY THOUSAND DOLLARS MAY, IN THE DISCRETION OF THE SECRETARY OF WAR, BE EXPENDED ANNUALLY FOR THE FIRST TWO YEARS FOR DREDGING FOR THE BENEFIT OF THROUGH NAVIGATION IN HARBORS AND AT LANDING PLACES, GIVING PREFERENCE TO LOCALITIES IN WHICH THE COMMUNITIES INTERESTED SHALL THEREAFTER MAINTAIN SUCH DREDGING WITHOUT COST TO THE UNITED STATES.

FOR RECONSTRUCTION OF SANDY LAKE RESERVOIR DAM, MINNESOTA, WITHOUT A LOCK FOR STEAMBOATS, SEVENTY-FIVE THOUSAND DOLLARS.

FOR THE CONSTRUCTION OF LOW RESERVOIR DAM AT GULL LAKE, MINNESOTA (PROJECT NUMBERED ONE), AND DITCHES BETWEEN GULL LAKE AND ROUND LAKE, AND BETWEEN ROUND LAKE AND LONG LAKE, MINNESOTA, SEVENTY THOUSAND DOLLARS: PROVIDED, THAT THE LAND REQUIRED FOR THE CONSTRUCTION OF SAID GULL LAKE DAM AND RESERVOIR, TOGETHER WITH ANY FLOWAGE RIGHTS WHICH MAY BE NECESSARY, SHALL BE Ceded TO THE UNITED STATES WITHOUT CHARGE.

IMPROVING OSAGE RIVER, MISSOURI: CONTINUING IMPROVEMENT AND FOR MAINTENANCE, SEVENTY-EIGHT THOUSAND DOLLARS: PROVIDED, THAT THE SECRETARY OF WAR MAY ENTER INTO A CONTRACT OR CONTRACTS FOR SUCH MATERIALS AND WORK, AS ARE NECESSARY FOR THE COMPLETION OF SAID PROJECT, TO BE PAID FOR AS APPROPRIATIONS MAY FROM TIME TO TIME BE MADE BY LAW, NOT TO EXCEED IN THE AGGREGATE ONE HUNDRED AND SIXTY THOUSAND DOLLARS, IN ADDITION TO THE AMOUNTS HEREBIN AND HERETOFORE APPROPRIATED.

IMPROVING GASCONADE RIVER, MISSOURI: CONTINUING IMPROVEMENT AND FOR MAINTENANCE, TEN THOUSAND DOLLARS.

IMPROVING MISSOURI RIVER FROM THE MOUTH TO FORT BENTON: FOR MAINTENANCE, FOUR HUNDRED THOUSAND DOLLARS, OF WHICH AMOUNT ONE HUNDRED AND FIFTY THOUSAND DOLLARS MAY BE EXPENDED BETWEEN THE MOUTH AND KANSAS CITY, ONE HUNDRED AND FIFTY THOUSAND DOLLARS BETWEEN THE
Kansas City and Sioux City, and one hundred thousand dollars between Sioux City and Fort Benton, one-half of which last amount shall be expended north of the forty-sixth parallel: Provided, That these amounts shall be applied in the first instance for the purpose of clearing the river of snags with a view to navigation, and no part of such amount shall be applied for revetment or the protection of banks of the stream unless such revetment or protection is directly and necessarily required for purposes of navigation: Provided further, That so much of the amount as is to be expended north of the forty-sixth parallel may be applied for improving the harbor at Bismarck, North Dakota, on the east side of the river below the Northern Pacific Railroad bridge: Provided, further, also, That the Secretary of War shall, as soon as practicable, cause a survey to be made to determine the necessity of continuing the improvement of the Missouri River at Saint Joseph, Missouri, to prevent a diversion of the waters of said river through Lake Contrary and other contiguous lakes, and to determine the effect of such diversion, with an estimate of the cost of the improvement, and shall also report whether the same is directly and necessarily required in the interest of navigation.

Improving San Diego Harbor, California: For maintenance, twenty thousand dollars.

Improving Wilmington Harbor, California: Completing improvement, one hundred and thirteen thousand dollars.

Improving San Luis Obispo Harbor, California: Continuing improvement, sixty-three thousand six hundred and sixty dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and labor as are necessary to complete the said projects, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate two hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving harbor at Oakland, California: Continuing improvement, sixty-eight thousand two hundred and three dollars: Provided, That the adopted project may be extended as recommended by the Board of Review on Rivers and Harbors in a report dated January eleventh, nineteen hundred and seven, so as to include the following work: Extension of South Jetty, five hundred feet; widening to five hundred feet the channel twenty-five feet deep from San Francisco Bay to Fallon street; deepening to twenty-five feet the channel three hundred feet wide from Fallon street to the tidal basin; deepening to seventeen feet the channel three hundred feet wide around the north side of the tidal basin to the tidal canal, and from the tidal canal along the Alameda shore to Tenth avenue, and any balance remaining of appropriations or authorizations heretofore made for the improvement of the harbor at Oakland, may be applied to the project as so extended: Provided further, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said improvement as herein adopted, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate three hundred thousand dollars, in addition to the amounts herein and heretofore appropriated or authorized for said harbor.

Improving Humboldt Harbor and Bay, California, in accordance with the report submitted in House Document Numbered Two hundred and twenty-eight, Fifty-ninth Congress, first session: Completing improvement, eighty-three thousand dollars.

Improving San Joaquin River, California: For maintenance, thirty thousand dollars.

The Secretary of War is authorized to enter into a contract or contracts for such materials and work as may be required for the completion of the Stockton and Mormon channels, California, to be paid for
as appropriations may from time to time be made by law, to an amount not exceeding fifty-six thousand and seventy-nine dollars, exclusive of the amounts heretofore appropriated or authorized.

Improving Mokelumne River, California: For maintenance, two thousand five hundred dollars.

Improving Sacramento and Feather rivers, California: Continuing improvement and for maintenance, fifty thousand dollars.

Improving Petaluma Creek and Napa River, California, twenty-three thousand two hundred and thirty-nine dollars, of which amount fifteen thousand two hundred and thirty-nine dollars may be expended in completing the improvement of Petaluma Creek in accordance with the report submitted in House Document Numbered Three hundred and eighty-seven, Fifty-ninth Congress, first session.

Improving Tillamook Bay and Bar, Oregon: For maintenance, ten thousand dollars.

Improving Coquille River, Oregon: Continuing improvement and for maintenance, sixty thousand dollars.

Improving Coos River, Oregon: For maintenance, three thousand dollars.

Improving Willamette River above Portland and Yamhill River, Oregon: Continuing improvement and for maintenance, sixty thousand dollars.

Improving the lower Willamette and Columbia rivers below Portland, Oregon: Continuing improvement, to be expended in the construction and operation of a dredge, three hundred thousand dollars.

Improving the mouth of Columbia River, Oregon and Washington: Continuing improvement, seven hundred and fifty thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate one million seven hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving the Columbia River between the foot of The Dalles Rapids and the head of Celilo Falls, Oregon and Washington: Continuing improvement, one hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to prosecute said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate five hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

Improving the Columbia River and tributaries above Celilo Falls to the mouth of Snake River, Oregon and Washington: Continuing improvement, in accordance with the report submitted in House Document Numbered Four hundred and forty, Fifty-ninth Congress, second session, one hundred and twenty thousand dollars; and the Secretary of War is authorized and directed to use any additional moneys that may be placed at his disposal by the States of Oregon or Washington for the improvement of the Columbia River above Celilo Falls and the Snake River in accordance with the said report, and said Secretary is also authorized to use any Government plant available in connection therewith.

Construction of dredge for Oregon and Washington: For the construction of a dredge, to be used in the harbors and coast waters of Oregon and Washington and to be operated and maintained out of funds available for such harbors and coast waters, one hundred thousand dollars.

Improving Upper Columbia and Snake rivers, Oregon, Washington, and Idaho: Continuing improvement and for maintenance, ten thousand dollars, which may be expended in completing the improvement and
for maintenance of the Snake River between Riparia and Lewiston, and between Lewiston and Pittsburg Landing.

Improving Grays Harbor and bar entrance, Washington: Continuing improvement by means of north jetty, in accordance with the report of the Board of Engineers transmitted to the Committee on Rivers and Harbors, under date of December twenty-eighth, nineteen hundred and six, two hundred thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said project, to be paid for as appropriations may from time to time be made by law, not to exceed in the aggregate four hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated.

North jetty.

Provido.

Contracts.

Improving Grays Harbor, inner portion, between Aberdeen and the entrance to said harbor, and Chehalis River, Washington: Continuing improvement in accordance with the project submitted in House Document Numbered Five hundred and seven, Fifty-ninth Congress, first session, with a view to securing a channel two hundred feet wide and eighteen feet deep at mean lower low water, and removing snags from the Chehalis River, one hundred and seventy-seven thousand dollars; and the amount of prior appropriations made for the improvement of the inner portion of Grays Harbor, and now on hand, is hereby made available for this project in addition to said sum, and the Secretary of War is directed to cause a survey and estimate to be made with a view to the improvement of the Chehalis River up to Montesano by the removal of bars.

Inner harbor and
Chehalis River, Wash.

Balances available.

ton.

Survey for canal.

Canal by James A. Moore, modified.

Improving Grays River, Washington: Continuing improvement in accordance with the project submitted in the report of the Board of Engineers to the Committee on Rivers and Harbors, dated October fifteenth, nineteen hundred and six, two thousand five hundred dollars.

Improving the waterway connecting Puget Sound with Lakes Union and Washington, Washington: For maintenance of improvement, ten thousand dollars; and the Secretary of War may make a survey and estimate of cost of said waterway or canal with one lock, with a view to the construction of the same, in conjunction with the county authorities of King County or other agency, of sufficient size to accommodate the largest commercial or naval vessels afloat; or, if deemed more advisable, with a view to the construction of a canal of less dimensions, and to submit dimensions and estimate of cost of same, together with a report upon what portion of said work will be done or contribution to be made by said county or other agency. And the provisions of the Act approved June eleventh, nineteen hundred and six, authorizing James A. Moore, or his assigns, to construct a canal, with suitable timber lock, are hereby so modified as to permit the said James A. Moore, or his assigns, subject to the conditions and stipulations of the Act, to excavate a channel seventy-five feet wide at the bottom and twenty-five feet deep at mean low water from deep water in Puget Sound at the mouth of Salmon Bay to deep water in Lake Washington, in lieu of constructing the canal and timber lock specified in the said Act, the location of the said channel and work of excavation to be subject to the direction of the Secretary of War, and the plans and order of work to be subject to his approval before beginning and when completed and accepted by the Secretary of War, the channel to be and remain a free public waterway of the United States.

Improving Willapa River and Harbor, Washington: Continuing improvement in accordance with the project submitted in House Document Numbered Four hundred and seventy-seven, Fifty-ninth Congress, first session, twenty-five thousand dollars.

Willapa River and
Harbor, Wash.

Improving the Cowlitz and Lewis rivers, including the North Fork of the Lewis River, Washington: Continuing improvement and for maintenance, fifteen thousand dollars.

Cowlitz and Lewis rivers, Wash.
Improving Puget Sound and its tributary waters, Washington: Continuing improvement and for maintenance, seventy-five thousand dollars, of which amount thirty thousand dollars, or so much thereof as may be necessary, may be expended in the removal of rock obstructions at the mouth of Roche Harbor.

Improving Swinomish Slough, Washington: Continuing improvement, seventy-five thousand dollars.

Improving Columbia River, between Wenatchee and Bridgeport, Washington: Continuing improvement in accordance with the report submitted in House Document Numbered Four hundred and forty, Fifty-ninth Congress, second session, forty-two thousand dollars.

Improving the Okanogan and Pend Oreille rivers, Washington: For maintenance of the Okanogan and Pend Oreille rivers and for continuing the improvement the Pend Oreille River by removing bars, twenty thousand dollars.

Improving Saint Michael Canal, Alaska, in accordance with the project submitted in House Document Numbered Three hundred and eighty-nine, Fifty-ninth Congress, second session, ninety-eight thousand dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as may be necessary to complete said project, to be appropriated from time to time as provided by law, not to exceed in the aggregate one hundred and fifty thousand dollars, exclusive of the amount herein appropriated.

That the proviso in the river and harbor Act of March third, nineteen hundred and five, providing for the forfeiture of the rights granted to the Nome Improvement Company to dredge the Snake River and to extend the channel thereof seaward, be, and the same is hereby, amended to read as follows:

"Provided further, That if, after January first, nineteen hundred and nine, the said improvement company shall, at any time during the season of navigation, permit any portion of said channel between the jetties, including that portion of the river improved by it, for three consecutive months, to be of less depth than six feet at mean low tide for a full width of fifty feet, then all rights of said company as herein determined shall cease, and the harbor improvements constructed, including bulkheads, jetties, and rights in reclaimed lands, shall become the property of the United States without recompense to the company."

Improving Honolulu Harbor, Hawaii: Continuing improvement and for maintenance, according to the report submitted in House Document Numbered Three hundred and thirty-two, Fifty-ninth Congress, second session, two hundred thousand dollars: Provided, That a contract or contracts may be entered into by the Secretary of War for such materials and work as may be necessary to prosecute said project, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding in the aggregate two hundred thousand dollars, exclusive of the amounts herein and heretofore appropriated:

Provided further, That modifications in said plan may be made in the discretion of the Secretary of War, and that no part of said appropriation or authorization shall be expended unless the Chief of Engineers, upon further investigation, shall determine that commercial benefits accruing from such expenditure will warrant the same.
Improving the harbor of San Juan, Porto Rico, in accordance with the report submitted in House Document Numbered Nine hundred and fourteen, Fifty-ninth Congress, first session, one hundred and fifty-seven thousand five hundred dollars: Provided, That the Secretary of War may enter into a contract or contracts for such materials and work as are necessary for the prosecution of said project, to be paid for as appropriations may from time to time be made by law, to an amount not exceeding in the aggregate six hundred thousand dollars, in addition to the amount herein appropriated, and in the prosecution of the same may be included the dredging of the entrance channel and areas to the east of the Puntailla de la Marina for passage and anchorage, of three hundred and ninety-eight thousand six hundred square yards to be dredged to a depth of thirty feet, and seventy thousand two hundred square yards to a depth of twenty-four feet.

For emergencies: To provide for the restoration of channels, or river and harbor improvements heretofore established or made by the Government, or herein provided for, where by reason of emergency occurring after the passage of this Act the usual depth of such channels or customary use of such improvement can not be maintained, and there is no sufficient fund available for such restoration, three hundred thousand dollars. The amount herein provided shall be allotted by the Secretary of War: Provided, That in no case shall such allotment be made unless recommended by the local engineer having such channel or improvement in charge, and by the Chief of Engineers, respectively: Provided further, That for no single channel or improvement shall a sum greater than ten thousand dollars be allotted.

The depth of water in tidal waters, as well as in rivers and nontidal channels, whenever referred to in this Act shall be understood to mean the depth at mean low water unless otherwise expressed.

Appropriations made for the respective works herein named, or so much thereof as may be necessary, may, in the discretion of the Secretary of War, be used for maintenance and for the repair and restoration of said works whenever from any cause they have become seriously impaired, as well as for the further improvement of said works.

Surveys and examinations provided for in this section shall, unless otherwise expressed, be paid for from the appropriations made for the respective improvements or projects to which they pertain or in connection with which they are mentioned.

All works of improvement heretofore or herein authorized to be prosecuted or completed under contracts may, in the discretion of the Secretary of War, be carried on by contract or otherwise, as may be most economical or advantageous to the United States.

Where separate works or items are consolidated in this Act and an aggregate amount is appropriated therefor, the amounts herein appropriated shall, unless otherwise expressed, be expended in securing maintenance and improvement according to the respective projects herein or heretofore adopted by Congress, after giving due regard to the respective needs of traffic. The allotments to the respective works herein consolidated shall be made by the Secretary of War upon recommendations by the Chief of Engineers. In case such works or items are consolidated and separate amounts are given with each project, the amounts so named shall be expended upon such separate projects unless in the discretion of the Secretary of War another allotment or division should be made of the same. Any balances now remaining to the credit of the consolidated items in this Act shall be carried to the credit of the respective aggregate amounts appropriated for the consolidated items herein contained.

In all cases where appropriations are made for works in this Act, if money can be more advantageously expended by combining under one contract two or more such works, such combinations are authorized and shall be made.
In all cases in which appropriations or authorizations have heretofore been made, or are herein made, for the completion of river and harbor works, and the amounts appropriated or authorized shall prove insufficient for completion, the Secretary of War may, in his discretion, on the recommendation of the Chief of Engineers, apply such amounts appropriated or authorized for the prosecution of such work.

Sec. 2. For preliminary examinations and surveys (other than those mentioned in section one), contingencies, and for incidental repairs for which there is no special appropriation for rivers and harbors, three hundred and fifty thousand dollars: Provided, That no preliminary examination, survey, project, or estimate for new works other than those designated in this or some prior Act or joint resolution shall be made: Provided further, That after the regular or formal reports made as required by law on any examination, survey, project, or work under way or proposed are submitted no supplemental or additional report or estimate shall be made unless ordered by a concurrent resolution of Congress. The Government shall not be deemed to have entered upon any project for the improvement of any waterway or harbor mentioned in this Act until funds for the commencement of the proposed work shall have been actually appropriated by law: Provided further, That all expenses heretofore and hereafter incurred by the War Department for examinations, reports, inspections, superintendence, or any other action necessary in executing the provisions of the Act of Congress approved June eleventh, nineteen hundred and six, entitled "An Act to empower the Secretary of War, under certain restrictions, to authorize the construction, extension, and maintenance of wharves, piers, and other structures on lands underlying harbor areas and navigable streams and bodies of water in or surrounding Porto Rico and the islands adjacent thereto," shall be payable from funds herein and hereafter appropriated for examinations, surveys, and contingencies of rivers and harbors, the allotments for such expenses to be made by the Chief of Engineers.

Sec. 3. That the Secretary of War is hereby directed to cause preliminary examinations or surveys to be made at the following localities:

**Alabama.**

Choctawhatchee River, to provide depth of three feet up to Newton. The channels connecting Mobile Bay and Mississippi Sound, with a view to obtaining a channel of a depth of ten feet. Alabama and Coosa rivers, between Montgomery and Wetumpka. Coosa River, with a view to locating and constructing Dam Numbered Five. Sipsey River, from its mouth to Fayette.

**Alaska.**

Dry Straits, with a view to securing an alternative channel to Wrangell Narrows. Katalla Bay and adjacent bays, with a view to the establishment of a harbor.

**Arkansas.**

Saline River, from the mouth of same north to Turtle Bar, on said river, with a view of dredging and other work.

**California.**

Islaus River, with a view of obtaining a depth of twenty-six feet from its mouth in San Francisco Bay for a distance of one mile. San Francisco Harbor, with a view to the removal of Mission Bay rocks, Packard rock, Whiting rock, Fifteen foot rock, Invincible rocks,
Noonday rocks, and Anita rock. Also Centissima and Sears rock and two other rocks near Mail Dock in Bonita Channel.
San Joaquin River and its tributary, Stockton Channel, from San Francisco Bay to Stockton.
Sacramento River, from its mouth to Feather River.
Suisun Channel.
Newport Harbor.
Humboldt Harbor, with a view to improving the entrance thereto.
San Diego Harbor, and the entrance thereto.
Wilmington Harbor, with a view to obtaining an increased depth.
San Pedro Breakwaters, with a view to determining whether the same should be extended to the shore.

**Connecticut.**

Branford Harbor.

New Haven Harbor, with a view to determining whether a greater depth is needed, also the rocks in Morris Cove.

New London Harbor, with a view to securing a depth of fifteen feet in Shaws Cove.

A further examination and survey for a harbor of refuge at Duck Island, and in connection therewith for a breakwater at Kelsey's Point, Connecticut.

Connecticut River, with a view to removing obstructions in Eight Mile River and East Branch.

Coscob Harbor, with a view to obtaining a sufficient depth to drawbridge.

**Delaware.**

Smyrna River.

Little River, from the mouth of the same to the town of Little Creek.

To connect by canal, Rehoboth Bay with Delaware Bay at or near Lewes, through Lewes Creek and Gordon Lake.

Saint Jones River, from its mouth to Dover.

**Florida.**

Saint Lucia Inlet.

Saint Josephs Bay.

Wekiwa River.

Wakulla River from the town of Saint Marks to the Gulf, and Saint Marks River.

Estero Bay.

Hillsboro Bay, from turning basin to head of the Estuary in the direction of Ybor.

Crystal River.

Clearwater Harbor and Boca Ceig Bay to Tampa Bay.

Saint Andrews Bay.

Saint Marks River, at the mouth.

Pensacola Bay to quarantine station, with a view to getting twenty-four feet of water.

Saint Johns River from Sanford to Lake Harney.

Caloosahatchee River, from Lake Okeechobee to the Gulf, including Orange River.

Saint Johns River, from Jacksonville to Sanford.

Key West Harbor.

**Georgia.**

Coosa River at Horseleg shoals, with a view to the construction of a lock and dam.

Savannah River, for thirty miles below Augusta.
ILLINOIS.

Calumet River, with a view to obtaining a depth of twenty feet from One hundred and twenty-second street to its forks.

INDIANA.

Harbor at Gary, with a view to determining whether a breakwater is necessary. Indiana Harbor, with a view to determining whether improvement of the harbor is advisable.

LOUISIANA.

Lake Ponchartrain, from West End Spanish Fort and Milneburg to the north and south draws of the New Orleans and Northeastern Railroad, also to Mandeville, the Tangipahoa River, and Pass Manchac, with a view to the removal of obstructions to navigation.

Pass Manchac, between Lake Maurepas and Lake Ponchartrain.

Lake Ponchartrain, west end to mouth of Bayou Saint John and thence to Milneburg.

Sabine River, from its mouth to Belzora and Logansport.

Bayou Plaquemine Brule.

Bayou Terrebonne, with a view to obtaining six feet of water.

Bayou Vermilion to Lafayette, with a view to obtaining six feet of water.

Bayou Courtableau, with a view to obtaining twelve feet of water.

Boyce Landing, on the Red River, with a view to ascertaining whether any improvements are required in the interest of navigation.

MAINE.

East Boothbay, with a view to obtaining eight feet of water.

Rockport Harbor, with a view to removing the beacon and ledge.

Camden Harbor.

Matinicus, with a view to a harbor of refuge.

Tenants Harbor, with a view to obtaining eight feet of water.

South Harpswell, with a view to removing ledge off Potts Point.

Pepperells Cove, with a view to its deepening and the removal of a ledge.

Passage between Peaks Island and Great Diamond Island, between the main channel and Husseys Sound, with a view to obtaining greater depth.

Penobscot Bay, from the southern extremity of Macks Point to the eastern extremity of Cape Jellison, with a view to the establishment of a harbor having a depth of twenty-five feet, or sufficient to meet the demands of commerce.

MARYLAND.

Patuxent River.

Northwest Fork, Nanticote River, from its mouth to Federalsburg, with a view to removing shoals and obtaining a depth of six feet.

Tuckahoe River, with a view to obtaining an increased depth from Waymans Wharf to the town of Hillsboro.

Lower Thoroughfare, at or near Wenona, Deals Island, with a view to deepening the channel and constructing a basin.

Potomac River, with a view to obtaining greater depth to Lower Cedar Point.

MASSACHUSETTS.

Lynn Harbor, with a view to obtaining a turning basin five hundred feet square and fifteen feet deep, straightening the present channel, and making a channel three hundred feet wide and fifteen feet deep from deep water to wharves at head of harbor.
Gloucester Harbor, with a view to removing ledges.
Plymouth Harbor, with a view to the construction of a rubblestone breakwater, extending from Long Beach easterly along the crest of Browns Island.
Merrimac River, with a view to providing by locks and dams a channel fourteen feet deep from the mouth of the river to the railroad bridge at Haverhill.
Mystic River, with a view to the construction of a channel thirty feet deep from the mouth of Island End River to Chelsea Bridge.

**Michigan.**

Channel between Russell Island and Grand Point in the Saint Clair River.
Ontonagon Harbor, with a view to determining whether a change in the course of the Ontonagon River may not aid in maintaining the harbor.
Menominee Harbor, with a view to determining whether a breakwater is necessary.
Keweenaw Canal, with a view to the construction of a harbor of refuge at its eastern entrance.
Munising Harbor.
Au Sable River, with a view to obtaining a depth of ten feet.

**Minnesota.**

Grand Marais Harbor, with a view to rebuilding the piers at the entrance and enlarging basin.
Boise de Sioux River, Lake Traverse, and Big Stone Lake, and the portages between the said lakes and said river, with a view to diverting the flood waters of the Red River of the North into the Minnesota River.
Lake Superior, with a view to locating a harbor or harbors of refuge on the north shore.

**Mississippi.**

Biloxi Harbor, with a view to extending and deepening the channel into the harbor and around the eastern end of the peninsula into the sheltered waters of Back Bay.
East Pearl River, with a view to removing bar and restoring channel at its mouth.
Steeles and Washingtons bayous, and Lake Washington from mouth of Steeles Bayou to Glen Allen.
Roebuck Lake, from its mouth to railroad bridge at Itta Bena.
Bear Creek.
Homochitto River, from its mouth to the Yazoo and Mississippi Valley Railroad.
Big Sunflower River from near Baird to the mouth of the Hushpucena River, with a view to obtaining continuous navigation by locks and dams in the upper section, as designated in the report submitted in House Document Numbered Six hundred and sixty-seven, Fifty-ninth Congress, first session.

**Missouri.**

Osage River, with a view to obtaining three feet depth from its mouth to mouth of Niangua River.
Gasconade River, with a view to obtaining three feet depth from its mouth to Gascondy.
Missouri River from its mouth to Kansas City, and from Kansas City to Sioux City: Provided, That the Secretary of War may, in his discretion, cause to be made only such further general instrumental survey as may be deemed necessary.

NEW HAMPSHIRE.

Isles of Shoals, with a view to the construction of a breakwater.

NEW JERSEY.

Toms River, with a view to obtaining five feet of water on shoals near village of Toms River.
Forked River, from its mouth to the town of Forked River, with a view to obtaining a depth of five feet.
Rahway River.
Old Mans Creek.
Arthur Kill, westerly side of Buckwheat Island, with a view to deepening the channel.

NEW YORK.

The waters of Jamaica Bay, including entrance to said bay at Rockaway Inlet and those waters having their outlet in Dead Horse Inlet, with a view to framing a plan for their improvement and recommending the order of such improvement with the cost thereof, and to recommend the proportion of such cost to be borne by the city of New York; and the Secretary of War is hereby requested to confer and cooperate with the commissioner of docks and ferries of the city of New York, or with any other duly authorized agents, officers, or representatives of the city of New York, and with any commission of engineers appointed, or who shall hereafter be appointed, to survey or examine said bay and to recommend to the city of New York, plans for the improvement of said Jamaica Bay or the lands in and about said bay.
Port Chester Harbor, with a view to obtaining a depth of fifteen feet with corresponding width.
Echo Bay, with a view to obtaining a depth of twelve feet.
Dunkirk Harbor.
East Chester Creek, with a view to obtaining a depth of twelve feet.
Jamaica Bay, with a view to obtaining a channel one hundred feet wide and six feet deep to and through Great South Bay to Peconic Bay, including channels to Parsonage and Sumpawams rivers and Freeport and Massapequa creeks.
Channel between Three Mile Harbor and Gardiners Bay.
Channel from Peters Neck Point through Long Beach Bay to Horn River.
Hempstead Harbor, with a view to obtaining a depth of six feet.
East River, between North Brother and South Brother Islands, with a view to obtaining depths of twenty, twenty-two, and twenty-four feet.
Hudson River: Shoal off Stuyvesant Harbor.
Ogdensburg Harbor, with a view to obtaining depth of nineteen feet in the four existing channels and the excavation of the bar between the two entrance channels in the lower harbor.
Niagara River from Tonawanda to Gill Creek.
Hudson River, with a view to obtaining a depth of twelve feet from the channel to Upper Nyack and the contiguous towns of Nyack, South Nyack, Grand View, and Piermont, through the pier to the mouth of Sparkill River, and east to the main channel.
Neversink River, with a view to the removal of bars and other obstructions at and near its mouth.

Minisceongo River, with a view to obtaining a depth of seven feet.

**North Carolina.**

Trent River, with a view to obtaining eight feet of water from Newbern to Trenton.

New River, with a view to obtaining a depth of five feet from its mouth to Jacksonsville.

White Oak River, with a view to obtaining five feet from its mouth to Maysville.

Little River, with a view to removing bar at its mouth.

Shallow Bag Bay, with a view to obtaining a depth of eight feet at its mouth.

South River, with a view to obtaining six, seven, and eight feet, respectively, from its mouth to Aurora.

Beaufort Harbor, with a view to a channel depth of twenty-five feet across the bar.

Waterway connecting Swan Quarter Bay with Deep Bay, with a view to obtaining a depth of six, seven, and eight feet, respectively.

**North Dakota.**

Red River of the North, with a view to straightening and deepening the channel.

**Ohio.**

Harbor at Rocky River, with a view to repairing existing structures and extension of the harbor.

Lorain Harbor: That portion of Black River from the inner end of the Government piers to East Erie Avenue Bridge.

Maumee River, from deep water in Lake Erie to the Fassett Street Bridge, Toledo, with a view to obtaining greater depth and an increased width of approximately one hundred feet.

**Oregon.**

Coos Bay and bar entrance.

Coquille River, with a view to the removal of shoals and rocks at its mouth.

Tillamook Bay and bar up to Tillamook City.

**Pennsylvania.**

Erie Harbor, with a view to obtaining a depth of twenty-two feet and protecting Presque Isle peninsula.

Youghiogheny River to Connellsville.

**Rhode Island.**

Wickford Harbor, with a view to obtaining a depth of fifteen feet and for the removal of a ledge known as General Rock.

Harbor of refuge, Block Island, with a view to securing a greater navigable depth and a larger anchorage area.

Providence River, with a view to extending the deep water area to Kettle Point.

**South Carolina.**

Congaree River, from the present head of navigation to the mouth of Broad River, and Broad River from its mouth to Ninety-nine Island Shoals.
North Fork, Edisto River, from its mouth to Orangeburg, with a view to obtaining three feet of water.
Saluda River, between Columbia and Hollow Creek.
South Fork, Edisto River, from its mouth to Scotts Bridge.
Shem River.
Shipyard River.
Great Pee Dee River, from Georgetown to Pee Dee Station.

TENNESSEE.
Duck River, from its mouth to Centerville.
Forked Deer River, survey of its south fork.
Hatchie River, to town of Brownsville.
Elk River, from its mouth up to Fayetteville.
Beech River.
Big Sandy River.
Richland Creek.

TEXAS.
Neches River.
A channel from Palacios to Matagorda Bay.
Arroyo Colorado, with a view to obtaining a channel eight feet or less in depth from Harlingen to deep water at Point Isabel.
Caddo Lake, with a view to determining advisability of constructing a dam at the foot of said lake on the waterway connecting Jefferson, Texas, with Shreveport, Louisiana.
Pass Cavallo to Port O'Connor, with a view to establishing a harbor.
Colorado River, with a view to obtaining a navigable channel from its mouth as far up as practicable.
Texas City channel, with a view to obtaining a channel two hundred feet wide and twenty-six feet deep.
A channel from Pass Cavallo to Port Lavaca.

VERMONT.
Lake Champlain, to improve navigation in connection with the breakwater at Burlington, the channel known as "The Gut" between Tromps Point, South Hero Island and Bow Arrow Point, and the harbor at Saint Albans.

VIRGINIA.
Big Sandy River, with a view to improving its headwaters, including Pound River and Russell Fork.
Potomac River below Washington, with a view to obtaining a width of channel of four hundred feet.
Aquia Creek from Coals Landing to Wharton Landing.
Potomac River, at Alexandria, with a view to the removal of a bar recently formed.
Potomac River, with a view to obtaining a channel to wharf at Mount Vernon.
Queens Creek, with a view to obtaining a channel from its mouth to Capital Landing Bridge.
Onancock River, with a view to deepening and straightening channel for distance of five miles between Chesapeake Bay and Onancock.
Horn Harbor, with a view to removing sand bar at its mouth.
Totuskey River, with a view to removing bar about midway of its length.
Cat River, with a view to obtaining deeper channel.
Pagan River, with a view to straightening and deepening channel.
Cowlitz River, up to Castle Rock.
Puyallup River, with a view to straightening channel and securing suitable depth to city of Puyallup.
Skagit River, to Sedro-Woolley.
Blaine Harbor.
Bellingham Harbor.
Snohomish River, from the mouth to Lowell.
For a ship canal connecting the waters of Puget Sound with Grays Harbor.

Guyandot River.
Deckers Creek, West Virginia, with a view to securing for a distance of two thousand feet up from its mouth a channel and harbor with the same depth of water as in the Monongahela River where saidDeckers Creek empties into said river.
Cheat River, for a distance of twenty-five miles up from its mouth.

Algoma (Ahnapee), with a view to the construction of an outer harbor and obtaining a channel sixteen feet in depth. Kewaunee, with a view to obtaining depths of eighteen and twenty feet, respectively.

In all cases, unless a survey or estimate is herein expressly directed, a preliminary examination shall first be made, which shall embrace information concerning the commercial importance, present and prospective, of the river or harbor mentioned and a report as to the advisability of its improvement. Whenever such preliminary examination has been made, in case such improvement is not deemed advisable, no surveys thereof or estimates therefor shall be made without the direction of Congress; but in case the report shall be to the effect that such river or harbor is worthy of improvement, or that a survey and estimate should be made to determine the advisability of improvement, the Secretary of War is hereby authorized, at his discretion, to cause surveys to be made and the cost of improvement of such river or harbor to be estimated and reported to Congress: Provided, That in all cases reports of preliminary examinations, as well as of surveys, ordered in any section of this Act, shall be examined and reviewed by the board provided for in section three of the river and harbor Act of June thirteenth, nineteen hundred and two; and the said board shall also, on request by resolution of the Committee on Commerce of the Senate or the Committee on Rivers and Harbors of the House of Representatives, examine and review the report of any examination or survey made pursuant to any Act or resolution of Congress, and report thereon through the Chief of Engineers, United States Army: Provided further, That in no case shall the board, in its report thus called for by committee resolution, extend the scope of the project contemplated in the original report upon which its examination and review has been requested, or in the provision of law authorizing the original examination or survey.

All surveys and examinations provided for by this Act, and the reports thereon, shall either be completed on or before the first Monday in November, nineteen hundred and eight, or else a preliminary report be made in which the reasons for delay shall be stated: Provided, That all reports of preliminary examinations and surveys which may be prepared during the recess of Congress, and be ready for printing, shall, in the discretion of the Secretary of War, be printed by the Public Printer as documents of the following session of Congress.
Sec. 4. That the compilation of laws of the United States relating to the improvement of rivers and harbors authorized by section thirteen of the river and harbor Act of June thirteenth, nineteen hundred and two, and joint resolution of Congress approved February first, nineteen hundred and five, shall be extended to include all such laws enacted up to the close of the second session of the Fifty-ninth Congress; and three thousand copies of this compilation shall be printed under the direction of the Secretary of War, of which six hundred copies shall be for the use of the Senate, one thousand four hundred copies for the use of the House, and one thousand copies for the use of the office of the Chief of Engineers, United States Army.

Sec. 5. That section four of the Act of Congress approved April twenty-eighth, nineteen hundred and four, entitled “An Act providing for the restoration or maintenance of channels or of river and harbor improvements, and for other purposes,” be, and the same is hereby, repealed.

Whenever it shall become, in the opinion of the Secretary of War, necessary or desirable to hire a dredging plant or plants for the performance of any of the public work carried on under his direction the said Secretary may, in his discretion, agree for the same, either in the manner now customary or on the basis of an equitable reimbursement for deterioration of plant when in use by the Government, and a reasonable percentage of the total cost of the work.

Sec. 6. That the Secretary of War may approve a change of plans or of location of any bridge over the North or Hudson River at New York City which has heretofore been approved by the Secretary of War under any Act of Congress, upon application to him by the parties authorized to erect such structure, their successors or assigns, provided that such changed location shall not be over any anchorage ground and shall be within the original authorization for such structure, and shall not be deemed by the Secretary of War to be detrimental to navigation or to the public interest after public hearings held thereon, and the structure whose changed plans or location is so approved shall be a lawful structure.

Sec. 7. That those members of the International Waterways Commission created in accordance with section four of the river and harbor Act of June thirteenth, nineteen hundred and two, who represent the United States, shall have power to rent such room or rooms in Washington as may be necessary for the performance of the duties entrusted to them.

Approved, March 2, 1907.

CHAP. 2510.—An Act Making appropriations to provide for the expenses of the government of the District of Columbia for the fiscal year ending June thirtieth, nineteen hundred and eight, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the half of the following sums named, respectively, is hereby appropriated, out of any money in the Treasury not otherwise appropriated, and the other half out of the revenues of the District of Columbia, in full for the purposes following, being for the expenses of the government of the District of Columbia for the fiscal year ending June thirtieth, nineteen hundred and eight, namely:

GENERAL EXPENSES.

FOR EXECUTIVE OFFICE: For two Commissioners, at five thousand dollars each; Engineer Commissioner, nine hundred and twenty-four dollars (to make salary five thousand dollars); secretary, two thousand dollars, for executive office.
