Proviso.
Beginning of residence.

Extension permitted.

they have since complied with the law in all respects, as would have been required of the entryman had he lived, excepting that they are relieved from any requirement of residence upon the land: *Provided further*, That the entryman shall, in order to comply with the requirements of cultivation herein provided for, cultivate not less than one-sixteenth of the area of his entry, beginning with the second year of the entry, and not less than one-eighth, beginning with the third year of the entry, and until final proof, except that in the case of entries under section six of the enlarged-homestead law double the area of cultivation herein provided shall be required, but the Secretary of the Interior may, upon a satisfactory showing, under rules and regulations prescribed by him, reduce the required area of cultivation: *Provided*, That the above provision as to cultivation shall not apply to entries under the Act of April twenty-eighth, nineteen hundred and four, commonly known as the Kinkaid Act, or entries under the Act of June seventeenth, nineteen hundred and two, commonly known as the reclamation Act, and that the provisions of this section relative to the homestead period shall apply to all unperfected entries as well as entries hereafter made upon which residence is required: *Provided*, That the Secretary of the Interior shall, within sixty days after the passage of this Act, send a copy of the same to each homestead entryman of record who may be affected thereby, by ordinary mail to his last known address, and any such entryman may, by giving notice within one hundred and twenty days after the passage of this Act, by registered letter to the register and receiver of the local land office, elect to make proof upon his entry under the law under which the same was made without regard to the provisions of this Act."

"SEC. 2297. If, at any time after the filing of the affidavit as required in section twenty-two hundred and ninety and before the expiration of the three years mentioned in section twenty-two hundred and ninety-one, it is proved, after due notice to the settler, to the satisfaction of the register of the land office that the person having filed such affidavit has failed to establish residence within six months after the date of entry, or abandoned the land for more than six months at any time, then and in that event the land so entered shall revert to the Government: *Provided*, That the three years' period of residence herein fixed shall date from the time of establishing actual permanent residence upon the land: *And provided further*, That where there may be climatic reasons, sickness, or other unavoidable cause, the Commissioner of the General Land Office may, in his discretion, allow the settler twelve months from the date of filing in which to commence his residence on said land under such rules and regulations as he may prescribe."

Approved, June 6, 1912.

CHAP. 154.—An Act To permit the American Academy in Rome to enlarge its purposes, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the American Academy in Rome incorporated by the Act of Congress approved March third, nineteen hundred and five, may by a resolution of its board of trustees enlarge its purposes so as to include the study and investigation of the archaeology, literature, and history of the classical and later periods; and that the said corporation may take and hold real and personal property to an amount not exceeding three million dollars.

Approved, June 6, 1912.

ments, and the machinery necessary for their manufacture at the arsenals, three hundred thousand dollars: *Provided*, That no part of this appropriation shall be expended for the purchase of any mountain, field, or siege cannon, including their carriages, from any person, firm, or corporation which has not at the time of commencement of said work established an eight-hour workday for all employees, laborers, and mechanics engaged or to be engaged in the work of construction of the cannon named herein: *Provided*, That the Chief of Ordnance, United States Army, is hereby authorized to enter into contracts or otherwise incur obligations for the purposes above mentioned not to exceed three hundred thousand dollars, in addition to the appropriations herein and heretofore made.

Proviso.
Eight-hour work-day requirement.

Additional contracts authorized.

Ammunition.

For the purchase, manufacture, and test of ammunition for mountain, field, and siege cannon, including the necessary experiments in connection therewith and the machinery necessary for its manufacture at the arsenals, six hundred thousand dollars: *Provided*, That, except in time of war or when in the judgment of the President war is imminent, no part of this or of any other sum in this Act for ammunition shall be expended for the purchase of any ammunition from any person, firm, or corporation which has not at the time of commencement of said work established an eight-hour workday for all employees, laborers, and mechanics engaged or to be engaged in the work of manufacturing the ammunition named herein.

Proviso.
Eight-hour work-day requirement.

Ammunition for seacoast cannon.

For the purchase, manufacture, and test of ammunition for seacoast cannon, including the necessary experiments in connection therewith, and the machinery necessary for its manufacture at the arsenals, one hundred and forty thousand dollars.

Ammunition for seacoast artillery practice.

For the purchase, manufacture, and test of ammunition, subcaliber guns, and other accessories for seacoast artillery practice, including the machinery necessary for their manufacture at the arsenals, four hundred and twenty-five thousand dollars.

Altering mobile artillery, etc.

For the alteration and maintenance of the mobile artillery, including the purchase and manufacture of machinery, tools, and materials necessary for the work and the expenses of the mechanics engaged thereon, forty-five thousand dollars.

Ammunition for field, etc., artillery practice.

For the purchase, manufacture, and test of ammunition, subcaliber guns, and other accessories for mountain, field, and siege artillery practice, including the machinery necessary for their manufacture at the arsenals, one hundred and thirty thousand dollars.

Altering to rapid-fire batteries, etc.

For the alteration of three and two-tenths inch batteries to rapid-fire field batteries, including sights, implements, equipments, and the materials and machinery necessary for alteration and manufacture at the arsenals, seventy-five thousand dollars.

Altering, etc., seacoast artillery.

For the alteration and maintenance of Seacoast Artillery, including the purchase and manufacture of machinery, tools, materials necessary for the work, and expenses of civilian mechanics and extra-duty pay of enlisted men engaged thereon, three hundred thousand dollars.

Sandy Hook proving ground.

PROVING GROUND, SANDY HOOK, NEW JERSEY.

Expenses, etc.

For current expenses of the ordnance proving ground, Sandy Hook, New Jersey, comprising the maintenance of rail and water transportation, repairs, alterations, accessories, and service of employees incidental to testing and proving ordnance material, hire of assistants for the Ordnance Board, purchase of instruments and articles required for testing and experimental work, building and repairing butts and targets, clearing and grading ranges, fifty-six thousand two hundred dollars.

Temporary employment.

For the necessary expenses of officers while temporarily employed on ordnance duties at the proving ground and absent from their proper station, at the rate of two dollars and fifty cents per diem while so

Per diem, etc.

employed, and the compensation of draftsmen while employed in the Army Ordnance Bureau on ordnance construction, eighteen thousand seven hundred dollars.

Submarine mines.

SUBMARINE MINES.

Purchase, etc.

For the purchase of submarine mines and necessary appliances to operate them for closing the channels leading to our principal seaports, and continuing torpedo experiments; for the purchase of the necessary machinery, tools, and implements for the repair shop of the torpedo depot at Fort Totten, New York, and for extra-duty pay to soldiers necessarily employed for periods not less than ten days on work in connection with the issue, receipt, and care of submarine mining material at the torpedo depot, fifty-eight thousand dollars.

Fort Totten, N. Y.
Torpedo depot.

Insular possessions.
