application for a patent, together with the required affidavit, and upon payment to the receiver of the purchase price of \$5 per acre, fees, and commissions, and in addition thereto an amount equal to the drainage charges, penalties, interest, and costs for which the lands were sold, and if the lands were bid in for the drainage district, an additional amount equal to 6 per centum per annum on the sum for which the lands were sold from the date of such sale, said applicant shall become subrogated to the rights of such purchaser and shall be entitled to receive a patent for not more than one hundred and sixty acres of said lands. When payment is made to effect subrogation as herein provided the register and receiver of the United States land office shall serve notice upon the purchaser that an application for patent for the lands purchased by him has been filed, and that the amount of the drainage charges, penalties, interests, and costs of the sale will be paid to him upon submission of proof of purchase and payment by him of said sums. The receiver shall make such payment as soon as said requirement shall have been fulfilled. If the lands were bid in for a drainage district, the receiver will pay to the proper county officers the amount of the drainage charges, penalties, and interests and costs of sale, together with the additional sum of 6 per centum per annum, to which said drainage district is entitled. All remaining moneys to which the United States may be entitled shall be covered into the United States Treasury and applied as provided by law for the disposal of the proceeds from the sale of public lands.
