SEC. 3. That there is hereby established an ex officio board, to be

tor of the Bureau of the Budget or an alternate from that Bureau
designated by the Director, a member of the Civil Service Commis-
sion or an alternate from that commission designated by the com-
mission, and the Chief of the United States Bureau of Efficiency
or an alternate from that bureau designated by the chief of the
bureau. The Director of the Bureau of the Budget or his alternate
shall be chairman of the board.

Subject to the approval of the President, the heads of the depart-
ments shall detail to the board, at its request, for temporary service
under its direction, officers or employees possessed of special knowl-

tion of positions. The Civil Service Commission, the Bureau of the
Budget, and the Bureau of Efficiency shall render the board
such cooperation and assistance as the board may require for the
performance of its duties under this Act.

The board shall make all necessary rules and regulations not
inconsistent with the provisions of this Act and provide such sub-
divisions of the grades contained in section 13 hereof and such titles
and definitions as it may deem necessary according to the kind and
difficulty of the work. Its regulations shall provide for ascertaining
and recording the duties of positions and the qualifications required
of incumbents, and it shall prepare and publish an adequate state-
ment giving (1) the duties and responsibilities involved in the classes
to be established within the several grades, illustrated where neces-
sary by examples of typical tasks, (2) the minimum qualifications
required for the satisfactory performance of such duties and tasks,
and (3) the titles given to said classes. In performing the foregoing
duties, the board shall follow as nearly as practicable the classifica-
tion made pursuant to the Executive order of October 24, 1921. The
board may from time to time designate additional classes within the
several grades and may combine, divide, alter, or abolish existing
classes. Department heads shall promptly report the duties and re-
sponsibilities of new positions to the board. The board shall make
necessary adjustments in compensation for positions carrying main-
tenance and for positions requiring only part-time service.

SEC. 4. That after consultation with the board, and in accordance
with a uniform procedure prescribed by it, the head of each de-
partment shall allocate all positions in his department in the District
of Columbia to their appropriate grades in the compensation sched-
ules and shall fix the rate of compensation of each employee there-
under, in accordance with the rules prescribed in section 6 herein.
Such allocations shall be reviewed and may be revised by the board
and shall become final upon their approval by said board. Whene-
ever an existing position or a position hereafter created by law shall

several services described in the compensation schedules, the board
shall adopt for such position the range of compensation prescribed
for a grade, or a class thereof, comparable therewith as to quali-
fications and duties.

In determining the rate of compensation which an employee shall
receive, the principle of equal compensation for equal work ir-
respective of sex shall be followed.

SEC. 5. That the compensation schedules shall apply only to
civilian employees in the departments within the District of Co-
lumbia and shall not apply to employees in positions the duties
of which are to perform or assist in apprentice, helper, or journey-

custodian of a public building or perform work which is subordinate, incidental, or preparatory to work of a professional, scientific, or technical character. The board shall make a survey of the field services and shall report to Congress at its first regular session following the passage of this Act schedules of positions, grades, and salaries for such services, which shall follow the principles and rules of the compensation schedules herein contained in so far as these are applicable to the field services. This report shall include a list prepared by the head of each department, after consultation with the board and in accordance with a uniform procedure prescribed by it, allocating all field positions in his department to their approximate grades in said schedules and fixing the proposed rate of compensation of each employee thereunder in accordance with the rules prescribed in section 6 herein.

Sec. 6. That in determining the compensation to be established initially for the several employees the following rules shall govern:

1. In computing the existing compensation of an employee, any bonus which the employee receives shall be included.

2. If the employee is receiving compensation less than the minimum rate of the grade or class thereof in which his duties fall, the compensation shall be increased to that minimum rate.

3. If the employee is receiving compensation within the range of salary prescribed for the appropriate grade at one of the rates fixed therein, no change shall be made in the existing compensation.

4. If the employee is receiving compensation within the range of salary prescribed for the appropriate grade, but not at one of the rates fixed therein, the compensation shall be increased to the next higher rate.

5. If the employee is not a veteran of the Civil War, or a widow of such veteran, and is receiving compensation in excess of the range of salary prescribed for the appropriate grade, the compensation shall be reduced to the rate within the grade nearest the present compensation.

6. All new appointments shall be made at the minimum rate of the appropriate grade or class thereof.

Sec. 7. Increases in compensation shall be allowed upon the attainment and maintenance of the appropriate efficiency ratings, to the next higher rate within the salary range of the grade: Provided, however, That in no case shall the compensation of any employee be increased unless Congress has appropriated money from which the increase may lawfully be paid, nor shall the rate for any employee be increased beyond the maximum rate for the grade to which his position is allocated. Nothing herein contained shall be construed to prevent the promotion of an employee from one class to a vacant position in a higher class at any time in accordance with civil service rules, and when so promoted the employee shall receive compensation according to the schedule established for the class to which he is promoted.

Sec. 8. That nothing in this Act shall modify or repeal any existing preference in appointment or reduction in the service of honorably discharged soldiers, sailors, or marines under any existing law or any Executive order now in force.

Sec. 9. That the board shall review and may revise uniform systems of efficiency rating established or to be established for the various grades or classes thereof, which shall set forth the degree of efficiency which shall constitute ground for (a) increase in the rate of compensation for employees who have not attained the maximum rate of the class to which their positions are allocated, (b) continuance at the existing rate of compensation without increase or decrease,
(c) decrease in the rate of compensation for employees who at the
time are above the minimum rate for the class to which their posi-
tions are allocated, and (d) dismissal.

The head of each department shall rate in accordance with such
systems the efficiency of each employee under his control or direction.
The current ratings for each grade or class thereof shall be open
to inspection by the representatives of the board and by the
employees of the department under conditions to be determined by
the board after consultation with the department heads.

Reductions in compensation and dismissals for inefficiency shall
be made by heads of departments in all cases whenever the efficiency
ratings warrant, as provided herein, subject to the approval of the
board.

The board may require that one copy of such current ratings shall
be transmitted to and kept on file with the board.

Sec. 10. That, subject to such rules and regulations as the Presi-
dent may from time to time prescribe, and regardless of the depart-
ment or independent establishment in which the position is located,
an employee may be transferred from a position in one grade to a
vacant position within the same grade at the same rate of compens-
sion, or promoted to a vacant position in a higher grade at a higher
rate of compensation, in accordance with civil service rules, any pro-
vision of existing statutes to the contrary notwithstanding: Pro-
vided, That nothing herein shall be construed to authorize or permit
the transfer of an employee of the United States to a position under
the municipal government of the District of Columbia, or an em-
ployee of the municipal government of the District of Columbia to a
position under the United States.

Sec. 11. That nothing contained in this Act shall be construed to make permanent any temporary appointments under existing law.

Sec. 12. That it shall be the duty of the board to make a study of the rates of compensation provided in this Act for the various services and grades with a view to any readjustment deemed by said board to be just and reasonable. Said board shall,
after such study and at such subsequent times as it may deem neces-
sary, report its conclusions to Congress with any recommendations it may deem advisable.
