Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That there is hereby authorized to be appropriated, out of any moneys in the Treasury not otherwise appropriated, the sum of \$100,000 for the fiscal year ending June 30, 1927, and a similar amount for each succeeding fiscal year for four years, to be expended as may be mutually agreed upon by the Secretary of the Interior and the Secretary of Commerce for the purpose of determining the location, extent, and mode of occurrence of potash deposits in the United States and conducting the necessary laboratory tests incident thereto.

SEC. 2. The Secretary of the Interior and the Secretary of Commerce jointly are hereby authorized, within their discretion, to cooperate under formal agreement with individuals, associations, corporations, States, municipalities, educational institutions, or other bodies, for the purposes of this Act: *Provided,* That before undertaking drilling operations upon any tract or tracts of land the Secretary of the Interior and the Secretary of Commerce jointly, shall enter into a contract or contracts with the owners or lessees, or both, of the mineral rights therein, which contract shall provide, among other things, that not more than the actual cost of the exploration shall constitute a preferred claim in favor of the United States and its cooperators against any minerals developed; and the aforesaid contract or contracts shall provide that the owners or lessees, or both, of said lands and/or mineral rights within the radius hereinafter mentioned, shall pay to the Government and its cooperators an amount equal to the actual costs of said explorations, said payments to be made at such time or times, in such manner, and in such proportions as said Secretaries may, in their discretion, determine to be equitable: *Provided further,* That such contract shall not restrict the Secretary of the Interior and the Secretary of Commerce jointly in the choice of drilling locations within the property or in the conduct of the exploratory operations, so long as such selections or conduct do not interfere unreasonably with the use of the surface of the land or with the improvements thereon, and such contract shall provide that the United States and its cooperators shall not

be liable for damages on account of such reasonable use of the surface as may be necessary in the proper conduct of the work: *Provided further*, That before such drilling be commenced the Secretary of the Interior and the Secretary of Commerce jointly shall require the owners of land and/or mineral rights therein lying within a radius of not less than one mile of any proposed well, in consideration of the probable increase in value to such lands and/or mineral rights therein incident to any discovery of potash and in order to prevent profiteering, to enter into an agreement whereby the Secretary of the Interior and the Secretary of Commerce, jointly, are empowered to act as referees in determining the maximum price at which the potash rights in such lands can be sold, which covenant shall run with the lands and/or mineral rights therein: *And provided further*, That the owners of such potash rights, in consideration of the advantage accruing from an equitable price for such potash rights as effected by said Secretary of the Interior and Secretary of Commerce, may be required to enter into an agreement whereby the potash produced from said lands shall be marketed at a price not in excess of a maximum determined by the Secretary of the Interior and the Secretary of Commerce jointly as equitable.

Agreement with owners of contiguous lands, to prevent profiteering, etc.

Conditions as to marketing price.
