Provided, That the locators of all such mining claims, or their heirs, successors, or assigns, shall have a preference right to apply to the Secretary of the Interior for a lease, under the terms and conditions of this section, within one year after the date of the location of any mining claim, and any such locator who shall fail to apply for a lease within one year from the date of location shall forfeit all rights to such mining claim: Provided further, That duplicate copies of the location notice shall be filed within sixty days with the superintendent in charge of the reservation on which the mining claim is located and that application for a lease under this section may be filed with such superintendent for transmission through official channels to the Secretary of the Interior: And provided further, That lands containing springs, water holes, or other bodies of water needed or used by the Indians for watering livestock, irrigation, or water-power purposes shall not be designated by the Secretary of the Interior as subject to entry under this section."
