and the rates of toll so fixed shall be the legal rates until changed by the Secretary of War under the authority contained in the Act of March 23, 1906.

Sec. 4. In fixing the rates of toll to be charged for the use of such bridge the same shall be so adjusted as to provide a fund sufficient to pay for the cost of maintaining, repairing, and operating the bridge and its approaches, and to provide a sinking fund sufficient to amortize the cost of such bridge and its approaches as soon as possible under reasonable charges, but within a period of not to exceed twenty years from the completion thereof. After a sinking fund sufficient to pay the cost of constructing the bridge and its approaches shall have been provided, such bridge shall thereafter be maintained and operated free of tolls, or the rates of toll shall thereafter be so adjusted as to provide a fund of not to exceed the amount necessary for the proper care, repair, maintenance, and operation of the bridge and its approaches. An accurate record of the cost of the bridge and its approaches, the expenditures for operating, repairing, and maintaining the same, and of the daily tolls collected shall be kept and shall be available for the information of all persons interested.

Sec. 5. The right to alter, amend, or repeal this Act is hereby expressly reserved.

Approved, February 1, 1927.

CHAP. 64.—An Act Granting the consent of Congress to the State of Michigan and Berrien County, or either of them, to reconstruct, maintain, and operate a bridge across the Saint Joseph River.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of Congress is hereby granted to the State of Michigan and Berrien County, or either of them, to reconstruct the existing bridge and approaches thereto across the Saint Joseph River, at, or near, Benton Harbor, Michigan, at a point suitable to the interests of navigation, and to maintain and operate the same in accordance with the provisions of an Act entitled “An Act to regulate the construction of bridges over navigable waters,” approved March 23, 1906.

Sec. 2. The right to alter, amend, or repeal this Act is hereby expressly reserved.

Approved, February 1, 1927.

CHAP. 65.—An Act To permit construction, maintenance, and use of certain pipe lines for petroleum and its products.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the owner of a certain numbered 704, in the city of Washington, said square being bounded by South Capitol Street, P Street south, one-half Street east, and O Street south, or his representative duly authorized in writing, be, and is hereby, permitted to lay down, construct, maintain, and use pipe lines for the carriage of petroleum and its products from points in said square numbered 704 in and through the following streets, namely: one-half Street east between O and R Streets south, and in R Street south to the Eastern Branch of the Potomac River, or in P Street south to First Street east, thence in First Street east to the Eastern Branch of the Potomac River, as may be prescribed by the Commissioners of the District of Columbia.
Sec. 2. That all the construction and use provided for herein shall be under such regulations and rentals as the Commissioners of the District of Columbia may make in connection therewith: Provided, That the permission herein granted shall be exercised so as not to conflict or interfere with any pipe line or lines for the carriage of petroleum and its products now permitted to occupy either of the streets hereinbefore mentioned.

Sec. 3. That the Congress reserves the right to amend, alter, or repeal this Act at any time.

Approved, February 5, 1927.
