General, may be necessary: Provided further, That the Postmaster General, during the fiscal year 1932, may purchase and maintain from the appropriation "Vehicle service" such tractors and trailer trucks as may be required in the operation of the screen-wagon and city delivery and collection service: Provided further, That in the disbursement of this appropriation the Postmaster General may transfer to the Bureau of Standards not to exceed $10,000 for scientific investigations in connection with the purchase of material, equipment, and supplies necessary in the maintenance and operation of the vehicle service.

For travel and miscellaneous expenses in the Postal Service, office of the Fourth Assistant Postmaster General, $5,000.

If the revenues of the Post Office Department shall be insufficient to meet the appropriations made under Title II of this Act, a sum equal to such deficiency in the revenues of such department is hereby appropriated, to be paid out of any money in the Treasury not otherwise appropriated, to supply such deficiency in the revenues of the Post Office Department for the fiscal year ending June 30, 1932, and the sum needed may be advanced to the Post Office Department upon requisition of the Postmaster General.

Sec. 2. Appropriations for the fiscal year 1932 available for expenses of travel of civilian officers and employees of the executive departments and establishments shall be available also for expenses of travel performed by them on transfer from one official station to another when authorized by the head of the department or establishment concerned in the order directing such transfer: Provided, That such expenses shall not be allowed for any transfer effected for the convenience of any officer or employee.

Sec. 3. Expenditures from appropriations made herein for the maintenance, upkeep, and repair, exclusive of garage rent, pay of operator, fuel and lubricants, on any one passenger-carrying vehicle used by the Treasury or Post Office Department shall not exceed one-third of the market price of a new vehicle of the same make or class and in any case more than $500.
of persons under any grade in any bureau, office, or other appropria
tion unit shall not at any time exceed the average of the compen-
sation rates specified for the grade by such Act, as amended, and
in grades in which only one position is allocated the salary of such
position shall not exceed the average of the compensation rates for
the grade except that in unusually meritorious cases of one position
in a grade advances may be made to rates higher than the average
of the compensation rates of the grade but not more often than
once in any fiscal year, and then only to the next higher rate: Pro-
vided further, That this restriction shall not apply (1) to grades 1,
2, 3, and 4 of the clerical-mechanical service, or (2) to require the
reduction in salary of any person whose compensation was fixed, as
of July 1, 1924, in accordance with the rules of section 6 of such
Act, (3) to require the reduction in salary of any person who is
transferred from one position to another position in the same or dif-
f erent grade, in the same or different bureau, office, or other appropria
tion unit, or (4) to prevent the payment of a salary under any
grade at a rate higher than the maximum rate of the grade when
such higher rate is permitted by the Classification Act of 1923 as
amended, and is specifically authorized by other law: Provided fur-
ther, That the Secretary of Agriculture is authorized to contract
for stenographic reporting services, and the appropriations made in
this Act shall be available for such purposes: Provided further, That
the Secretary of Agriculture is authorized to expend from appropri-
ations available for the purchase of lands not to exceed $1 for each
option to purchase any particular tract or tracts of land: Provided
further, That not to exceed $55,000 of the appropriations available
for salaries and expenses of officers and employees of the Department
of Agriculture permanently stationed in foreign countries may be
used for payment of allowances for living quarters, including heat,
fuel, and light, as authorized by the Act approved June 26, 1930
(46 Stat., p. 818): Provided further, That no part of the funds
appropriated by this Act shall be used for the payment of any offi-
cer or employee of the Department of Agriculture who, as such offi-
cer or employee, or on behalf of the department or any division,
commission, or bureau thereof, issues, or causes to be issued, any pre-
diction, oral or written, or forecast with respect to future prices of
cotton or the trend of same.

When specifically approved by the Secretary of Agriculture, trans-
fers may be made between the appropriations in this Act under the
respective jurisdiction of any bureau, office, institution, or service,
in order to meet increases in compensation resulting from the real-
location by the Personnel Classification Board of positions under any
such organization unit. Any such transfers shall be reported to
Congress in the annual Budget.

For salaries and compensation of necessary employees in the
mechanical shops and power plant of the Department of Agricult-
ure, $125,000, of which $9,780 shall be immediately available.

Sugar plants: For sugar-plant investigations, including studies of diseases and the improvement of sugar beets and sugar-beet seed, $413,700.

Botany: For investigation, improvement, and utilization of wild plants and grazing lands, and for determining the distribution of weeds and means of their control, $56,260.

Dry-land agriculture: For the investigation and improvement of methods of crop production under subhumid, semiarid, or dry-land conditions, $345,740: Provided, That $80,000, including construction of physical improvements, shall be available for the horticultural experiment station at Cheyenne, Wyoming: Provided further, That $35,000 shall be available for carrying into effect the Act approved April 16, 1928 (U. S. C., Supp. III, title 7, secs. 387-388a), entitled “An Act providing for horticultural experiment and demonstration work in the Southern Great Plains area,” at Woodward, Oklahoma: Provided further, That the limitations in this Act as to the cost of farm buildings shall not apply to this paragraph: Provided further, That no part of this appropriation shall be used for the establishment of any new field station.

Western irrigation agriculture: For investigations in connection with western irrigation agriculture, the utilization of lands reclaimed under the Reclamation Act, and other areas in the arid and semiarid regions, $153,940: Provided, That the limitations in this Act as to the cost of farm buildings shall not apply to this paragraph.

Horticultural crops and diseases: For investigation and control of diseases, for improvement of methods of culture, propagation, breeding, selection, and related activities concerned with the production of fruits, nuts, vegetables, ornamentals, and related plants, for investigation of methods of harvesting, packing, shipping, storing, and
utilizing these products, and for studies of the physiological and related changes of such products during processes of marketing and while in commercial storage, $1,420,360, of which $15,000 shall be available toward the establishment, including the erection of buildings, of a pecan experiment station in the middle eastern Mississippi region when the State of Mississippi and/or other local cooperating agency shall have deeded to the Government 100 acres of land acceptable to the Secretary of Agriculture for such purpose.

Phony peach eradication: For conducting such investigations of the nature and means of communication of the disease of peach trees known as phony peach, and for applying such methods of eradication or control of the disease as in the judgment of the Secretary of Agriculture may be necessary, including the payment of such expenses and the employment of such persons and means, in the city of Washington and elsewhere, and cooperation with such authorities of the States concerned, organizations of growers, or individuals, as he may deem necessary to accomplish such purposes, $85,000, and, in the discretion of the Secretary of Agriculture, no expenditures shall be made for these purposes until a sum or sums at least equal to such expenditures shall have been appropriated, subscribed, or contributed, by State, county, or local authorities, or by individuals or organizations for the accomplishment of such purposes: Provided, That no part of the money herein appropriated shall be used to pay the cost or value of trees or other property injured or destroyed.

Gardens and grounds: To cultivate and care for the gardens and grounds of the Department of Agriculture in the city of Washington, including the upkeep and lighting of the grounds and the construction, surfacing, and repairing of roadways and walks; and to erect, manage, and maintain conservatories, greenhouses, and plant and fruit propagating houses on the grounds of the Department of Agriculture in the city of Washington, $98,120.

Arlington Farm: For continuing the necessary improvements to establish and maintain a general experiment farm and agricultural station on the Arlington estate, in the State of Virginia, in accordance with the provisions of the Act of Congress approved April 18, 1900 (31 Stat., pp. 135, 136), $60,600: Provided, That the limitations in this Act as to the cost of farm buildings shall not apply to this paragraph.

Foreign plant introduction: For investigations in foreign seed and plant introduction, including the study, collection, purchase, testing, propagation, and distribution of rare and valuable seeds, bulbs, trees, shrubs, vines, cuttings, and plants from foreign countries and from our possessions, and for experiments with reference to their introduction and cultivation in this country, $228,140.

Forage crops and diseases: For the purchase, propagation, testing, and distribution of new and rare seeds; for the investigation and improvement of grasses, alfalfa, clover, and other forage crops, including the investigation and control of diseases, $279,375.

Biophysical laboratory: For biophysical investigations in connection with the various lines of work herein authorized, $36,420.

Operation of National Arboretum: For the maintenance of the national arboretum established under the provisions of the Act entitled "An Act authorizing the Secretary of Agriculture to establish a national arboretum, and for other purposes," approved March 4, 1927 (U. S. C., Supp. III, title 20, secs. 191–194), including the erection of buildings, salaries in the city of Washington and elsewhere, traveling expenses of employees and advisory council, and other necessary expenses, $30,000, of which not to exceed $5,000 may be expended by contract or otherwise for the services of consulting
landscape architects without reference to the Classification Act of 1923, as amended, or civil-service rules.

Total, Bureau of Plant Industry, $5,826,126, of which amount not to exceed $1,830,889 may be expended for personal services in the District of Columbia.

FOREST SERVICE

SALARIES AND GENERAL EXPENSES

To enable the Secretary of Agriculture to experiment and to make and continue investigations and report on forestry, national forests, forest fires, and lumbering, but no part of this appropriation shall be used for any experiment or test made outside the jurisdiction of the United States; to advise the owners of woodlands as to the proper care of the same; to investigate and test American timber and timber trees and their uses, and methods for the preservative treatment of timber; to seek, through investigations and the planting of native and foreign species, suitable trees for the treeless regions; to erect necessary buildings: Provided, That the cost of any building purchased, erected, or as improved, exclusive of the cost of constructing a water supply or sanitary system and of connecting the same with any such building, and exclusive of the cost of any tower upon which a lookout house may be erected, shall not exceed $2,500; to pay all expenses necessary to protect, administer, and improve the national forests, including tree planting in the forest reserves to prevent erosion, drift, surface wash, and soil waste and the formation of floods, and including the payment of rewards under regulations of the Secretary of Agriculture for information leading to the arrest and conviction for violation of the laws and regulations relating to fires in or near national forests, or for the unlawful taking of, or injury to, Government property; to ascertain the natural conditions upon and utilize the national forests; to transport and care for fish and game supplied to stock the national forests or the waters therein; to employ agents, clerks, assistants, and other labor required in practical forestry and in the administration of national forests in the city of Washington and elsewhere; to collate, digest, report, and illustrate the results of experiments and investigations made by the Forest Service; to purchase necessary supplies, apparatus, office fixtures, law books, reference and technical books and technical journals for officers of the Forest Service stationed outside of Washington, and for medical supplies and services and other assistance necessary for the immediate relief of artisans, laborers, and other employees engaged in any hazardous work under the Forest Service; to pay freight, express, telephone, and telegraph charges; for electric light and power, fuel, gas, ice, and washing towels, and official traveling and other necessary expenses, including traveling expenses for legal and fiscal officers while performing Forest Service work; and for rent outside of the District of Columbia, as follows:

For necessary expenses for general administrative purposes, including the salary of the Chief Forester and other personal services in the District of Columbia, $370,640.

NATIONAL FOREST ADMINISTRATION

For the employment of forest supervisors, deputy forest supervisors, forest rangers, forest guards, and administrative clerical assistants on the national forests, and for additional salaries and field-station expenses, including the maintenance of nurseries, collecting
seed, and planting, necessary for the use, maintenance, improvement, and protection of the national forests, and of additional national forests created or to be created under section 11 of the Act of March 1, 1911 (U. S. C., title 16, sec. 521), and under the Act of June 7, 1924 (U. S. C., title 16, secs. 471, 499, 505, 564-570), and lands under contract for purchase or for the acquisition of which condemnation proceedings have been instituted for the purposes of said Acts, and for necessary miscellaneous expenses incident to the general administration of the Forest Service and of the national forests:

In national forest region 1, Montana, Washington, Idaho, and South Dakota, $1,509,546: Provided, That the Secretary of Agriculture is authorized to use not to exceed $200 in caring for the graves of fire fighters buried at Wallace, Idaho; Priest River, Idaho; Newport, Washington; and Saint Maries, Idaho;

In national forest region 2, Colorado, Wyoming, South Dakota, Nebraska, and Oklahoma, $733,900: Provided, That not to exceed $1,000 of this appropriation may be expended for the maintenance of the herd of long-horned cattle on the Wichita National Forest;

In national forest region 3, Arizona and New Mexico, $717,834;

In national forest region 4, Utah, Idaho, Wyoming, Nevada, Arizona, and Colorado, $896,224;

In national forest region 5, California and Nevada, $1,264,767;

In national forest region 6, Washington, Oregon, and California, $1,279,418;

In national forest region 7, Arkansas, Alabama, Florida, Georgia, South Carolina, North Carolina, Pennsylvania, Tennessee, Virginia, West Virginia, New Hampshire, Maine, Porto Rico, Maryland, New York, New Jersey, Kentucky, Louisiana, Mississippi, and Vermont, $572,094;

In national forest region 8, Alaska, $140,247;

In national forest region 9, Michigan, Minnesota, and Wisconsin, $135,210;

In all, for the use, maintenance, improvement, protection, and general administration of the national forests, $7,289,240, of which $45,000 shall be immediately available: Provided, That the foregoing amounts appropriated for such purposes shall be available interchangeably in the discretion of the Secretary of Agriculture for the necessary expenditures for fire protection and other unforeseen exigencies: Provided further, That the amount so interchanged shall not exceed in the aggregate 10 per centum of all the amounts so appropriated.

For fighting and preventing forest fires on or threatening the national forests and for the establishment and maintenance of a patrol to prevent trespass and to guard against and check fires upon the lands revested in the United States by the Act approved June 9, 1916 (39 Stat., p. 218), and the lands known as the Coos Bay Wagon Road lands involved in the case of Southern Oregon Company against United States (numbered 2711), in the Circuit Court of Appeals of the Ninth Circuit, $100,000, which amount shall be immediately available.

Aerial fire control: For cooperation with the War Department, or for contract airplane service, in the maintenance and operation of an airplane patrol to prevent and suppress forest fires on national forests and adjacent lands, $50,000: Provided, That no part of this appropriation shall be used for the purchase of land or airplanes.

Classification of lands: For the selection, classification, and segregation of lands within the boundaries of national forests that may be opened to homestead settlement and entry under the homestead laws applicable to the national forests; for the examination
and appraisal of lands in effecting exchanges authorized by law
and for the survey thereof by metes and bounds or otherwise, by
employees of the Forest Service, under the direction of the Com-
missioner of the General Land Office; and for the survey and plat-
ing of certain lands, chiefly valuable for agriculture, now listed
or to be listed within the national forests, under the Act of June
11, 1906 (U. S. C., title 16, secs. 506-509), the Act of August 10, 1912
(U. S. C., title 16, sec. 506), and the Act of March 3, 1899 (U. S. C.,
title 16, sec. 488), as provided by the Act of March 4, 1913 (U. S. C.,
title 16, sec. 512), $58,980.
Sanitation and fire prevention: For the construction and mainte-
nance of sanitary facilities and for fire-preventive measures on
public camp grounds within the national forests when necessary for
the protection of the public health or the prevention of forest fires,
$67,000, of which $40,000 shall be immediately available.
Planting on national forests: For the establishment and mainte-
nance of forest-tree nurseries, the collection or purchase of tree seed,
cones, and nursery stock, and seeding and tree planting within
national forests; for additional protection, care, and improvement
of the resulting plantations or young growth; and for experiments
and investigations necessary for such seeding and tree planting,
$250,000.
Reconnaissance, national forests: For estimating and appraising
timber and other resources on the national forests preliminary to
disposal by sale or to the issue of occupancy permits, and for emer-
gency expenses incident to their sale or use, $131,260.
Improvement of the national forests: For the construction and
maintenance of roads, trails, bridges, fire lanes, telephone lines,
cabins, fences, and other improvements necessary for the proper and
economical administration, protection, and development of the
national forests, $2,359,200, of which $494,200 shall be immediately
available, and of which amount $150,000 is reserved for expenditure
on the Angeles, Cleveland, Santa Barbara, and San Bernardino
National Forests in southern California: Provided, That such sum
of $150,000 shall not be expended unless an equal amount is con-
tributed for such work by State, county, municipal, and/or other
local interests, to be paid, in whole or in part, in advance of the per-
formance of the work for which this appropriation provides: Pro-
vided further, That where, in the opinion of the Secretary of Agri-
culture, direct purchase will be more economical than construction,
telephone lines, cabins, fences, and other improvements may be pur-
chased: Provided further, That not to exceed $120,000 may be
expended for the construction and maintenance of boundary and
range division fences, counting corrals, stock driveways and bridges,
the development of stock watering places, and the eradication of
poisonous plants on the national forests: Provided further, That not
to exceed $1,000 of this appropriation may be used for the repair and
maintenance of the dam at Cass Lake, Minnesota: Provided further,
That not less than $1,229,200 of this appropriation shall be available
only for the construction and maintenance of roads and trails.
FOREST RESEARCH

For forest research in accordance with the provisions of sections
1, 2, 7, 8, 9, and 10 of the Act entitled "An Act to insure adequate
supplies of timber and other forest products for the people of the
United States, to promote the full use for timber growing and other
purposes of forest lands in the United States, including farm wood
lots and those abandoned areas not suitable for agricultural produc-
tion, and to secure the correlation and the most economical conduct
of forest research in the Department of Agriculture through research in reforestation, timber growing, protection, utilization, forest economics, and related subjects,” approved May 22, 1928 (U. S. C., Supp. III, title 16, secs. 581, 581a, 581f-581l), as follows:

Forest management: Fire silvicultural, and other forest investigations and experiments under section 2, at forest experiment stations or elsewhere, $562,000.

Range investigations: Investigations and experiments to develop improved methods of management of forest and other ranges under section 7, at forest or range experiment stations or elsewhere, $130,000, of which not to exceed $10,000 may be expended for range utilization research in cooperation with the United States Range Livestock Experiment Station at Miles City, Montana.

Forest products: Experiments, investigations, and tests of forest products under section 8, at the Forest Products Laboratory, or elsewhere, $641,300.

For carrying out the provisions of the Act entitled “An Act to provide for the acceptance of a donation of land and the construction thereon of suitable buildings and appurtenances for the Forest Products Laboratory, and for other purposes,” approved April 15, 1930 (46 Stat., pp. 167-168), $800,000, which amount shall be immediately available.

Forest survey: A comprehensive forest survey under section 9, $200,000.

Forest economics: Investigations in forest economics under section 10, $75,000.

In all, salaries and expenses, $13,084,620; and in addition thereto there are hereby appropriated all moneys received as contributions toward cooperative work under the provisions of section 1 of the Act approved March 3, 1925 (U. S. C., title 16, sec. 572), which funds shall be covered into the Treasury and constitute a part of the special funds provided by the Act of June 30, 1914 (U. S. C., title 16, sec. 498): Provided, That not to exceed $510,700 may be expended for departmental personal services in the District of Columbia: Provided further, That not to exceed $1,000 may be expended for the contribution of the United States to the cost of the office of the secretariat of the International Union of Forest Research Stations.

**FOREST-FIRE COOPERATION**

For cooperation with the various States or other appropriate agencies in forest-fire prevention and suppression and the protection of timbered and cut-over lands in accordance with the provisions of sections 1, 2, and 3 of the Act entitled “An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote continuous production of timber on lands chiefly valuable therefore,” approved June 7, 1924 (U. S. C., title 16, secs. 564-570), as amended, including also the study of the effect of tax laws and the investigation of timber insurance as provided in section 3 of said Act, $1,775,000, of which $54,480 shall be available for departmental personal services in the District of Columbia and not to exceed $2,000 for the purchase of supplies and equipment required for the purposes of said Act in the District of Columbia.

**COOPERATIVE DISTRIBUTION OF FOREST PLANTING STOCK**

For cooperation with the various States in the procurement, production, and distribution of forest-tree seeds and plants in establishing windbreaks, shelter belts, and farm wood lots upon denuded

experiments hereinafter authorized, including the employment of
investigators, local and special agents, assistants, experts, clerks,
draftsmen, and labor in the city of Washington and elsewhere; official
traveling expenses, materials, tools, instruments, apparatus,
repairs to apparatus, chemicals, furniture, office fixtures, stationery,
gas, electric current, telegraph and telephone service, express and
freight charges, rent outside the District of Columbia, and for all
other necessary supplies and expenses, as follows:

For necessary expenses for general administrative purposes, includ-
ing the salary of chief of bureau and other personal services in the
District of Columbia, $59,060.

Agricultural chemical investigations: For conducting the investiga-
tions contemplated by the Act of May 15, 1862 (U. S. C., title 5,
secs. 511, 512), relating to the application of chemistry to agricul-
ture; for the biological investigation of food and drug products and
substances used in the manufacture thereof, including investigations
of the physiological effects of such products on the human organism;
to cooperate with associations and scientific societies in the develop-
ment of methods of analysis, $465,150: Provided, That the Bureau
of Chemistry and Soils cooperate with the Bureau of Standards
without duplication.

Color investigations: For investigation and experiment in the
utilization, for coloring, medicinal, and technical purposes, of raw
materials grown or produced in the United States, in cooperation
with such persons, associations, or corporations as may be found
necessary, including repairs, alterations, improvements, or additions
to a building on the Arlington Experimental Farm, $93,460.

Sirup and sugar investigations: For the investigation and devel-
opment of methods for the manufacture of table sirup and sugar and
of methods for the manufacture of sweet sirups by the utilization of
new agricultural sources, $37,700.

Insecticide and fungicide investigations: For the investigation
and development of methods of manufacturing insecticides and fun-
gicides, and for investigating chemical problems relating to the
composition, action, and application of insecticides and fungicides, $128,400.

Plant dust explosions and farm fires: For the investigation and development of methods for the prevention of farm fires and of grain-dust, smut-dust, and other dust explosions not otherwise provided for and resulting fires, including fires in cotton gins and cotton-oil mills, independently or in cooperation with individuals, associations, or corporations, $51,700.

Naval stores investigations: For the investigation and demonstration of improved methods or processes of preparing naval stores, the weighing, handling, transportation, and the uses of same, in cooperation with individuals and companies, including the employment of necessary persons and means in the city of Washington and elsewhere, $72,306, of which $40,000 shall be available for the establishment of a field laboratory for naval stores research work in the pine regions of the South, including erection of buildings, on land owned by the United States or to be donated to the United States for that purpose.

Soil chemical investigations: For chemical investigations of soil types, soil composition, and soil minerals, the soil solution, solubility of soil, and all chemical properties of soils in their relation to soil formation, soil texture, and soil productivity, including all routine chemical work in connection with the soil survey, $42,760.

Soil physical investigations: For physical investigations of the important properties of soil which determine productivity, such as moisture relations, aerations, heat conductivity, texture, and other physical investigations of the various soil classes and soil types, $18,660.

Fertilizer investigations: For investigations within the United States of fertilizers and other soil amendments and their suitability for agricultural use, $378,400.

Soil survey: For the investigation of soils, in cooperation with other branches of the Department of Agriculture, other departments of the Government, State agricultural experiment stations, and other State institutions, and for indicating upon maps and plats, by coloring or otherwise, the results of such investigations, $328,705.

Soil-bacteriology investigations: For soil-bacteriology investigations, including the testing of samples procured in the open market, of cultures for inoculating legumes, and if any such samples are found to be impure, nonviable, or misbranded, the results of the tests may be published, together with the names of the manufacturers and of the persons by whom the cultures were offered for sale, $43,820.

Soil-fertility investigations: For soil-fertility investigations into organic causes of infertility and remedial measures, maintenance of productivity, properties and composition of soil humus, and the transformation and formation of soil humus by soil organisms, $227,080.

Total, Bureau of Chemistry and Soils, $1,947,201, of which amount not to exceed $1,272,956 may be expended for personal services in the District of Columbia.

BUREAU OF ENTOMOLOGY

SALARIES AND GENERAL EXPENSES

For necessary expenses connected with the investigations, experiments, and demonstrations in reference to the items hereinafter enumerated for the promotion of economic entomology, for investigating the history and habits of insects injurious and beneficial to agriculture, horticulture, arboriculture, for studying insects affecting man and animals, and for ascertaining the best means of destroying insects
found to be injurious, independently or in cooperation with other branches of the Federal Government, States, counties, and municipalities, organizations, and individuals concerned, or with foreign governments, including the employment of necessary persons and means in the city of Washington and elsewhere, rent outside of the District of Columbia, and not to exceed $5,000 for the erection of necessary buildings: Provided, That the cost of any such building shall not exceed $1,500, as follows:

For general administrative purposes, including the salary of chief of bureau and other personal services in the District of Columbia, $94,380.

MISCELLANEOUS

WORK FOR OTHER DEPARTMENTS

During the fiscal year 1932 the head of any department or independent establishment of the Government requiring inspections, analyses, and tests of food and other products, within the scope of the functions of the Department of Agriculture and which that department is unable to perform within the limits of its appropriations, may, with the approval of the Secretary of Agriculture, transfer to the Department of Agriculture for direct expenditure such sums as may be necessary for the performance of such work.

EXPERIMENTS IN LIVESTOCK PRODUCTION IN SOUTHERN UNITED STATES

To enable the Secretary of Agriculture, in cooperation with the authorities of the States concerned, or with individuals, to make such investigations and demonstrations as may be necessary in connection with the development of livestock production in the cane-sugar and cotton districts of the United States, $43,500.

PASSENGER-CARRYING VEHICLES

That not to exceed $175,000 of the lump-sum appropriations herein made for the Department of Agriculture shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of the field work of the Department of Agriculture outside the District of Columbia: Provided, That such vehicles shall be used only for official service outside the District of Columbia, but this shall not prevent the continued use for official service of motor trucks in the District of Columbia: Provided further, That the Secretary of Agriculture is authorized to expend from the funds provided for carrying out the provisions of the Federal Highway Act of November 9, 1921 (U.S.C., title 23, secs. 21 and 23), not to exceed $50,000 for the purchase of motor-propelled passenger-carrying vehicles for use in the construction and maintenance of national-forest roads or other roads constructed under the supervision of the Department of Agriculture, including the replacement of not to exceed two such vehicles for use in the administrative work of the Bureau of Public Roads in the District of Columbia: Provided further, That appropriations contained in this Act shall be available for the maintenance, operation, and repair of motor-propelled and horse-drawn passenger-carrying vehicles, but expenditures for that purpose, exclusive of garage rent, pay of operator, tires, fuel, and lubricants, on any one motor-propelled passenger-carrying vehicle except a bus, used by the Department of Agriculture shall not exceed one-third of the market price of a new vehicle of the same make or class, and in any case not more than $500: Provided further, That the Secretary of Agriculture may exchange motor-propelled and horse-drawn passenger-carrying vehicles, tractors, road equipment, and boats, and parts, accessories, tires, or equipment thereof, in whole or in part payment for vehicles, tractors, road equipment, or boats purchased by him.

Allowance for, by motor vehicles.

MILEAGE RATES FOR MOTOR VEHICLES

Whenever, during the fiscal year ending June 30, 1932, the Secretary of Agriculture shall find that the expenses of travel and administration, including travel and administration at official sta-
tions, can be reduced thereby, he may, in lieu of actual operating expenses, under such regulations as he may prescribe, authorize the payment of not to exceed 3 cents per mile for motor cycle or 7 cents per mile for an automobile, used for necessary travel on official business: Provided, That the Secretary of Agriculture may authorize not to exceed 10 cents per mile for an automobile used in localities where poor road conditions or high cost of motor supplies prevail and he finds that the average cost to the operator is in excess of 7 cents per mile: Provided further, That the Secretary of Agriculture may authorize the payment of toll and ferry charges, storage and towage for such motor cycles and automobiles, in addition to mileage allowance.

COLLECTION OF SEED-GRAIN LOANS

To enable the Secretary of Agriculture to collect moneys due the United States on account of loans made to farmers under the seed-grain loan provisions of the Act of March 3, 1921 (41 Stat., p. 1347), the Seed Grain Loan Act of March 20, 1922 (42 Stat., p. 467), the Seed and Feed Loan Act of April 26, 1924 (43 Stat., p. 110), the Seed and Fertilizer Loan Act of February 25, 1929 (45 Stat., p. 1306), as amended, the Seed and Fertilizer Loan Act of March 3, 1930 (46 Stat., pp. 78, 79), and the Florida seed and fertilizer loans approved by the Act of February 28, 1927 (44 Stat., p. 1251), $125,000, of which amount not to exceed $50,000 may be expended for personal services in the District of Columbia.

SOIL-EROSION INVESTIGATIONS

To enable the Secretary of Agriculture to make investigation not otherwise provided for of the causes of soil erosion and the possibility of increasing the absorption of rainfall by the soil in the United States, and to devise means to be employed in the preservation of soil, the prevention or control of destructive erosion and the conservation of rainfall by terracing or other means, independently or in cooperation with other branches of the Government, State agencies, counties, farm organizations, associations of business men, or individuals, including necessary expenses, $330,000, of which amount not to exceed $20,610 may be expended for personal services in the District of Columbia.
