For every expenditure requisite for and incident to the work of the Coast and Geodetic Survey, including maintenance, repair, exchange, and operation of motor-propelled or horse-drawn vehicles for use in field work, purchase of motor cycles with side cars, including their exchange, not to exceed $1,000, surveying instruments, including their exchange, rubber boots, canvas and rubber gloves, goggles, and caps, coats, and aprons for stewards' departments on vessels, extra compensation at not to exceed $1 per day for each station to employees of the Lighthouse Service and the Weather Bureau while observing tides or currents, services of one tide observer in the District of Columbia at not to exceed $1 per day, and compensation, not otherwise appropriated for, of persons employed in the field work, commutation to officers of the field force while on field duty, at a rate not exceeding $3 per day each, and for expenses of attendance at meetings concerned with the work of the Coast and Geodetic Survey when incurred on the written authority of the Secretary of Commerce, to be expended in accordance with the regulations relating to the Coast and Geodetic Survey subscribed by the Secretary of Commerce, and under the following heads:

Field expenses, Atlantic coast: For surveys and necessary resurveys of the Atlantic and Gulf coasts of the United States, including the coasts of outlying islands under the jurisdiction of the United States, $174,500: Provided, That not more than $45,000 of this amount shall be expended on the coasts of said outlying islands and the Atlantic entrance to the Panama Canal;

Pacific coast: For surveys and necessary resurveys of coasts on the Pacific Ocean under the jurisdiction of the United States, including not to exceed $3,000 for construction of temporary shelter for the care of equipment and housing of personnel, $315,000;

Physical hydrography.

Tides, currents, and so forth: For continuing researches in physical hydrography, relating to harbors and bars, and for tidal and current observations on the coasts of the United States, or other coasts under the jurisdiction of the United States, $27,000;

Coast Pilot: For compilation of the Coast Pilot, including the employment of such pilots and nautical experts, and stenographic help in the field and office as may be necessary for the same, $6,500;

Magnetic work: For continuing magnetic and seismological observations and to establish meridian lines in connection therewith in all parts of the United States; making magnetic and seismological observations in other regions under the jurisdiction of the United States; purchase of additional magnetic and seismological instruments; lease of sites where necessary and the erection of temporary magnetic and seismological buildings; and including the employment in the field and office of such magnetic and seismological observers and stenographic services as may be necessary, $79,940.

Federal, boundary, and State surveys: For continuing lines of exact levels between the Atlantic, Pacific, and Gulf coasts; determining geographic positions by triangulation and traverse for the control of Federal, State, boundary, county, city, and other surveys and engineering works in all parts of the United States; including special geodetic surveys of first-order triangulation and leveling in regions subject to earthquakes, not exceeding $10,000; determining
field astronomic positions and the variation of latitude, including the maintenance and operation of the latitude observatories at Ukiah, California, and Gaithersburg, Maryland, not exceeding $2,500 each; establishing lines of exact levels, determining geographic positions by triangulation and traverse, and making astronomic observations in Alaska; and continuing gravity observations in the United States and for making such observations in regions under the jurisdiction of the United States and also on islands and coasts adjacent thereto, $320,800, of which amount not to exceed $30,000 may be expended for personal services in the District of Columbia.

For objects not hereinbefore named that may be deemed urgent, including the preparation or purchase of plans and specifications of vessels and the employment of such hull draftsmen in the field and office as may be necessary for the same; the reimbursement, under rules prescribed by the Secretary of Commerce, of officers of the Coast and Geodetic Survey for food, clothing, medicines, and other supplies furnished for the temporary relief of distressed persons in remote localities and to shipwrecked persons temporarily provided for by them, not to exceed a total of $550; actual necessary expenses of officers of the field force temporarily ordered to the office in the District of Columbia for consultation with the director, and not exceeding $1,000 for the expenses of the attendance of representatives of the Coast and Geodetic Survey who may be designated as delegates from the United States at the meetings of the International Research Council or of its branches and of the International Hydrographic Bureau, and not exceeding $3,000 for special surveys that may be required by the Bureau of Lighthouses or other proper authority, $7,080;

In all, field expenses, $936,820.

Vessels: For repairs of vessels, including traveling expenses of persons inspecting the repairs, and exclusive of engineer's supplies and other ship chandlery, $143,000, of which amount not to exceed $52,000 shall be immediately available for extraordinary repairs to ships Guide, Pathfinder, and Pioneer.

For all necessary employees to man and equip the vessels, including professional seamen serving as mates on vessels of the survey, to execute the work of the survey herein provided for and authorized by law, $717,000.

Pay, commissioned officers: For pay and allowances prescribed by law for commissioned officers on sea duty and other duty, holding relative rank with officers of the Navy, including one director, with relative rank of captain, six hydrographic and geodetic engineers with relative rank of captain, ten hydrographic and geodetic engineers with relative rank of commander, seventeen hydrographic and geodetic engineers with relative rank of lieutenant commander, forty-seven hydrographic and geodetic engineers with relative rank of lieutenant, sixty-one junior hydrographic and geodetic engineers with relative rank of lieutenant (junior grade), twenty-nine aides with relative rank of ensign, and including officers retired in accordance with existing law, $662,313: Provided, That the Secretary of Commerce may designate one of the hydrographic and geodetic engineers to act as assistant director.

Office force: For personal services, $549,620.

Office expenses: For purchase of new instruments (except surveying instruments), including their exchange, materials, equipment, and supplies required in the instrument shop, carpenter shop, and chart division; books, scientific and technical books, journals, books of reference, maps, charts, and subscriptions; copper plates, chart paper,
printer's ink, copper, zinc, and chemicals for electrotyping and photographing; engraving, printing, photographing, rubber gloves, and electrotyping supplies; photolithographing and printing charts for immediate use; stationery for office and field parties; transportation of instruments and supplies when not charged to party expenses; heating, lighting, and power; telephones, including operation of switchboard; telegrams, ice, and washing; office furniture, repairs, traveling expenses of officers and others employed in the office sent on special duty in the service of the office; miscellaneous expenses, contingencies of all kinds, not exceeding $90 for street-car fares, $67,180.

Appropriations herein made for the Coast and Geodetic Survey shall not be available for allowance to civilian or other officers for subsistence while on duty at Washington (except as hereinbefore provided for officers of the field force ordered to Washington for short periods for consultation with the director), except as now provided by law.

BUREAU OF FISHERIES

Sponge fisheries: For protecting the sponge fisheries, including employment of inspectors, watchmen, and temporary assistants, hire of boats, rental of office and storage, care of seized sponges and other property, travel, and all other expenses necessary to carry out the provisions of the Act of August 15, 1914 (U. S. C., title 16, secs. 781–785), to regulate the sponge fisheries, $3,100.

Alaska, general service: For protecting the seal fisheries of Alaska, including the furnishing of food, fuel, clothing, and other necessities of life to the natives of the Pribilof Islands, of Alaska; not exceeding $57,000 for construction, improvement, repair, and alteration of buildings and roads, transportation of supplies to and from the islands, expenses of travel of agents and other employees and subsistence while on said islands, hire and maintenance of vessels, purchase of sea otters, and for all expenses necessary to carry out the provisions of the Act entitled “An Act to protect the seal fisheries of Alaska, and for other purposes,” approved April 21, 1910 (U. S. C., title 16, secs. 631–658), and for the protection of the fisheries of Alaska, including pay of permanent employees not to exceed $92,940, contract stenographic reporting service, travel, subsistence (or per diem in lieu of subsistence) of employees while on duty in Alaska, hire of boats, employment of temporary labor, and all other necessary expenses connected therewith, $446,240, of which $100,000 shall be immediately available.

Mississippi wild life and fish refuge: For construction of buildings, boats, and ponds, for purchase of equipment, including boats, for maintenance, operation, repair, and improvements, including expenditures for personal services at the seat of government and elsewhere as may be necessary, as authorized in the Act approved June 7, 1924 (U. S. C., title 16, secs. 721–731), $25,000.

Construction of stations: To complete the establishment of Bureau of Fisheries stations as follows: A fish-cultural station in each of the States of New Mexico, Louisiana, and Idaho; a fish-cultural substation in the State of Wisconsin; and an experimental bass and trout station in the State of Maryland or West Virginia, $240,000; and to establish, or to commence the establishment of, Bureau of Fisheries stations as follows: A fish-cultural station in each of the States of Alabama, Indiana, Tennessee, and Pennsylvania (including a substation in Pennsylvania); a fish-cultural substation in the State of South Carolina, including the enlargement of the Orangeburg station in said State, and in the States of Texas and New York; including the acquisition of land, the construction of buildings and ponds, water supply, improvements to grounds, purchase of equipment, and all necessary expenses in connection with the establishment of said stations and substations; and including the purchase of the Mill
Creek station in the State of California, and the purchase and repair of the Rogue River substation in the State of Oregon, $208,500; in all, $448,500, to be immediately available; as authorized by the Act of May 21, 1930 (46 Stat., p. 371), at not to exceed the costs therein specified.

**Enforcement of black bass law:** To enable the Secretary of Commerce to carry into effect the Act entitled “An Act to amend the Act entitled ‘An Act to regulate interstate transportation of black bass, and for other purposes,’ approved May 20, 1926” (U. S. C., Supp. III, title 16, secs. 851-856), approved July 2, 1930 (46 Stat., pp. 845-847), $20,000, of which not to exceed $3,500 may be expended for personal services in the District of Columbia.

Not to exceed $1,000 of the appropriations herein made for the Bureau of Fisheries shall be available for expenses of attendance at meetings concerned with the work of said bureau when incurred on the written authority of the Secretary of Commerce, and not to exceed $1,500 shall be available for the rental of suitable quarters in the District of Columbia for laboratory and storage purposes.

### Patent Office

The following sums are appropriated for the Patent Office for the fiscal year ending June 30, 1932, out of the revenues of such office in conformity with section 5 of the Act approved April 11, 1930 (46 Stat., p. 155), to the extent that such revenues are sufficient therefor and any remainder out of the general fund of the Treasury, namely:

- The Commissioner of Patents and other personal services in the District of Columbia, $3,502,000: Provided, That of the amount herein appropriated not to exceed $25,000 may be used for special and temporary services of typists certified by the Civil Service Commission, who may be employed in such numbers, at $4 per diem, as may, in the judgment of the Commissioner of Patents, be necessary to keep current the work of furnishing manuscript copies of records.

- For purchase of law, professional, and other reference books and publications and scientific books, including their exchange, and expenses of transporting publications of patents issued by the Patent Office to foreign governments, directories, and for other contingent and miscellaneous expenses of the Patent Office, $44,980.

- For producing copies of weekly issue of drawings of patents and designs; reproduction of copies of drawings and specifications of exhausted patents, designs, trade-marks, and other papers, such other papers when reproduced for sale to be sold at not less than cost plus 10 per centum; reproduction of foreign patent drawings; photo prints of pending application drawings; and photostat and photographic supplies and dry mounts, $310,000.

- For investigating the question of public use or sale of inventions for two years or more prior to filing applications for patents, and such other questions arising in connection with applications for patents and the prior art as may be deemed necessary by the Commissioner of Patents; for expense attending defense. of suits instituted against the Commissioner of Patents, $800, and for expenses of attendance at meetings concerned with the work of the Patent Office when incurred on the written authority of the Secretary of Commerce.

- For furniture and filing cases, $228,970.

- For printing the weekly issue of patents, designs, trade-marks, prints, and labels, exclusive of illustrations; and for printing, engrav-
ing illustrations, and binding the Official Gazette, including weekly and annual indices, $1,090,000; for miscellaneous printing and binding, $60,000; in all, $1,150,000.

**BUREAU OF MINES**

**SALARIES AND GENERAL EXPENSES**

Salaries and general expenses: For general expenses, including pay of the director and necessary assistants, clerks, and other employees, in the office in the District of Columbia, and in the field, and every other expense requisite for and incident to the general work of the bureau in the District of Columbia, and in the field, to be expended under the direction of the Secretary of Commerce, $90,895, of which amount not to exceed $79,265 may be expended for personal services in the District of Columbia;

Investigating mine accidents: For investigations as to the causes of mine explosions, causes of falls of roof and coal, methods of mining, especially in relation to the safety of miners, the appliances best adapted to prevent accidents, the possible improvement of conditions under which mining operations are carried on, the use of explosives and electricity, the prevention of accidents, and other inquiries and technologic investigations pertinent to the mining industry, including all equipment, supplies, and expenses of travel and subsistence, purchase not exceeding $2,400, exchange as part payment for, operation, maintenance, and repair of motor-propelled passenger-carrying vehicles, purchase of laboratory gloves, goggles, rubber boots and aprons, $433,660, of which amount not to exceed $50,192 may be expended for personal services in the District of Columbia;

Mining investigations in Alaska: For investigations and the dissemination of information with a view to improving conditions in the mining, quarrying, and metallurgical industries as provided in the Act authorizing additional mining experiment stations, approved March 3, 1915 (U. S. C., title 30, sec. 8), and to provide for the inspection of mines and the protection of the lives of miners in the Territory of Alaska, including personal services, equipment, supplies, and expenses of travel and subsistence, $11,460;

Operating mine rescue cars and stations: For the investigation and improvement of mine rescue and first-aid methods and appliances and the teaching of mine safety, rescue, and first-aid methods, including the exchange in part payment for, operation, maintenance, and repair of mine rescue trucks, and motor-propelled passenger-carrying vehicles, the expenditure for the purchase of passenger-carrying vehicles not to exceed $4,200, the construction of temporary structures and the repair, maintenance, and operation of mine rescue cars and Government-owned mine rescue stations and appurtenances thereto, personal services, traveling expenses and subsistence, equipment, and supplies; travel and subsistence, and other incidental expenses of employees in attendance at meetings and conferences held for the purpose of promoting safety and health in the mining and allied industries; the purchase and exchange in part payment therefor of cooks’ uniforms, goggles, gloves, and such other articles or equipment as may be necessary in the operation of mine rescue cars and stations, for the erection, at a cost not to exceed $500, of a garage at Jellico, Tennessee, including not to exceed $18,940 for personal services in the District of Columbia, $359,520; Provided, That of this amount not to exceed $500 may be expended for the purchase and bestowal of trophies in connection with mine rescue and first-aid contests;
Testing fuel: To conduct inquiries and scientific and technologic investigations concerning the mining, preparation, treatment, and use of mineral fuels, and for investigation of mineral fuels belonging to or for the use of the United States, with a view to their most efficient utilization; to recommend to various departments such changes in selection and use of fuel as may result in greater economy, and, upon request of the Director of the Bureau of the Budget, to investigate the fuel-burning equipment in use by or proposed for any of the departments, establishments, or institutions of the United States in the District of Columbia, $180,610, of which amount not to exceed $32,060 may be expended for personal services in the District of Columbia.

Mineral mining investigations: For inquiries and scientific and technologic investigations concerning the mining, preparation, treatment, and utilization of ores and mineral substances, other than fuels, with a view to improving health conditions and increasing safety, efficiency, economic development, and conserving resources through the prevention of waste in the mining, quarrying, metallurgical, and other mineral industries; to inquire into the economic conditions affecting these industries; and including all equipment, supplies, expenses of travel and subsistence, and the purchase, not to exceed $2,500, including exchange, operation, maintenance, and repair of motor-propelled passenger-carrying vehicles, including not to exceed $17,000 for personal services in the District of Columbia, $165,460. Provided, That no part of this appropriation may be expended for an investigation in behalf of any private party.

Oil, gas, and oil-shale investigations: For inquiries and investigations and dissemination of information concerning the mining, preparation, treatment, and utilization of petroleum, natural gas, and oil shale, including economic conditions affecting the industry, with a view to economic development and conserving resources through the prevention of waste; for the purchase of newspapers relating to the oil, gas, and allied industries: Provided, That section 192 of the Revised Statutes (U. S. C., title 5, sec. 102) shall not apply to such purchase of newspapers from this appropriation; and for every other expense incident thereto, including supplies, equipment, expenses of travel and subsistence, purchase, not to exceed $7,000, exchange as part payment for, maintenance, and operation of motor-propelled passenger-carrying vehicles, purchase of laboratory gloves, goggles, rubber boots and aprons, $232,860, of which amount not to exceed $26,180 may be expended for personal services in the District of Columbia.

Mining experiment stations: For the employment of personal services, purchase of laboratory gloves, goggles, rubber boots and aprons, the purchase not to exceed $3,000, exchange as part payment for, maintenance and operation of motor-propelled passenger-carrying vehicles, and all other expenses in connection with the establishment, maintenance, and operation of mining experiment stations, as provided in the Act authorizing additional mining experiment stations, approved March 3, 1915 (U. S. C., title 30, sec. 8), $231,570, of which amount not to exceed $15,700 may be expended for personal services in the District of Columbia.

Buildings and grounds, Pittsburgh, Pennsylvania: For care and maintenance of buildings and grounds at Pittsburgh and Bruceton, Pennsylvania, including personal services, the purchase, exchange as part payment for, operation, maintenance, and repair of passenger automobiles for official use, and all other expenses requisite for and incident thereto, including not to exceed $5,000 for additions and improvements, $82,300.
Persons employed during the fiscal year 1932 in field work outside of the District of Columbia under the Bureau of Mines may be detailed temporarily for service in the District of Columbia for purposes of preparing results of their field work; all persons so detailed shall be paid in addition to their regular compensation only traveling expenses in going to and returning therefrom: Provided, That nothing herein shall prevent the payment to employees of the Bureau of Mines of their necessary expenses, or per diem in lieu of subsistence, while on temporary detail in the District of Columbia for purposes only of consultation or investigations on behalf of the United States. All details made hereinafter, and the purposes of each, during the preceding fiscal year shall be reported in the annual estimates of appropriations to Congress at the beginning of each regular session thereof;

The Secretary of the Treasury may detail medical officers of the Public Health Service for cooperative health, safety, or sanitation work with the Bureau of Mines, and the compensation and expenses of the officers so detailed may be paid from the applicable appropriations made herein for the Bureau of Mines;

Government fuel yards: For the purchase and transportation of fuel; storing and handling of fuel in yards; maintenance and operation of yards and equipment, including motor-propelled passenger-carrying vehicles for inspectors, purchase of equipment, rentals, and all other expenses requisite for and incident thereto, including personal services in the District of Columbia, the unexpended balance of the appropriations heretofore made for these purposes is reappropriated and made available for such purposes for the fiscal year 1932, and for payment of obligations for such purposes of prior years, and for such sum not exceeding $500 shall be available to settle claims for damages caused to private property by motor vehicles used in delivering fuel: Provided, That all moneys received from the sales of fuel shall be credited to this appropriation and be available for the purposes of this paragraph: Provided further, That the term "fuel" wherever used in this appropriation shall be understood to include fuel oil: Provided further, That the requirements of sections 3711 and 3713 of the Revised Statutes (U. S. C., title 40, sec. 109) relative to the weighing of coal and wood and the separate certificate as to the weight, measurement, or quantity of coal and wood purchased shall not apply to purchases by the Government fuel yards at free-on-board destinations outside of the District of Columbia;

Helium production and investigations: The sums made available for the fiscal year 1932 in the Acts making appropriations for the War and Navy Departments for the purchase of helium from the Bureau of Mines shall be advanced from time to time upon requisition by the Secretary of Commerce in such amounts as may be determined by the President not in excess of the sums needed for the economical and efficient operation and maintenance of the plants for the production of helium for military and/or naval purposes, including purchase, not to exceed $2,500, and exchange as part payment for, maintenance, operation, and repair of motor-propelled passenger-carrying vehicles, and including not to exceed $13,460 for personal services in the District of Columbia;

For investigations of resources of helium-bearing gas and the conservation thereof, and of processes and methods of producing, storing, purifying, and utilizing helium and helium-bearing gas, including supplies and equipment, stationery, furniture, expenses of travel and subsistence, purchase, not exceeding $1,200, exchange as part payment for, maintenance, and operation of motor-propelled passenger-carrying vehicles, purchase of laboratory gloves, goggles,
Helium plants: For helium production and conservation, including acquisition of helium-bearing gas land or wells by purchase, exchange, lease, or condemnation, or interest in such land or wells, the purchase, lease, construction, or modification of plants, pipe lines and accessories, compressor stations, camp buildings, and other facilities for the production, transportation, storage, and purification of helium and helium-bearing gas, including acquisition of sites and rights of way therefor, by purchase, lease, or condemnation, and including supplies and equipment, expenses of travel and subsistence, maintenance and operation of motor-propelled passenger-carrying vehicles, and all other necessary expenses, including not to exceed $6,560 for personal services in the District of Columbia, and including the payment of obligations incurred under the contract authorization carried under this heading in the Department of Commerce Appropriation Act for the fiscal year 1931, $93,010: Provided, That in addition thereto the unexpended balance of the appropriation made under this heading for the fiscal year 1931 is reappropriated and made available for the above purposes for the fiscal year 1932: Provided further, That no part of the appropriation herein made may be expended except with the approval of the President: Provided further, That the Secretary of Commerce may, with the approval of the President, enter into contracts incurring additional obligations not in excess of $500,000, and his action in so doing shall be deemed a contractual obligation of the Federal Government: Provided further, That the acquirement of leases, sites, and rights of way under terms customary in the oil and gas industry, including obligations to pay rental in advance and to pay damages to lands, crops, or structures arising out of the Government's operations is authorized: Provided further, That should valuable products other than helium-bearing gas be discovered in wells acquired or drilled for helium-bearing gas under this appropriation the Secretary of Commerce is authorized to provide for the disposal of said wells or the products therefrom, by the contracts under which the property is acquired, or otherwise, in accordance with the interests of the Government therein and in the manner which, in his opinion, is most advantageous to the Government;

Economics of mineral industries: For inquiries and investigations, and the dissemination of information concerning the economic problems of the mining, quarrying, metallurgical, and other mineral industries, with a view to assuring ample supplies and efficient distribution of the mineral products of the mines and quarries, including studies and reports relating to uses, reserves, production, distribution, stocks, consumption, prices, and marketing of mineral commodities and primary products thereof; preparation of the reports of the mineral resources of the United States, including special statistical inquiries; statistical studies and reports relating to mine accidents; and including personal services in the District of Columbia and elsewhere; purchase of furniture and equipment; stationery and supplies; typewriting, adding, and computing machines, accessories and repairs; newspapers; traveling expenses; purchase, not exceeding $1,200, operation, maintenance, and repair of motor-propelled passenger-carrying vehicles; and for all other necessary expenses not included in the foregoing, $322,660, of which amount not to exceed $252,960 may be expended for personal services in the District of Columbia;
During the fiscal year 1932 the head of any department or independent establishment of the Government having funds available for scientific investigations and requiring cooperative work by the Bureau of Mines on scientific investigations within the scope of the functions of that bureau and which it is unable to perform within the limits of its appropriations may, with the approval of the Secretary of Commerce, transfer to the Bureau of Mines such sums as may be necessary to carry on such investigations. The Secretary of the Treasury shall transfer on the books of the Treasury Department any sums which may be authorized hereunder, and such amounts shall be placed to the credit of the Bureau of Mines for the performance of work for the department or establishment from which the transfer is made: Provided, That any sums transferred by any department or independent establishment of the Government to the Bureau of Mines for cooperative work in connection with this appropriation may be expended in the same manner as sums appropriated herein may be expended;

The purchase of supplies and equipment or the procurement of services for the Bureau of Mines, at the seat of government, as well as in the field outside of the District of Columbia, may be made in open market without compliance with section 3709 of the Revised Statutes of the United States, in the manner common among business men, when the aggregate amount of the purchase or the service does not exceed $100 in any instance;

For the purchase or exchange of professional and scientific books, law books, and books to complete broken sets, periodicals, directories, and other books of reference relating to the business of the Bureau of Mines, there is hereby made available from any appropriations made for such bureau not to exceed $3,500;

For necessary traveling expenses of the director and employees of the bureau, acting under his direction, for attendance upon meetings of technical, professional, and scientific societies, when required in connection with the authorized work of the Bureau of Mines and incurred on the written authority of the Secretary of Commerce, there is hereby made available from any appropriations made to the Bureau of Mines not to exceed in all $3,000;

Total, Bureau of Mines, $2,278,765.

TITLE IV.—DEPARTMENT OF LABOR
