AN ACT

To authorize leases of real or personal property by the War and Navy Departments, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That whenever the Secretary of War or the Secretary of the Navy shall deem it to be advantageous to the Government he is authorized to lease such real or personal property under the control of his Department as is not surplus to the needs of the Department within the meaning of the Act of October 3, 1944 (58 Stat. 765), and is not for the time required for public use, to such lessee or lessees and upon such terms and conditions as in his judgment will promote the national defense or will be in the public interest. Each such lease shall be for a period not exceeding five years unless the Secretary of the Department concerned shall determine that a longer period will promote the national defense or will be in the public interest. The Secretary of the Department concerned may include, among other terms and conditions in the lease, a right of first refusal in the lessee to purchase the property in the event of the revocation of the lease in order to permit sale thereof by the Government, but this section shall not be construed as authorizing the sale of any property unless the sale thereof is otherwise authorized by law. Each such lease shall contain a provision permitting the Secretary of the Department concerned to revoke the lease at any time, unless the Secretary shall determine that the omission of such provision from the lease will promote the national defense or will be in the public interest. In any event each such lease shall be revocable by the Secretary of the Department concerned during a national emergency declared by the President. Notwithstanding section 321 of the Act of June 30, 1932 (47 Stat. 412; U. S. C., title 40, sec. 303b), or any other provision of law, any such lease may provide for the maintenance, protection, repair, or restoration by the lessee, of the property leased or of the entire unit or installation where a substantial part thereof is leased, as a part or all of the consideration for the lease of such property. In the event utilities or services shall be furnished by the Department concerned to the lessee in connection with any lease, payments for utilities or services so furnished may be covered into the Treasury to the credit of the appropriation or appropriations from which the costs of furnishing any such utilities or services to the lessee was paid. Except as otherwise hereinabove provided, any money rentals received by the Government directly under any such lease shall be deposited and covered into the Treasury as miscellaneous receipts. The authority herein granted shall not apply to oil, mineral, or phosphate lands. The Secretary of War or the Secretary of the Navy, as the case may be, shall submit to the Congress on the 1st day of January and the 1st day of July of each year, following the enactment of this law, a report of all leases entered into in accordance with the provisions of this Act.

SEC. 3. (a) Notwithstanding any other provision of law, all right, title, and interest of Reconstruction Finance Corporation in any plants or facilities, and the machinery, equipment, and other personal property accessory thereto, acquired by Defense Plant Corporation or Reconstruction Finance Corporation in accordance with authority
contained in the Reconstruction Finance Corporation Act (U. S. C., title 15, secs. 601-617) pursuant to undertakings by the War Department or the Navy Department to reimburse Defense Plant Corporation or Reconstruction Finance Corporation to the extent of the unrecovered cost thereof in the event Congress authorizes such reimbursement by making appropriations therefor, shall be transferred by Reconstruction Finance Corporation (or by War Assets Administration, if such property has been declared surplus) to the War Department or the Navy Department upon certification by the Secretary of War or the Secretary of the Navy made within six months after the enactment hereof, that the retention of such plants or facilities, and the machinery, equipment, and other personal property accessory thereto, by the War Department or the Navy Department, as the case may be, is necessary for the maintenance of an adequate Military or Naval Establishment including industrial reserve.

(b) Notwithstanding any other provision of law, all right, title, and interest of Reconstruction Finance Corporation or War Assets Administration in any machinery or equipment shall be transferred by the agency having control thereof to the War Department or the Navy Department upon certification by the Secretary of War or the Secretary of the Navy made within six months after the enactment hereof, that the retention of such machinery or equipment by the War Department or the Navy Department, is necessary for the maintenance of an adequate Military or Naval Establishment, including industrial reserve.

Sec. 4. Any transfer made pursuant to section 3 of this Act shall be approved by the Director of the Bureau of the Budget to the extent and in the manner determined by him and shall be made without charge or reimbursement from the funds available to the War Department or the Navy Department, except for costs of packing, handling, and transportation of machinery and equipment transferred under section 3 (b) hereof.

Sec. 5. (a) Whenever in the opinion of the Secretary of War or the Secretary of the Navy, as the case may be, the interests of national defense require assurance of the continued availability for war-production purposes of the industrial capacity of shipyards, plants, and equipment which are surplus to the needs of their respective Departments or of the Reconstruction Finance Corporation within the meaning of the Surplus Property Act of 1944, they are authorized to direct the imposition of such terms, conditions, restrictions, and reservations in the disposition of such property by the disposal agency under said Act as will in the opinion of the Secretary concerned be adequate to assure such continued availability.

(b) In the event the disposal agency is unable to dispose of any such industrial plants and equipment subject to such terms, conditions, restrictions, or reservations as have been imposed, within a reasonable time and after such property shall have been offered for sale and reasonable efforts made to dispose of the same, the Department imposing such terms, conditions, restrictions, or reservations shall (1) modify them to the extent necessary to permit the sale or lease of such property, (2) withdraw the property from surplus, or, in the case of Reconstruction Finance Corporation property, request a transfer thereof in the manner provided in sections 3 (a) and 4 of this Act, or (3) eliminate and waive the requirement for the imposition of any terms, conditions, restrictions, or reservations made under the authority of this section.

Sec. 6. The lessee's interest, made or created pursuant to the provisions of this Act, shall be made subject to State or local taxation. Any
lease of property authorized under the provisions of this Act shall contain a provision that if and to the extent that such property is made taxable by State and local governments by Act of Congress, in such event the terms of such lease shall be renegotiated.

SEC. 7. There is authorized to be appropriated, out of any moneys in the Treasury of the United States not otherwise appropriated, such sums as may be necessary to carry out the purposes of this Act.

Approved August 5, 1947.
