

(b) Such section is further amended by striking out "and" at the end of paragraph (h), by striking out the period at the end of paragraph (i) and inserting in lieu thereof a semicolon, and by inserting after paragraph (i) the following new paragraphs:

"Title."

"(j) the term 'title', when used with reference to a site for a project, means a fee simple, or such other estate or interest (including a leasehold on which the rental does not exceed 4 per centum of the value of the land) as the Surgeon General finds sufficient to assure for a period of not less than fifty years undisturbed use and possession for the purposes of construction and operation of the project;

"Federal share."

"(k) the term 'Federal share' with respect to any project means the proportion of the cost of construction of such project to be paid by the Federal Government under part C. In the case of any project approved prior to the effective date of this subsection, the Federal share shall be $33\frac{1}{3}$ per centum of the cost of construction of such project. In the case of any project approved on or after the effective date of this subsection, the Federal share shall be determined as follows:

Ante, p. 899.

"(1) if the State plan, as of the date of approval of the project application, contains standards approved by the Surgeon General pursuant to section 623 (e), the Federal share with respect to such project shall be determined by the State agency in accordance with such standards;

"(2) if the State plan does not contain such standards, the Federal share shall be the amount (not less than $33\frac{1}{3}$ per centum and not more than either $66\frac{2}{3}$ per centum or the State's allotment percentage, whichever is the lower) established by the State agency for all projects in the State: *Provided*, That prior to the approval of the first project in the State during any fiscal year, the State agency shall give to the Surgeon General written notification of the Federal share established under this paragraph for projects in such State to be approved by the Surgeon General during such fiscal year, and the Federal share for projects in such State approved during such fiscal year shall not be changed after such approval."
