Pre-emption rights in Mississippi—time for satisfying them.

Statute II.

March 3, 1807.

Chap. XLIX.—An Act making provision for the disposal of the public lands, situated between the United States military tract and the Connecticut reserve, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That for the disposal of the lands of the United States, situated between the United States military tract and the Connecticut reserve, a land-office shall be established, which shall be kept at such place as the President of the United States may direct: and that for the disposal of the lands of the United States, lying on the Ohio river, between the Cincinnati and Vincennes districts, a land-office shall be established at Jeffersonville: and for each of the said offices a register and receiver of public monies shall be appointed, who shall give security in the same manner, in the same sums, and whose compensation, emoluments, duties and authority, shall, in every respect, be the same, in relation to the lands which shall be disposed of at their offices, as are or may be provided by law, in relation to the registers and receivers of public monies in the several offices established for the disposal of the lands of the United States, north of the river Ohio, and above the mouth of Kentucky river.

When to be sold.

Reservations, &c.

The sales to remain open for six weeks.

1808, ch. 55.

Lands not to be sold for less than two dollars per acre.

1809, ch. 55.

Compensation of superintendents of sales.

Registers and receivers may be appointed in the recess of the Senate.
force until the end of the session of Congress next ensuing such appointment.

Sec. 5. *And be it further enacted*, That the several lead mines in the Indiana territory, together with as many sections contiguous to each as shall be deemed necessary by the President of the United States, shall be reserved for the future disposal of the United States; and any grant which may hereafter be made for a tract of land containing a lead mine, which had been discovered previous to the purchase of such tract from the United States, shall be considered fraudulent and null: and the President of the United States shall be, and is hereby authorized to lease any lead mine which has been or may hereafter be discovered in the Indiana territory, for a term not exceeding five years.

Sec. 6. *And be it further enacted*, That George Ash shall have the right of pre-emption to six hundred and forty acres of land including his improvement on the river Ohio, below the former Indian boundary line; the boundaries of the tract shall be designated by the register of the land-office, and the said land shall be granted to him at the same price, and on payment being made in the same manner as for other public land sold at private sale, the respective instalments of the purchase money shall become due at the same time with the payments on the first public lands sold in that district.

Approved, March 3, 1807.

RESOLUTION to publish the Report and Chart of the Survey of the coast of North Carolina.

Resolved, by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury be, and he hereby is authorized and directed, to cause to be published the report and chart of a survey of the coast of North Carolina, made by Thomas Coles and Jonathan Price, under the act of Congress passed at the last session for that purpose.

Approved, March 2, 1807.
