44 Stat. 2422; Treaty Series 743

WHEREAS His Britannic Majesty has accepted a mandate for the admin-
istration of part of the former German protectorate of the Cameroons, the
terms of which have been defined by the Council of the League of Nations as
follows:—

"ARTICLE 1

"The territory for which a mandate is conferred upon His Britannic Maj-
esty comprises that part of the Cameroons which lies to the west of the line
laid down in the Declaration signed on the 10th July, 1919, of which a copy
is annexed hereto."

"This line may, however, be slightly modified by mutual agreement be-
tween His Britannic Majesty's Government and the Government of the
French Republic where an examination of the localities shows that it is un-
desirable, either in the interests of the inhabitants or by reason of any inaccuracies in the map, Moisel 1: 300,000, annexed to the Declaration, to adhere
strictly to the line laid down therein.

"The delimitation on the spot of this line shall be carried out in accordance
with the provisions of the said Declaration.

"The final report of the Mixed Commission shall give the exact description
of the boundary line as traced on the spot; maps signed by the Commis-
sioners shall be annexed to the report. This report, with its annexes, shall be
drawn up in triplicate; one of these shall be deposited in the archives of

the League of Nations, one shall be kept by His Britannic Majesty's Government, and one by the Government of the French Republic.

"Article 2"

"The Mandatory shall be responsible for the peace, order and good government of the territory, and for the promotion to the utmost of the material and moral well-being and the social progress of its inhabitants.

"Article 3"

"The Mandatory shall not establish in the territory any military or naval bases, nor erect any fortifications, nor organise any native military force except for local police purposes and for the defence of the territory.

"Article 4"

"The Mandatory:

1. Shall provide for the eventual emancipation of all slaves, and for as speedy an elimination of domestic and other slavery as social conditions will allow;
2. Shall suppress all forms of slave trade;
3. Shall prohibit all form of forced or compulsory labour, except for essential public works and services, and then only in return for adequate remuneration;
4. Shall protect the natives from abuse and measures of fraud and force by the careful supervision of labour contracts and the recruiting of labour;
5. Shall exercise a strict control over the traffic in arms and ammunition and the sale of spirituous liquors.

"Article 5"

"In the framing of laws relating to the holding or transfer of land, the Mandatory shall take into consideration native laws and customs, and shall respect the rights and safeguard the interests of the native population.

"No native land may be transferred, except between natives, without the previous consent of the public authorities, and no real rights over native land in favour of non-natives may be created, except with the same consent.

"The Mandatory shall promulgate strict regulations against usury.

"Article 6"

"The Mandatory shall secure to all nationals of States Members of the League of Nations the same rights as are enjoyed in the territory by his own nationals in respect of entry into and residence in the territory, the protection afforded to their person and property, and acquisition of property, movable and immovable, and the exercise of their profession or trade, subject only
to the requirements of public order, and on condition of compliance with
the local law.

"Further, the Mandatory shall ensure to all nationals of States Members
of the League of Nations, on the same footing as to his own nationals, free-
dom of transit and navigation, and complete economic, commercial and in-
dustrial equality; except that the Mandatory shall be free to organise essen-
tial public works and services on such terms and conditions as he thinks
just.

"Concessions for the development of the natural resources of the territory
shall be granted by the Mandatory without distinction on grounds of na-
tionality between the nationals of all States Members of the League of Na-
tions, but on such conditions as will maintain intact the authority of the local
Government.

"Concessions having the character of a general monopoly shall not be
granted. This provision does not affect the right of the Mandatory to create
monopolies of a purely fiscal character in the interest of the territory under
mandate and in order to provide the territory with fiscal resources which
seem best suited to the local requirements; or, in certain cases, to carry out
the development of natural resources, either directly by the State or by a con-
trolled agency, provided that there shall result therefrom no monopoly of
the natural resources for the benefit of the Mandatory or his nationals, di-
rectly or indirectly, nor any preferential advantage which shall be inconsis-
tent with the economic, commercial and industrial equality hereinbefore
guaranteed.

"The rights conferred by this article extend equally to companies and as-
ociations organised in accordance with the law of any of the Members
of the League of Nations, subject only to the requirements of public order,
and on condition of compliance with the local law.

"Article 7

"The Mandatory shall ensure in the territory complete freedom of con-
science and the free exercise of all forms of worship which are consonant with
public order and morality; missionaries who are nationals of States Members
of the League of Nations shall be free to enter the territory and to travel and
reside therein, to acquire and possess property, to erect religious buildings and
to open schools throughout the territory; it being understood, however, that
the Mandatory shall have the right to exercise such control as may be neces-
sary for the maintenance of public order and good government, and to take
all measures required for such control.

"Article 8

"The Mandatory shall apply to the territory any general international con-
tentions applicable to his contiguous territory.
"Article 9

"The Mandatory shall have full powers of administration and legislation in the area, subject to the mandate. This area shall be administered in accordance with the laws of the Mandatory as an integral part of his territory and subject to the above provisions.

"The Mandatory shall therefore be at liberty to apply his laws to the territory under the mandate, subject to the modifications required by local conditions, and to constitute the territory into a customs, fiscal or administrative union or federation with the adjacent territories under his sovereignty or control, provided always that the measures adopted to that end do not infringe the provisions of this mandate.

"Article 10

"The Mandatory shall make to the Council of the League of Nations an annual report, to the satisfaction of the Council, containing full information concerning the measures taken to apply the provisions of this mandate.

"Article 11

"The consent of the Council of the League of Nations is required for any modification of the terms of this mandate.

"Article 12

"The Mandatory agrees that, if any dispute whatever should arise between the Mandatory and another Member of the League of Nations relating to the interpretation or the application of the provisions of the mandate, such dispute, if it cannot be settled by negotiation, shall be submitted to the Permanent Court of International Justice provided for by article 14 of the Covenant of the League of Nations; and
