The American Ambassador to the Secretary of State for Foreign Affairs

EMBASSY OF THE
United States of America
Port-au-Prince, Haiti, June 29, 1944

Excellency:

I have the honor to refer to President Lescot’s memorandum dated April 6, 1942, left by him with the Acting Secretary of State in Washington, and to Mr. Welles’ reply of April 7, relative to the initiation of a cooperative program of health and sanitation in Haiti. Your Excellency will recall that the United States Government, in contributing $350,000 toward this program and subsequently making available an additional $150,000, to be used for the anti-laws aspect of it, was acting in accordance with Resolution XXX regarding health and sanitary conditions, adopted by the Third Meeting of the Ministers of Foreign Affairs of the American Republics at Rio in 1942.  

I now have the honor to state that my Government is prepared, if Your Excellency’s Government so desires, to make available, through the Institute of Inter-American Affairs, an additional sum of $300,000 for the purpose of cooperating with the Government of Haiti in extending the aforesaid program of health and sanitation on the understanding that the Government of Haiti for its part will contribute the sum of $150,000. This extension would terminate on October 1, 1947 in so far as the funds contributed by the United States are concerned.

The type of work and specific projects to be undertaken and the cost thereof and the methods and procedures to be employed in conducting the extended program are to be mutually agreed to by the appropriate official of the Government of Haiti and an appropriate official of The Institute of Inter-American Affairs.

The Government of the United States will continue to furnish such experts as are considered necessary in order to collaborate with Your Excellency’s Government in extending the health and sanitation program.

All projects and property acquired in connection with the program shall be the property of the Government of Haiti.

No project will be undertaken that will require supplies or materials the procurement of which would handicap any phase of the war effort.

I shall be glad if Your Excellency will be so good as to confirm to me your approval of this general proposal with the understanding that the details of the program will be a subject of further discussion and agreement as provided for herein.

Accept, Excellency, the renewed assurance of my high consideration.
