Excellency:

I have the honor in accordance with instructions of my Government to refer to conversations between representatives of the Grand Ducal Government of Luxembourg and the Government of the United States with regard to the settlement of the respective shares of the Governments of the United States, the United Kingdom and Canada in the combined claim for the civilian supplies furnished by the Allied armies for the population of the Grand Duchy of Luxembourg and to transmit to Your Excellency in connection therewith a memorandum setting forth the agreement of the Luxembourg Government to settlements with the United States Government.

I avail myself of this occasion to renew to Your Excellency the assurance of my highest consideration.

Enclosure:
Memorandum.

His Excellency
Monsieur Pierre Dupong,
President of the Government,
Minister of Finance, etc., etc., etc.,
Luxembourg.

MEMORANDUM PRESENTED TO THE GOVERNMENT OF LUXEMBOURG
BY THE AMERICAN LEGATION

In identical notes to your Government dated June 19, 1946, the Governments of the United States, the United Kingdom, and Canada set forth the
respective share of each Government in the combined claim for the civilian
supplies furnished by the Allied armies for the population of the Grand
Duchy of Luxembourg, and indicated that each Government would com-
municate further with your Government concerning the method of settlement
for its share.

Discussions have since been held between the representatives of the Gov-
ernment of Belgium and of the United States Government with regard to
the final settlement of war accounts. In this connection, representatives of
the United States Government and the Government of Belgium have dis-
cussed with representatives of the Grand Duchy of Luxembourg the method
of settlement for the United States share of the combined claim for civilian
supplies (Plan A) furnished to the Government of Luxembourg. As a result
of these discussions, it has been decided that, subject to the concurrence of
the Grand Duchy of Luxembourg, the most satisfactory method of accom-
plishing settlement for the United States share of Plan A supplies furnished
the Government of Luxembourg would be to include this share (and to
require no payment therefor from the Belgian Government) in the over-all
settlement between the United States Government and the Belgian Govern-
ment of lend-lease, reciprocal aid, and other war accounts, in which the
Belgian Government and the Grand Duchy have been continually associated.

Since the Government of the United States is committed by written agree-
ments to participate on a combined basis with the United Kingdom and
Canadian Governments in the collection of the total bill for these supplies
and in the determination of the relative shares of each in the proceeds, it is
necessary for this Government to stipulate that this method of settlement for
the United States share of the combined bills for the civilian supplies fur-
nished the Grand Duchy of Luxembourg is conditional upon the fulfillment
of the following conditions:

a) That the Luxembourg Government recognize that the settlement to
be made with the United States Government in no way impairs the validity
of the obligation of the Luxembourg Government to the United Kingdom
and Canadian Governments for their shares of the combined bills.

b) That the Belgian Government establish a reserve of 10 percent of the
combined bills being presented to the Luxembourg Government and the
Belgian Government. This reserve is to be established forthwith for bills here-
toforesubmittedandatthetimeofsubmissionforbillshereaftersubmitted.
This reserve is to be deducted from the United States share, and is to be held
in the name of the Belgian Government in the Banque Nationale de Belgique
in funds convertible into sterling or Canadian dollars, or both, at rates to be
agreed upon by the Government of Belgium with the United Kingdom and
Canadian Governments. The reserve will be payable to the United Kingdom

and Canadian Governments to the extent and in such proportions of sterling and Canadian dollars as the United States, United Kingdom, and Canadian Governments may determine by combined agreement to be necessary in order to comply with the existing financial arrangements among the three supplying governments. Any amounts of the reserve not so paid will not be claimed by the United States Government, and will revert to the free disposition of the Belgian Government upon combined notification by the United States, United Kingdom, and Canadian Governments.

If the provisions of this memorandum are acceptable to the Government of Luxembourg, it will be appreciated if the Government of the United States might have a reply from the Government of Luxembourg expressing its concurrence.
