MY DEAR MR. CROSS:

This is to confirm the conversations between representatives of the British Embassy and the State Department with regard to overpayment of charter hire on the ships named in the ensuing list. These ships, hereinafter referred to as the 7(c) ships, became known by that designation in 1945 from the application to them of Article 7(c) (second sentence) of the Agreement on Principles Having Reference to the Continuation of Coordinated Control of Merchant Shipping, dated August 5, 1944. They are the following:

- BLINJOE: KOTA BAROE, TASMAN
- BLOEMFONTEIN: KOTA INTEN, TEGELBERG
- BOISSEVAIN: MAETSUYCKER, THEDENS
- BONTEKOE: MELCHIOR TREUB, TJISADANE
- BOSCHFONTEIN: NOORDAM, TJITJALENGKA
- BOTH: OPHIR, TOBA
- BRASTAGI: PAHUD, VALENTIJN
- GENERAAL MICHELS: POELAU LAUT, VAN DEN BOSCH
- GENERAAL VERSPYCK: RUYS, VAN DER LIJN
- JAPARA: SLOTERDIJK, VAN HEUTSZ
- KHOEN HOEA: SOMMELSIDIJK, VAN OUTHOORN
- KLIPPONTEIN: SWARTENHOND'T, VAN SPIELBERGEN
- KOTA AGOENG: TABINTA, WELTEVREDEN

The circumstances of the overpayment of charter hire on these ships were as follows:

Pursuant to the “Memorandum of Arrangement Regarding Netherland East Indies Shipping, 5th June 1942.” (known as the June 5 Memorandum), signed on behalf of the Netherlands Government and the British Minister of War Transport, the Netherlands Government chartered certain ships to the United Kingdom Government, with the provision that 80 percent of the stipulated charter hire should be paid by the United Kingdom Government to the Netherlands Government in dollars. The 7(c) ships were a part of the ships so chartered. By a collateral agreement (known as the Dollar Agreement), dated as of June 5, 1942, between the United Kingdom Government and this Government, this Government undertook to pay to the United Kingdom Government the amount of dollars required for the payment of the dollar charter hire due from the United Kingdom Government to the Netherlands Government under the June 5 Memorandum. Pursuant to these agreements dollar charter hire was paid by the United Kingdom Government to the Netherlands Government, and the United States Government reimbursed the United Kingdom Government in dollars for the dollar charter hire so paid. These arrangements applied not only to those of the chartered ships that were allocated to the United States Government but also to those which continued in service with the British Ministry of War Transport within the framework of the United Maritime Authority.

1 TIAS 1722, ante, vol. 3, p. 891.
In 1945, more than three years after the effective date of these arrangements, the 7(c) ships were retroactively removed from them. The change was made by an exchange of notes between the Netherlands Embassy at London and the Foreign Office, dated June 9, 1945 and August 11, 1945, and by an exchange of notes between the Netherlands Embassy at Washington and the State Department, dated June 6, 1945 and July 31, 1945.2

Under the new arrangement the 7(c) ships were made available by the Netherlands Government at a nominal charter hire to either the United Kingdom Government or the United States Government. This arrangement was retroactive to specific dates on or about May 23, 1945, and from those dates, therefore, the United Kingdom Government had no obligation, with respect to these ships, to pay the charter hire stipulated in the June 5 Memorandum.

Nevertheless, between the specific dates on or about May 23, 1945 and the establishment of the new arrangement, and for a short time thereafter while negotiations were being conducted, the administrative machinery for the payment of charter hire under the June 5 Memorandum continued to function as before, with the result that, in addition to payments owing with respect to ships remaining under the June 5 Memorandum, overpayments of dollar charter hire for the period ending August 31, 1945 in the amount of $1,487,056.95 (as shown by the statement certified by the Ministry of Transport dated October 25, 1946) were made by the United Kingdom Government to the Netherlands Government with respect to the 7(c) ships and this same amount of dollars was paid under the Dollar Agreement by the United States Government to the United Kingdom Government with respect to the 7(c) ships.

These overpayments became in due course the subject of discussion among the three Governments concerned, and it has been understood that the United Kingdom Government would ask for repayment by the Netherlands Government of the amount overpaid by the United Kingdom Government to the Netherlands Government, and the United Kingdom Government would in turn repay to the United States Government the amount overpaid by the United States Government to the United Kingdom Government. We understand that the United Kingdom Government has in fact asked the Netherlands Government for the repayment expected from the Netherlands Government.

As you know from discussions which we have had with you of matters of common concern to the three Governments, the United States Government and the Netherlands Government are now negotiating an overall settlement of lend-lease and other war accounts. Because of undertakings which the Netherlands Government is prepared to give to the United States Government as part of this settlement, the United States Government desires to

submit to your Government the following proposals with respect to the overpayment of charter hire arising by reason of the removal of the 7(c) ships from the operation of the June 5 Memorandum during the 7(c) period (which in each case commenced on a specific date on or about May 23, 1945 and ended on the date of redelivery to the Netherlands Government or March 2, 1946, whichever was the earlier):

(1) The United States Government will waive all its claims against the United Kingdom Government for overpayments so arising under the Dollar Agreement.

(2) The United Kingdom Government will waive all its claims against the Netherlands Government for dollar overpayments of charter hire so arising under the June 5 Memorandum.

If this course is acceptable to your Government, we shall be glad to arrange with you for the necessary waivers, to be delivered concurrently with the signing of the overall lend-lease settlement with the Netherlands Government.

Sincerely yours,
