Except as provided in Article 3 hereof the Foundation shall be exempt from the domestic and local laws of the United States of America and the Kingdom of the Netherlands, as they relate to the use and expenditure of currencies and credits for currencies, for the purposes set forth in the present Agreement.

7. Recommend to the aforesaid Board of Foreign Scholarships such qualifications for the selection of participants in the programs as it may deem necessary for achieving the purpose and objectives of the Foundation.
8. Provide for periodic audits of the accounts of the Foundation as directed by auditors selected by the Secretary of State of the United States of America.

ARTICLE 5

The management and direction of the affairs of the Foundation shall be vested in a Board of Directors consisting of ten members (hereinafter designated the "Board"), five of whom shall be citizens of the United States of America and five of whom shall be nationals of the Kingdom of the Netherlands. Of the citizens of the United States a minimum of three shall be officers of the United States Foreign Service establishment in the Netherlands. The principal officer in charge of the diplomatic mission of the United States of America to the Netherlands (hereinafter designated as the "Chief of Mission"), shall be Honorary Chairman of the Board. He shall cast the deciding vote in the event of a tie vote by the Board and shall appoint the Chairman of the Board. The United States citizens on the Board shall be appointed and removed by the Chief of Mission; the nationals of the Kingdom of the Netherlands on the Board shall be designated by the Government of the Kingdom of the Netherlands.

Foundation's officers or staff may be carried on at such places as may be approved by the Board.

**Article 9**

The Board may appoint an Executive Officer and determine his salary and term of service, provided however, that in the event it is found to be impracticable for the Board to secure an appointee acceptable to the Chairman, the Government of the United States of America may provide an Executive Officer and such assistants as may be deemed necessary to ensure the effective operation of the program. The Executive Officer shall be responsible for the direction and supervision of the Board's programs and activities in accordance with the Board's resolutions and directives. In his absence or disability, the Board may appoint a substitute for such time as it deems necessary or desirable.

**Article 10**

The decisions of the Board in all matters may, in the discretion of the Secretary of State of the United States of America, be subject to his review.

**Article 11**

The Government of the Kingdom of the Netherlands shall, within 30 days from the date of signature of the present Agreement, and on each January 1 thereafter, deposit with the Treasurer of the United States of America an amount of currency of the Government of the Kingdom of the Netherlands equivalent to $250,000 (U.S. currency) until an aggregate amount of the currency of the Government of the Kingdom of the Netherlands equivalent to $5,000,000 (U.S. currency) shall have been deposited. The rate of exchange between currency of the Government of the Kingdom of the Netherlands and United States currency to be used in determining the amount of currency of the Government of the Kingdom of the Netherlands to be deposited from time to time hereunder, shall be determined in accordance with Article 7 E of the Settlement Agreement.

The Government of the Kingdom of the Netherlands shall guarantee the United States of America against loss resulting from any alteration in the above rate of exchange or from any currency conversion with respect to any currency of the Government of the Kingdom of the Netherlands received hereunder and held by the Treasurer of the United States of America or by the Foundation by undertaking to pay to the Government of the United States of America such amounts of currency of the Government of the Kingdom of the Netherlands as are necessary to maintain the dollar value of such currency of the Government of the Kingdom of the Netherlands as is held by the Treasurer of the United States of America or the Foundation. The pur-
pose of this provision is to assure that the operations of the Foundation will
not be interrupted or restricted by any deficits resulting from alterations in
the above rate of exchange or from currency conversions.

The Secretary of State of the United States of America will make available
for expenditure by the Foundation currency of the Government of the King-

EXCHANGE OF NOTES

The Minister of Foreign Affairs to the American Ambassador

THE HAGUE, 17th May 1949

Your Excellency,

On signing today the Agreement for the use of funds made available in accordance with the Agreement between the Government of the Kingdom of the Netherlands and the Government of the United States of America, regarding Settlement for Lend-Lease, Reciprocal Aid, Surplus Property, Military Relief and Claims, signed at Washington D.C. on May 28, 1947, I have the honour to refer to the exchange of letters during the months of June and July 1948 between Her Majesty's Embassy at Washington D.C. and the Department of State, concerning the interpretation of paragraphs 1 and 2 of Article 12 of the aforesaid Agreement and pursuant thereto I herewith confirm that it is agreed that:

Article 12, paragraph 1:

"Furniture, equipment, supplies and any other articles intended for the official use of the Foundation" does not include such articles intended for personal use of members of the Board of Directors.

Article 12, paragraph 2:

It is understood that the Foundation will be exempt from custom-duties, excises or surtaxes in all cases where such taxation is clearly distinguishable
such as import duties on imported goods. If goods are bought in the open market, excise and other indirect taxes will not be deducted from the purchasing price when the goods are bought.

The Netherlands Government, in order to avoid administrative complications, would appreciate if the Foundation should refrain from requesting a refund of such indirect, more or less "hidden" taxes. If this would not be feasible a procedure would have to be considered by which a refund could be made on for instance sales-tax.

The Foundation itself will not be taxed. No exemption can be granted of payment of registration dues, stampduties or notary-fees in the case of sales of real property or leases thereof.

I would be grateful to have Your Excellency’s confirmation on behalf of the Government of the United States of the above interpretations and I have the honour to suggest that the present Note and Your Excellency’s reply to that effect should be considered as placing on record the formal agreement of the two Governments in this matter.

I avail myself of this opportunity to renew to Your Excellency the assurances of my highest consideration.

Stikker

His Excellency

Dr. Herman B. Baruch,

Ambassador Extraordinary and

Plenipotentiary

of the United States of America.

The American Ambassador to the Minister of Foreign Affairs

The Hague, 17th May 1949

Your Excellency,

On signing today the Agreement for the use of funds made available in accordance with the Agreement made between the Government of the United States of America and the Government of the Kingdom of the Netherlands regarding Settlement for Lend-Lease, Reciprocal Aid, Surplus Property, Military Relief and Claims, signed at Washington on May 28, 1947, I have the honor to refer to the exchange of letters during the months of June and July 1948 between the Department of State and the Netherlands Embassy in Washington concerning the interpretation of paragraphs 1 and 2 of Article 12 of the aforesaid Agreement and pursuant thereto I herewith confirm that it is agreed that:
Article 12, Paragraph 1:

“Furniture, equipment, supplies, and any other articles intended for the official use of the Foundation” does not include such articles intended for personal use of members of the Board of Directors.

Article 12, Paragraph 2:

It is understood that the Foundation will be exempt from custom-duties, excises or surtaxes in all cases where such taxation is clearly distinguishable, such as import duties on imported goods. If goods are bought in the open market, excise and other indirect taxes will not be deducted from the purchase price when goods are bought.

The Government of the United States of America acknowledges that administrative complications may be involved in the collection of refunds of indirect taxes. It however suggests that a procedure be established whereby refunds can be made upon presentation of suitable documentation to the Netherlands Government.

The Government of the United States of America understands that the Educational Foundation established under the Fulbright Agreement will itself not be taxed. No exemption will be made, however, of payment of registration dues, stamp duties, or notary fees in the case of sales of real property or leases thereof.

I have the honor to agree that this Note, together with Your Excellency's Note dated 17th May 1949, shall be considered as placing on record the formal agreement of the two Governments in this matter.

I avail myself of this opportunity to renew to Your Excellency the assurances of my highest consideration.

Herman B. Baruch

His Excellency
Dr. D. U. Stikker,
Royal Netherlands Minister
for Foreign Affairs,
The Hague.
