RESOLUTION REGARDING EXISTING COMMITMENTS OF CHINA OR WITH RESPECT TO CHINA

The Powers represented in this Conference, considering it desirable that there should hereafter be full publicity with respect to all matters affecting the political and other international obligations of China and of the several Powers in relation to China, are agreed as follows:

I. The several Powers other than China will at their earliest convenience file with the Secretariat General of the Conference for transmission to the participating Powers, a list of all treaties, conventions, exchanges of notes, or other international agreements which they may have with China, or with any other Power or Powers in relation to China, which they deem to be still in force and upon which they may desire to reply. In each case, citations will be given to any official or other publication in which an authoritative text of the documents may be found. In any case in which the document may not have been published, a copy of the text (in its original language or languages) will be filed with the Secretariat General of the Conference.

Every treaty or other international agreement of the character described which may be concluded hereafter shall be notified by the Governments concerned within sixty (60) days of its conclusion to the Powers who are signatories of or adherents to this Agreement.

II. The several Powers other than China will file with the Secretariat General of the Conference, at their earliest convenience, for transmission to the participating Powers a list, as nearly complete as may be possible, of all those contracts between their nationals, of the one part, and the Chinese Government or any of its administrative subdivisions or local authorities, of

the other part, which involve any concession, franchise, option or preference with respect to railway construction, mining, forestry, navigation, river conservancy, harbor works, reclamation, electrical communications, or other public works or public services, or for the sale of arms or ammunition, or which involve a lien upon any of the public revenues or properties of the Chinese Government or of any of its administrative subdivisions. There shall be, in the case of each document so listed, either a citation to a published text, or a copy of the text itself.

Every contract of the public character described which may be concluded hereafter shall be notified by the Governments concerned within sixty (60) days after the receipt of information of its conclusion to the Powers who are signatories of or adherents to this Agreement.

III. The Chinese Government agrees to notify in the conditions laid down in this Agreement every treaty, agreement or contract of the character indicated herein which has been or may hereafter be concluded by that Government or by any local authority in China with any foreign Power or the nationals of any foreign Power, whether party to this Agreement or not, so far as the information is in its possession.

IV. The Governments of Powers having treaty relations with China, which are not represented at the present Conference, shall be invited to adhere to this Agreement.

The United States Government, as convener of the Conference, undertakes to communicate this Agreement to the Governments of the said Powers, with a view to obtaining their adherence thereto as soon as possible.
