INSTRUMENT ESTABLISHING A PREPARATORY EDUCATIONAL, SCIENTIFIC AND CULTURAL COMMISSION

The Governments represented at the United Nations Educational and Cultural Conference in London,

Having determined that an international organisation to be known as the United Nations Educational, Scientific and Cultural Organisation shall be established, and

Having formulated the Constitution of the United Nations Educational, Scientific and Cultural Organisation,¹

1. Pending the coming into force of the Constitution and the establishment of the Organisation provided for therein, there shall be established a Preparatory Commission to make arrangements for the first Session of the General Conference of the Organisation, and to take such other steps as are indicated below.

2. For this purpose the Commission shall:

(a) Convoke the First Session of the General Conference.

tion, and arrangements for the Secretariat of the Organisation and the appointment of its Director-General.

(c) Make studies and prepare recommendations concerning the programme and the budget of the Organisation for presentation to the General Conference at its First Session.

(d). Provide without delay for immediate action on urgent needs of educational, scientific, and cultural reconstruction in devastated countries as indicated in Paragraphs 6 and 7.

3. The Commission shall consist of one representative of each of the Governments signatory to this Instrument.

4. The Commission shall appoint an Executive Committee composed of fifteen members to be selected at the first meeting of the Commission. The Executive Committee shall exercise any or all powers of the Commission as the Commission may determine.

5. The Commission shall establish its own rules of procedure and shall appoint such other committees and consult with such specialists as may be desirable to facilitate its work.

6. The Commission shall appoint a special technical sub-committee to examine the problems relating to the educational, scientific and cultural needs of the countries devastated by the war, having regard to the information already collected and the work being done by other international organisations, and to prepare as complete a conspectus as possible of the extent and nature of the problems for the information of the Organisation at the First Session of the Conference.

7. When the technical sub-committee is satisfied that any ameliorative measures are immediately practicable to meet any educational, scientific or cultural needs it shall report to the Commission accordingly and the Commission shall, if it approves, take steps to bring such needs to the attention of governments, organisations, and persons wishing to assist by contributing money, supplies or services in order that co-ordinated relief may be given either directly by the donors to the countries requiring aid or indirectly through existing international relief organisations.

8. The Commission shall appoint an Executive Secretary who shall exercise such powers and perform such duties as the Commission may determine, with such international staff as may be required. The staff shall be composed as far as possible of officials and specialists made available for this purpose by the participating Governments on the invitation of the Executive Secretary.

9. The provisions of Articles 104 and 105 of the Charter of the United Nations Organisation concerning the legal status of that Organisation, its privileges and immunities shall apply in the same way to this Commission.

10. The Commission shall hold its first meeting in London immediately after the conclusion of the present Conference and shall continue to sit in London until such time as the Constitution of the Organisation has come into
force. The Commission shall then transfer to Paris where the permanent Organisation is to be located.

11. During such period as the Commission is in London, the expenses of its maintenance shall be met by the Government of the United Kingdom on the understanding:

(1) that the amount of the expenses so incurred will be deducted from the contributions of that Government to the new Organisation until they have been recovered, and

(2) that it will be open to the Commission, if circumstances so warrant, to seek contributions from other governments.

When the Commission is transferred to Paris, the financial responsibility will pass to the French Government on the same terms.

12. The Commission shall cease to exist upon the assumption of office of the Director-General of the Organisation, at which time its property and records shall be transferred to the Organisation.

13. The Government of the United Kingdom shall be the temporary depository and shall have custody of the original document embodying these interim arrangements in the English and French languages. The Government of the United Kingdom shall transfer the original to the Director-General on his assumption of office.

14. This Instrument shall be effective as from this date, and shall remain open for signature on behalf of the States entitled to be the original Members of the United Nations Educational, Scientific and Cultural Organisation, until the Commission is dissolved in accordance with paragraph 12.

In faith whereof, the undersigned representatives having been duly authorised for that purpose, have signed this Instrument in the English and French languages, both texts being equally authentic.

Done in London the Sixteenth day of November, 1945, in a single copy, in the English and French languages, of which certified copies will be communicated by the Government of the United Kingdom to the Governments of all the States Members of the United Nations.
