GERMAN INTERESTS IN SWEDEN

The Chiefs of the Allied Delegations to the Chief of the Swedish Delegation

WASHINGTON, D.C.

July 18, 1946

DEAR JUSTICE SANDSTRÖM:

Delegations representing the Governments of the United States of America,
France, and the United Kingdom of Great Britain and Northern Ireland
on the one hand (hereinafter referred to as the Allies) and the Government
of Sweden on the other hand have met in Washington and exchanged views
on questions relative to German interests in Sweden and the elimination of
any possible risk of those interests being used to support renewed German
aggression.

Following this exchange of views, and in reaffirmation of their mutual
support of these economic security objectives, the Swedish and Allied Dele­
gations have arrived at the following understanding:

1. (a) The Swedish Government confirms its intention to pursue a pro­
gram of economic security by the elimination of German interests in Sweden.

(b) The Swedish Government further affirms that the Foreign Capital
Control Office (Flyktkapitalbyrå or the FCCO) will, for this purpose,
continue to uncover, take into control, liquidate, sell, or transfer German
property, that the procedure already informally established between the
FCCO and the Allied Missions in Stockholm shall be continued, as previously,
as a means of exchanging information regarding the discovery and liquidation
of German property and affording mutual assistance in this program.

1 Date of approval by Swedish Government in accordance with terms of para. 9 of
principal note, communicated by note of same date.
2. The disposition of the proceeds of the German assets in Sweden, after clearing against certain Swedish claims, will leave a balance which shall be considered to be 150 million kronor. To assist in preventing disease and unrest in Germany, this sum of 150 million kronor will be made available in a special account with the Swedish Riksbank to be used for financing such purchases—in Sweden or in any other market—of essential commodities for the German economy as may be agreed upon between the Swedish Government and the Allies. Insofar as such purchases are made in the Swedish market the deliveries will be limited by the scarcity of available supplies.

3. The German owners concerned shall be indemnified in German money for the property which has been liquidated or disposed of in Sweden pursuant to this understanding. For this purpose, the competent Swedish authority will give the Allies the necessary details with regard to the amount realized with particulars of the names and addresses of the German owners, and the Allied authorities in Germany will take the necessary steps in order that there will be recorded the title of the German owners of the property liquidated to receive the counter value thereof.

4. (a) In pursuance of its policy to restitute looted property, the Swedish Government will effect restitution to the Allies of all gold acquired by Sweden and proved to have been taken by the Germans from occupied countries, including any such gold transferred by the Swedish Riksbank to third countries. Any claims by Governments of the occupied countries or their banks of issue not presented before July 1, 1947 shall be considered to be barred.

(b) On the basis of present evidence, subject to further checking, it is assumed that the gold the Swedish Government has to restitute amounts to 7,155.32664 kilograms of fine gold, corresponding to the quantity of gold deriving from the Bank of Belgium which was acquired by the Swedish Riksbank and which is to be restituted in accordance with the foregoing.

(c) The Allied Governments undertake to hold the Swedish Government harmless from any claims deriving from transfers from the Swedish Riksbank to third countries of gold to be restituted according to the above declaration.

5. Divergencies on the interpretation and scope of the above clauses may, if the four Governments do not otherwise agree, be referred to arbitration.

6. The undersigned representatives of the Governments of the United States of America, France, and the United Kingdom of Great Britain and Northern Ireland state that insofar as the preceding provisions are concerned, they are also acting on behalf of the Governments of Albania, Australia, Belgium, Canada, Denmark, Egypt, Greece, India, Luxembourg, Norway, New Zealand, the Netherlands, Czechoslovakia, the Union of South Africa and Yugoslavia, and so far as it is material, the banks of issue of those countries.

7. (a) The three Allied Governments will make arrangements, through their Missions in Stockholm, for the admission of an official Swedish dele-
gation which will be permitted to visit the zones of Germany in the charge of those Governments, and to inspect properties of corporations in which Swedish nationals have a substantial ownership interest, or which are directly owned by Swedish nationals. The inspection and other activities of the delegation will be limited only by general requirements of military security and convenience, and by such general laws and regulations as are applicable to all persons travelling in Germany.

(b) It is the intention of the three Allied Governments to give nondiscriminatory protection to the property in Germany of nationals of friendly foreign states, including property of corporations in which they have a substantial ownership interest. Provision will be made for equitable compensation in Germany with respect to removals and other dispositions of such properties by the Allied authorities in the zones of Germany occupied by them.

8. The Allied Governments will, in due time, require Germany or the future German Government to confirm the provisions of this understanding insofar as they affect German property in Sweden.

9. This understanding, together with the further letters exchanged today, shall, except where otherwise provided, take effect upon approval by the Swedish Riksdag.

Accept, Sir, the renewed assurances of our most distinguished consideration.

Locating Looted Securities

The Chiefs of the Allied Delegations to the Chief of the Swedish Delegation

Washington, D.C.
July 18, 1946

Dear Justice Sandström:

During the course of the discussions which have been concluded concerning German property in Sweden, you advised us of the procedures in effect in Sweden for the restitution of property located in Sweden which was looted by Germany or its nationals. You made known to us the fact that these procedures, as established by Swedish law of June 29, 1945 (No. 520), provide a simple and inexpensive method by which victims of spoliation may obtain restitution of their property in Sweden.

We wish to express our appreciation of these procedures which we have confidence the Government of Sweden will continue. In this connection, you will recall that the problem of locating looted securities was discussed. We appreciate the fact that your Government will consider sympathetically this problem and such procedures as the Allied Governments may subsequently propose to you for the purpose of facilitating the location of such securities.

Accept, Sir, the renewed assurances of our most distinguished consideration.

Gentlemen:

I have the honor to acknowledge receipt of your letter of today's date in the following terms:

[Swedish note repeats first two paragraphs of preceding note.]

I confirm that the above law will continue to be in force for the time being but that it will expire on July 1, 1947, unless extended. I also confirm the willingness of the Swedish Government to cooperate, in particular, in locating looted securities within the framework of Swedish legislation and within the limits of practical possibilities.

Accept, Gentlemen, the renewed assurances of my most distinguished consideration.

German Assets Held Outside Sweden by Swedish Nationals or Institutions

Dear Justice Sandström:

In connection with the understanding we have reached, the Allied Delegations pointed out the importance of the Swedish Government conducting investigations of German assets which are held outside of Sweden by or through Swedish nationals or institutions. The Allied Delegations pointed out that the uncovering of such assets can only take place with the cooperation and assistance of the Government of Sweden.

It is therefore requested that the Government of Sweden take appropriate action through census and other means to identify such German assets as may be held outside Sweden by or through Swedish nationals or institutions and to make this information available to the Allied Governments.
Accept, Sir, the renewed assurances of our most distinguished consideration.

PATENTS, TRADEMARKS, AND COPYRIGHTS

The Chiefs of the Allied Delegations to the Chief of the Swedish Delegation  
WASHINGTON, D.C.  
July 18, 1946

Dear Justice Sandström:
In connection with the understanding we have reached, it has been agreed that, pending the conclusion of multilateral arrangements, to which it is the intention of the Allies to invite the Swedish Government to adhere, and pending the decision of the Swedish Government regarding participation in such arrangements, no German owned patent in Sweden shall be sold or otherwise transferred for a period of three months from today's date or such further period as may then be agreed, except where, after notice
to the Allies, it is found appropriate to sell patent rights as part of the sale of a German-controlled enterprise.

We have also discussed the problems arising out of German trademarks and copyrights. The Allied Governments contemplate that international discussions may also take place with respect to these matters, with the objective of establishing by agreement general policies with a view to eliminating certain German trademarks and to making freely available to the community such German copyrights as have special value. Pending the making of multilateral arrangements and the decision of the Swedish Government regarding participation in such arrangements, it is hoped that the Swedish Government will not take any action which would preclude their adherence to a policy consistent with such arrangements.

Accept, Sir the renewed assurances of our most distinguished consideration.

Principles and Practices To Be Applied

The Chief of the Swedish Delegation to the Chiefs of the Allied Delegations

WASHINGTON, D.C.
July 18, 1946

Gentlemen:
In connection with the understanding we have reached, I have the honor to state on behalf of my Government that in the elimination of German interests in Sweden and the liquidation, sale, or transfer of German property, and in approving the transferees, the following principles and practices, inter alia, apply and will continue to be observed:

1. Due regard will be paid to world security interests, especially the interest of eliminating completely all forms of German control and economic
influence; to the interests of the national economy; and to the obtaining of the highest possible prices.

2. Sales will be made to non-German nationals and, when practicable, will be public sales, except in cases where the assets are acquired by the Swedish Government.

3. In any sales or liquidation, the interests of non-German foreign nationals will be protected to the same extent and in the same manner, whether direct or indirect interests are involved, as those of Swedish nationals, on condition of reciprocal treatment in the country of those nationals.

4. The FCCO will inquire into the bona fides of liens and claims against German property, particularly those which arose immediately prior to or after the outbreak of war.

5. German property to be dealt with under the understanding shall include all property owned or controlled, directly or indirectly, by any person or legal entity of German nationality inside of Germany, or subject to repatriation to Germany, other than persons whose case merits exceptional treatment.

Gentlemen:
I am authorized to make, on behalf of my Government, the following statement.

The Swedish Government in pursuing its policy to participate in the work of reconstruction and rehabilitation has in connection with the understanding we have reached found it appropriate to make the following contributions:

1. The Swedish Government will make available 50 million kronor to the Inter-Governmental Committee on Refugees for use in rehabilitation and resettlement of non-repatriable victims of German action.

You may rest assured that my Government, while reserving its decision as to the manner in which the funds will be made available, will use its best efforts to make the funds available as soon as possible and in such manner as to best carry out the aims of the Committee.

2. The Swedish Government will further make available 75 million kronor, which it will allocate among countries party to the Paris Agreement on Reparations. Decisions upon allocation will be made after exchanges of views with the Allies acting on behalf of those countries and with favorable consideration of their views.

There will also be consultation between the Swedish Government and each of the countries which may receive credit for any part of this sum as regards the extent to which or manner in which benefit from its share shall be applied either in the remission, reduction or extension of any existing or future credit with Sweden of each such country, or otherwise, as may be agreed between each such country and Sweden.

In connection with the understanding reached today, we raised the problem of having access to the files of the German Chamber of Commerce in Sweden.

You stated that the Government of Sweden will disclose to the representatives of the Allies any information contained in the files of the German Chamber of Commerce which may be relevant to the objectives of our understanding.

In view of the fact that approximately two-thirds of the funds which were made available to the German Chamber of Commerce were furnished by the German Government or its agents, the Government of Sweden is requested sympathetically to consider the suggestion that it should accordingly treat that proportion of the net proceeds of liquidation as a German asset.
