

About This Catalog

This catalog lists piano music for two hands. Entries are listed in alphabetical order by composer, editor, or, in a few instances, by title. Print-edition information is given for most listings; volume numbers refer to print volume numbers.

The music in this list is limited to our holdings of the standard piano repertoire, broadly understood. Our complete holdings for piano two hands may be found online at www.loc.gov/nls/music/pianoscores/index.html.

All of our piano holdings, including piano two or more hands, are available online at <http://nlscatalog.loc.gov>.

Separate catalogs are, or will be, available for our piano collections and piano works that involve one, four, six, and eight hand(s).

The abbreviations for the various braille music formats, as well as where each braille score was produced, are explained below.

Formats:

Bar by Bar = bbb

Bar over Bar = bob

Line over Line = lol
