BACKGROUND

A variety of children's books in special formats that were nearly all received through copyright deposit in the 1930s and the 1940s. Most numerous are the "Big Little Books" and "Better Little Books" issued by Whitman Publishing company, a subsidiary of the Western Printing & Lithographing Company (now Western Publishing Company) of Racine, Wisconsin.

ORGANIZATION

The following list of the 467 books in the Big Little Book Collection is listed alphabetically by title. The location of each book is indicated by tray number and the number given on the piece, or when no number is available, by tray number and title of the piece. The collection is arranged on the shelf following the organization used in "Lowery's The collector's guide to big little books and similar books," by publisher, series, and series number or title (as applicable).

The collection is shelved in trays as follows:
