

April 7, 1958

Dear Mother:

How are you? I hope you are keeping well. I am just getting to the money order I was sending in your birthday card. I have been and still am very busy.

I feel better each day and eating with less discomfort.
discomfort

Yesterday, it rained
nearly all day here,
and there was a
very bad storm in
Newport News. Property
damage was considerable
but no injuries or
deaths reported.

It was sad to read
about Jeremiah Reenes
getting the ^{electric} chair. I
suppose you already
know about it.

I still want to get to
Montgomery, but don't
know if I can get
away. I should leave
April 9, be back here
the 15. I will let you
know right away what
I will do.

I hope Parks is keeping
well, also brother and
family. Does he still
have his car? How is
the recession treating
all of you there? Give
my regards to Anne,
Hannie Mae, Thomas and

their families. I hope
they are all well. I
am send Mrs. Crawford
the rent money today also.

And remember me
to your neighbors, the
Hendersons.

Today is fair and
warm after the heavy
rain. ~~to~~

I will close for
now. Write when you

can,

Your loving daughter

Rosa.
