Women's Vote Welcome, Says Cox
Civilization Is Saved, Declares Cox

ALBANY, Aug. 18.—Says the action of the Senate today of
ratifying the 19th Amendment will mean
the triumph of civilized life, and he
is glad to think of the huge and
magnificent gathering that will meet
in New York City on Labor Day,
the 27th of the month, in Gods
name, and the applause that will
go to the women of this country
for having made it possible for men
of the country to do their duty
in a sane manner.

Professor and 8 Sandwich Men
Lower Prices on the Heights

There is a new type of sandwich man
in New York City, and it
is doing an excellent business.
He is a professor, or rather
a former professor; and
his sandwiches are
the same.
